

4-H CLUBS BEING ORGANIZED HERE

TWO GIRLS CLUBS ORGANIZED BY LOCAL TEACHER

Leaders Chosen; Meetings to be Held in the Local High School for Organization.

Under the leadership of Mrs. W. A. Hinebine, home economics teacher in the Hermiston high school, a group of the girls in the school organized two 4-H clubs last Tuesday afternoon. Fourteen girls enrolled in each of these clubs, some being members of both clubs. This work which is being undertaken by Mrs. Hinebine is filling a need which has existed in the community for some time, since each year there has been a group of girls interested in the work but without a leader. 4-H club leaders will meet with boys and girls who wish to enroll in club work at the Hermiston high school this week. Leaders in the Stanfield district will hold meetings at the Stanfield high school next Monday morning at 9 A. M. The purpose of both meetings is to organize clubs for 1930.

Judging from the list of names given at a club meeting held at the local high school last Monday night the enrollment this year will be larger than in the past. Last year there were 5 clubs at Hermiston and four at Stanfield having a total enrollment of 67. There will be as many organized this year as there is a demand for, according to the assistant county agent.

Walther Ott will act as leader of the Jersey calf club again this year. He is also a member of the club and has started a fine herd of registered Jerseys since being a member of this club. J. W. McMullen has been leader of the Holstein club for several years and has agreed to continue in that capacity this year. C. M. Jackson will lead the pig club for the second year. The sheep club will be led by S. H. Barnard who is filling the position previously occupied by E. D. Martin during recent years and who has found it necessary to discontinue his leadership because of pressure of other duties. Definite arrangements have not been made for the poultry club and this will be taken care of in the near future. This club was led last year by Mrs. Marble and it is hoped she will continue in this capacity. Two new club projects have been added to the list this year. One a senior 4-H club designed to include members between the ages of 19 and 21. The work will be similar to the junior work except that larger projects will be carried and competition will be limited to senior members at the state fair. At the Pacific International, senior members may compete in all club classes. Prizes which will be given for competition at the state fair are offered by the Oregon Bankers' association. There will be twelve prizes ranging from \$25 to \$2.50.

The other new project this year will be a Handicraft club. This is planned to teach persons who wish to learn how to use common tools and how to improve farm equipment and also the boy, through no fault of his, who is unable to carry on agricultural projects. The work of this club will include such as making a wood box, a book rack, a tool box, work bench, etc. If sufficient interest is shown in work of this kind, every effort will be made to secure a leader and start a Handicraft club. Any boy or girl in the community who might be overlooked in the organization meeting but who is interested in club work should communicate with the leader of the club interested in, or inquire of the assistant county agent.

She is survived by four sons, Fred, Mathew, Hollis and Clarence and her husband, W. D. Gordon, all of this city.

HERMISTON JERSEY BREEDERS' MET FEB. 22

L. C. Dyer Elected President; Other Officers and Directors Elected for 1930.

L. C. Dyer was re-elected president of the Hermiston Jersey Breeders' association at the annual meeting of the association held Saturday, February 22, in the Hermiston library. The office of vice-president will be filled by J. S. Scott during the coming year and C. M. Jackson will serve as secretary. Mr. Jackson has been secretary of this association for many years except during last year when the office was filled by S. H. Barnard.

Directors elected to represent the various blocks in the association were: H. H. Christiansen for Block I, J. S. Scott for Block II, H. J. Ott for Block III, F. H. Reiks for Block IV, and C. M. Jackson for Block V.

Other business done at the meeting dealt primarily with the financing of the association and as a result of action taken, the annual assessment per block will be \$40.00 in the future instead of the \$25 assessment which has been made during previous years. This action was thought necessary in order to finance the purchase of high quality sires.

Arrangements were also completed for the purchase of a young bull from Mrs. Neal of Oregon City. This bull is the grandson of Crown Sybel's Warder, a bull recently purchased by the association from Mrs. Neal and a grand champion show bull as well as a proven sire.

CELEBRATES NINETY FIRST BIRTHDAY

It was a happy gathering of upwards of a score of Hermiston folks who came to the home of Clara G. Hall and her mother, Mrs. Lola S. Hall last Saturday to celebrate Mrs. Hall's ninety-first birthday. It proved to be a shingle party and was quite appropriate for a birthday gathering for everybody carried a shingle. The table decorations were flowers sent by Mrs. Hilsley from California and the refreshments were plentiful and satisfying. Rev. Dowell read and offered prayer before the gathering broke and songs and games were indulged in with great enjoyment.

