

HERMISTON WINS TWO GAMES LEAGUE SERIES

HIGH SCHOOL TEAM VICTORIOUS IN LAST TWO CONTESTS

Game Here Wednesday Is Closely Contested; Featured by Stick Work of Locals.

The Team Standings:

Team	Won	Lost	P.C.
Helix	2	0	1000
Hermiston	2	1	666
Athens	2	1	666
Adams	0	4	000

The Adams high school baseball team lost a closely contested game Wednesday to the Hermiston nine by the count of 5 to 6. The locals started the scoring in the first frame when three runs were marked up to their credit. Adams threatened to overtake this lead in the fourth inning when two Warriors crossed the plate. Hermiston scored two more in her half of the fifth, while Adams tallied once.

Things looked bad for Hermiston in the fifth inning when Adams had the bases full with only one out. Some nice pitching by Smith, local twirler, saved the situation, even though the Warriors scored one more. Hermiston gained two more runs in the sixth to take a lead that Adams could not overcome.

Even though he hit six Adams batters Smith pitched one of the best games of the season.

Hermiston's second victory over Adams places her in a tie with Athens for second place in the Umatilla county high school baseball league.

The champion team wins a silver cup offered by the Jack Allen Supply Co., of Pendleton.

The Hermiston high school baseball team completely outclassed Adams high school last Friday in the Wheat Belt City, 13 to 2.

The locals started the game with a bang by scoring two runs in the first inning. The first ball pitched was clouted for a two base hit and Hermiston had the game on ice from then on.

Practically every Hermiston man boosted his batting average for the Adams twirler was hit freely. While the locals were amassing over 20 hits the Adams nine made only two.

The outstanding feature of the game was a home run by Al Kennings.

WEATHER REPORT

Weather report for the past week:

Date	Max.	Min.
April 17	72	31
April 18	69	37
April 19	75	38
April 20	8	42
April 21	81	43
April 22	78	52
April 23	78	43

There was .09 inch of rain.

Guests from Pendleton. Mr. and Mrs. R. G. O'Daniel, of Pendleton, spent Easter Sunday at the F. C. McKenzie home.

State Highway Clean-up Day For May 10 To Be Observed

Efforts are being made by the Hermiston Commercial club to join in the state wide Highway Clean-up Day, set for May 10, in this city. The local Boy Scout troops will also cooperate in helping in this movement. Preparations for this statewide Highway Clean-up Day are moving forward rapidly, according to Mrs. Jessie M. Honeyman, of Eugene, in charge. The movement, endorsed by leading state officials, is sponsored by the Oregon Federation of Garden Clubs, and has drawn the support of practically every civic organization in Oregon.

Probably the largest single factor in the success of the day will be the Boy Scouts, although school children, many university and college students, members of chambers of commerce and service clubs, and many others, have pledged their aid. All Scout troops in Oregon have been called upon by G. H. Oberbauer, state scout executive, to join the movement, which is similar to many in eastern states which have proved

GRADE TRACK MEET IS HELD SATURDAY, APRIL 19

Stanfield and Hermiston Tied Second Place with Score of 53 1-2.

The grade track meet between Stanfield, Echo, Hermiston, Umatilla and Columbia, was held last Saturday afternoon, April 19, with Umatilla winning first with a score of 103 and Stanfield and Hermiston tying for second place with a score of 53 1-2. The following is a list of the Hermiston winners: 25-yard dash, Mary Skovbo, first; 60-yard dash, Ruth Davis, first; baseball throw, A division, Thelma Swanson, first; baseball throw, Division B, Maxine Paul, first; baseball throw, D division, Margaret Olsen, first; Boys 25 yard dash, Clifford Roberts, second; boys baseball throw, division B, Clifford Roberts, first; division D, shotput, Myron Nation, first; division A, broad jump, Carl Knauff, second; C division, high jump, Gordon Blessing, second. Umatilla won the relay race which was the final event of the track meet.

