Medium: "I have him now."
Sandy: "Ask him where the dollar landed that he threw across the Potomac river."

Now, everyone isn't able to throw dollars around and we all are not so Scotch that we have to look for them after they are lost. If you want to be sure that your dollars are not being thrown away in buying building material or fuel, just come to us for full value.

Add summer comfort to your home—celotex and a screen porch.

If you go to the mountains in the summer you will want a summer cottage. We have plans of several.

In order to detect which side of the bread is buttered, we offer the following test: Simply drop the bread and see which side hits the carpet. It has never failed on a million rugs.

It is about fly time. Screen doors and window screens should be put up now to protect the health of the family.

The B-H Color Harmony Selector helps you create friendly rooms...

... French buff walls, azure blue woodwork, Chinese red furniture and incidental touches of orchid and forest green will make this sun room a delightful spot in which to relax or chat.

This combination is one of many on the B-H Interior Color Harmony Selector. Its form is a colorful disc over which re-

volves a slotted mask thru which appear tested color combinations.

But don't wait to be ready to paint. Let us show you this practical device now—also its companion chart for colorful exteriors.