IT'S NOT YOUR TOWN, IT'S YOU

If you want to live in the kind of town Like the kind of town you like You needn't slip your clothes in a grip And start on a long, long, hike. You'll only find what you left behind. For there's nothing that's really new. It's a knock at yourself when you knock your town— It isn't your town, it's YOU. Real towns are not made by men afraid, Lest somebody else get ahead. When every one works and nobody shirks You can raise a town from the dead. And if, while you make your personal stake, Your neighbors can make one too, Your town will be what you want to see— It isn't the town, it's you.

Locals Play Helix Saturday Night in Sub-district Tournament At Helix.

The Echo high school basketball team met defeat at the hands of Hermiston Wednesday, February 26, on the local courts to the tune of 29 to 12. After the first whistle sounded, Hermiston forged ahead and was leading by a safe margin at the end of the first quarter, the score being 21 to 1 in the local's favor. After the half Echo outplayed the locals but could not run up the score enough to get over the mark made by the locals in the first quarter.

The line-up for Hermiston was: Smith, c.; Nation, f.; Felthouse, f.; Hammond, g.; Martin, g.; D. Martin, s.; Klages, s.; Hurly, s.

The girls game was called off on account of so many of them being ill with the flu.

Next Saturday the local quintet will journey to Helix to play in the sub-district tournament. Their first game will be with Helix and this promises to be an exciting game as they beat the locals once and the locals won from them once. This also decides which one of the teams goes to Pendleton for the district tournament.

PENDLETON ELKS WILL HAVE MINSTREL SHOW MARCH 6

The minstrel show which is to be presented by the Pendleton lodge of Elks is getting well under way and the boys will strut their stuff, on Thursday night, March 6, at the Rivoli theatre, Pendleton.

It's going to be a wow says those who have attended the rehearsals. Very much has been accomplished in the short time that the chorus has been rehearsing and this year's show will surpass any minstrel show heretofore presented by the Pendleton lodge of Elks.

This might be called an "Annual Charity Minstrel Show" for the proceeds derived from the show are turned over to the charity fund of the lodge, which funds are expended for charitable work only, in this county. Elk lodges all over the United States are noted for the charitable work they do in their own respective communities, and Pendleton lodge as well as other Elks lodges are foremost in charitable work among fraternal organizations.

Many tuneful numbers consisting of southern melodies and the latest song hits from Broadway will be presented in true professional style. Harmony is what these boys have most of and the boys are running true to form. Such stars as Roy Buchanan, Ed (Ole) Olson, Nat Kimball and Bert Jerard are rehearsing secretly in order to present something new in jokes and songs that will be sure-fire hits.

The cast includes 50 voices, including 8 end men and 4 soloists. The second part includes skits, vaudeville acts, music and tap dancing. In all the show is bigger and better in every way. A full night of clean, wholesome entertainment is assured all those who wind their way to the Elks Minstrel show March 6, at the Rivoli theatre, Pendleton. Seat sale opens at the Rivoli theatre Sunday, March 2.

HOME POINTERS

A large, boneless piece of roast which is slightly underdone may be reheated in the piece, by mashing enough potatoes to cover the meat with a layer about one-fourth of an inch thick. Season the potatoes with salt, pepper, a little milk and butter or drippings, spread over the meat, brush with beaten egg and dredge with crumbs. Put in a baking dish in a hot oven, heat until nicely browned.

Ham butter sandwiches is picnic accessory that may be made and kept in a cool place ready for several days. To make: chop boiled ham and mix with almost an equal amount of butter. It is best to keep it closely covered and in a cool place.

Left-over ham is excellent creamed and highly seasoned. One tablespoon of Worcestershire sauce to each cup of white sauce may be used.

Celery, cut fine and added to cranberry jelly just before it stiffens, is very nice. This is molded and later garnished with celery curls.

Cranberry ice may be served in tall glasses with the meat course and is a change from cranberry sauce or cranberry jelly.

Bacon drippings add flavor to every food that is cooked in them, or in which they are used. The drippings are especially good in sauces for meats and vegetables. When added to the dressing for fowl and other meats, a particularly rich flavor is produced.

Appointed Member of Committee. Superintendent Frank E. Shaw has recently been appointed a member of the Oregon High School Principals' Association research committee, "The Fundamental Processes in High School," according to advice from the office of the association's executive secretary at Eugene.

To Portland. Mr. and Mrs. Alpha Christley accompanied by Mrs. A. Hammer went to Portland Saturday where Mr. Christley was taken to the Emanuel hospital to be operated on.