BOY SCOUTS REORGANIZE

TUESDAY, APRIL 15

The Boy Scouts met Tuesday evening and re-organized into two patrols, the Wolf and Owl patrols. In the Wolf patrol Lee Dyer is patrol leader, Fred Hensel, assistant patrol leader, George Sale, patrol scribe and John Biggs, Cecil Warner, Jim Lenhart, Chester Dyer and Melvin Follett are members. In the Owl patrol Bud Prime, patrol leader, Gordon Blessing, assistant patrol leader, Eugene Pierce, patrol scribe and Frank Shaw, Bob Cochran, Dale Carson, Bruce Follett, Clark Paul, are members. Those belonging to the Senior patrol are Bill Hurly, patrol leader, Jim Neary, Howard Cherry and Bob Henderson. Oscar Payne is scoutmaster, while Waltheer Ott is assistant scoutmaster.

R. A. Wo (t) 05 J. Friday night the scoutmaster, Oscar Payne, called a mobilization of all the scouts, which means the gathering together of all of them at a certain time, which the scouts know nothing about until the year notified a few minutes before. The mobilization was called at 9 o'clock and it took one-half an hour for them all to gather after they had been notified by phone or messengers. After the gathering they went to the butte and had a weiner roast, played games and told stories until 11 o'clock.

SPECIAL SCHOOL NEWS

During Nature study period in the second grade this week, the teacher asked the class how a kitty made it's toilet. The hand of one of the little girls fluttered in the air and her face showed an expression of knowledge of the subject. Allright, you tell the class. It digs a hole, was the proud reply.

Motors to Portland. Mr. and Mrs. A. A. Little left for Portland Thursday morning where Mr. Little was attending to business. They returned Friday night.

AUXILIARY WOMEN DISCUSS COOKING PLANS

MEETING WAS HELD APRIL 18 AT COLUMBIA PARK

Next Meeting of May 2 Will Take Form of Co-operative Picnic Columbia School Joining.

Cooking was the subject discussed at the last meeting of the Woman's Auxiliary of the Farm Bureau on April 18 with Mrs. Henry Hooker as chairman assisted by Mrs. Lou Hooker, Mrs. Addleman and Mrs. Hurst. Judging from the wonderful lunch served by these ladies, proved they knew their subject. Mrs. Hooker gave different ways of serving asparagus.

The next meeting on May 2 will be a co-operative picnic with the health and recreation committees joining with the Columbia school in a May day celebration to which all are welcome. Those attending are requested to bring a plate, cup and spoon and some article of food. Since this is to be largely a health day meeting milk will be served mostly as a beverage.

WOMAN SERIOUSLY INJURED WHEN AUTO SKIDS OFF ROAD

Mr. and Mrs. W. G. Fritts, former residents of the project, now of Seattle, accompanied by Mrs. D. E. McClon of the same city, met with a serious accident on the Columbia highway last Friday near Hood River when their car skidded on the pavement going over a 75-foot bank. Mrs. McClon was the most seriously injured and was taken to a hospital. Mrs. Fritts suffered a severe gash in the head but Mr. Fritts escaped with only bruises. The car was demolished.

FIRE DESTROYS ROOF

Fire destroyed the roof on the S. L. Carson home Friday afternoon, but the fire was put out before much damage was done. It is thought it started from a defective flu.

M. E. Church.

Sunday services at the M. E. church will be observed in an appropriate way for the conclusion of child Health Week. Come and help us fittingly observe it.

Sunday school at 10 and no worship service in the morning. Epworth League at 7, and evening worship at 8 P. M.

Come and see what your presence will mean to the service. You will be welcomed. O. W. Payne, pastor.

FAMILY GATHERING HELD

A family gathering was held at the Walter Mead home of this city Thursday honoring his eldest sister, Mrs. J. M. Dollarhide of Everett, Washington. Those present were Mr. and Mrs. G. R. Mead of Lexington, Mr. and Mrs. Earl Saling of Heppner, Mr. J. C. Mead of Lexington, Mr. and Mrs. L. R. Kasinger and children of Hermiston, Mrs. J. M. Cox and children of Heppner, Mr. and Mrs. J. D. Moyer, Lexington, Mr. and Mrs. W. I. Mead and children of this city, G. H. Mead, Lexington, Mrs. Davis of San Francisco, Mr. and Mrs. B. C. Holmes and son of Seattle, sister of Mrs. W. Mead, and Mrs. McCoy, mother of Mrs. Holmes and Mrs. W. Mead. Thirty-two guests were present at noontime and twenty-nine for picnic lunch at 6:30 P. M.

