CHURCH NOTES

Free Methodist Church

The revival meetings held by the Rev. Goss of the United Brethren in the Free Methodist mission closed Friday morning. Much good was done in this meeting. About 12 received definite help at the altar. Some were converted, some were sanctified and others were healed. The Rev. Goss went from here to Freewater, where he expected to conduct a meeting for the Nazarene church.

The district quarterly meeting of the Free Methodist church will be in Walla Walla from January 9 to 12, inclusive. Mrs. Beamish has been invited to take the opening service Thursday evening. Orbe Wells will fill her pulpit in the mission Sunday at 11 o'clock. Sunday school will be at 10 o'clock as usual. A growing interest is being manifest in both. By Mrs. Beamish, pastor.

CHRISTIAN SCIENCE CHURCHES

"God" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 5.

The Golden Text was, "Who is so great a God as our God?" (Psalms 77:13).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The Lord is our judge, the Lord is our lawyer, the Lord is our king; he will save us" (Isaiah 33:22).

Baptist-Christian

We missed a number of our scholars last Sunday in the department of the Bible school. No doubt some were away and some were sick but what about the others? We hope they will be back again next Sunday day at 10 o'clock to take their places. We believe the ladies' class deserves special mention this week. This is a class for mothers. Perhaps no one in this busy day is so close to the child as the mother, and who is better fitted to train the child of today than the God-fearing Christian mother? We invite not only the mothers, however, to meet with this class but any other adult woman.

We are now conducting a study of the Book of Romans on Sunday mornings. This interesting book is one of the best treatises on salvation in the New Testament. Every one ought to have a fair knowledge of it. We shall use charts of the

time that people may the more fully apprehend its meaning. The part for our consideration this coming Sunday may well be called "The Sin of the Gentiles," because it deals with the sins of the human race, excluding Israel. You will want to hear it.

The Christian Endeavor society, meeting at 6:30 P. M., is making plans to enlarge its departments. The leaders for the quarter are listed and all are enthusiastically preparing to give their respective topics the best treatment.

\$200.00 Paid For One Copper Cent

J. D. Martin of Richmond, Va., is the proud possessor of a check for \$200.00 paid him for an old copper cent. The Numismatic Company, Dept. 666, Fort Worth, Texas, who purchased this penny from Mr. Martin, says there are numerous old coins, bills and stamps in circulation for which they will gladly pay big cash premiums. So that you will know the value of old coins and stamps and what to watch for in your change, the Numismatic Company will send for only 4c to any reader of this paper who writes them, a large illustrated coin folder describing some of these wanted articles and the big profits to be made. Better write them today for this large folder so you can post yourself and know just what to look for. Remember that Mr. Martin's knowing the value of his penny meant a difference of \$199.99 to him. Without knowing its value that penny might still be in circulation, passing through the hands of thousands until some one like Mr. Martin, who knows old coins, recognized its value. It pays to be posted. Send 4c now for the illustrated coin folder. You have nothing to lose, everything to gain.