Games, rope jumping, story telling and snap shots afforded amusements for young and old. This is the first time for twelve years that Mr. and Mrs. G. R. Mead have had an opportunity of having their children together.

PIONEER WOMAN OF PROJECT DIES MONDAY

WAS RESIDENT OF HERMISTON SINCE 1903

Was Native of Indiana; Prominent in Church Work in Early Days of Project.

Elvina Baker, aged 82 years, 3 months and 23 days passed away at the home of her son, C. E. Baker, Monday morning, April 21, after several months of illness. Private funeral services were held Tuesday afternoon at 2 o'clock at the Prann undertaking parlors with Rev. Payne officiating. Interment was made in the Hermiston cemetery.

Mrs. Baker was born in Wabash, Indiana, in the year 1848, living there until 1873 when she moved to Nebraska where she resided until 1903 when she moved to this project where she lived until the time of her death. She is well known to the residents of this community and project, having lived here 27 years and being one of the oldest pioneers of this part of the county.

She was a member of the Baptist church and besides the host of friends she leaves three sons, C. E. Baker of Hermiston and two sons living in the east, a daughter, Mrs. H. F. Paulsen, of Omaha, Nebraska, and several grandchildren, to mourn her death.

Visits Pendleton.

Frank Pierson was a Pendleton visitor the first of the week.

PRIZES ARE AWARDED FOR POPPY CONTEST

AFFAIR IS SPONSORED BY AMERICAN LEGION AUXILIARY

Three Winners are Selected From Various Division of High and Grade Schools.

The judges for the Poppy Poster contest, conducted by the American Legion Auxiliary have awarded prizes as follows:

First Division, fourth, fifth and sixth grades—Barbara Reid. Second Division, seventh and eighth grades—Edward Parsons. High school—Mary Brownson.

The three winning posters have been sent to the department where they will be placed in competition with posters from other parts of the state.

Checks are being mailed to the fortunate contestants. Mrs. Lella Phelps, Mrs. O. O. Felt-house and Miss Eleanor Briggs acted as judges.

BASEBALL GAME TO BE PLAY AT UMATILLA SUNDAY

The third game of the Umatilla county baseball league will be played Sunday at the Umatilla baseball grounds when the Railroaders meet the Mission Indians. Both teams have lost one game and won no game so a good match is anticipated. The game is to be called at 2 o'clock and the admission will be 35 cents. It is hoped that all the baseball fans will be on hand to urge on the Railroaders.

The first game played was with Athens on the Umatilla grounds a week ago Sunday last on the Umatilla grounds a week ago Sunday last, which they won 11 to 10. The return game was played Easter Sunday at Athens and Umatilla lost 3 to 2.

SILVER TEA HELD

An Easter silver tea was given Wednesday afternoon, April 16, by the ladies of the M. E. Aid at the home of Mrs. O. O. Felt-house, beginning at 2 o'clock. The first hour was spent in playing games and social entertainment which consisted of a negro mock wedding put on by the local Boy Scout troops. About 60 people were present and their offerings were very generous and greatly appreciated.

Guest at Norton Home.

Miss Dorris Thomson of The Dalles was a week-end guest at the J. M. Norton home. Miss Thomson is a sister of Mrs. Norton.

REPORT OF ABORTION CONTROL WORK GIVEN

1370 Animals Tested in this Program. Work Done Through Umatilla Project Farm Bureau.

A report submitted to P. P. Sullivan, head of the disease control work for the Farm Bureau, showed that 1370 animals in this locality were tested for contagious abortion during the week of April 7 to 12. Of this number, 139 cows, or 10.1 per cent, were reactors, and 31 animals were listed as suspects. There were 154 individual herds represented in this report, 47 of which had one or more reactors in the herd.

While the aim was to test all herds that desired the service, it was unavoidable that some should be missed in carrying out the schedule as arranged, but if anyone who was missed desires to have this work done, arrangements can be made through P. P. Sullivan or the assistant county agent's office.

This abortion control program was sponsored by the Umatilla Project Farm Bureau who paid for the cost of having the cows tested. The work was done by Dr. McCapes from the Oregon State college, Dr. Green, assistant state veterinarian from Salem, E. M. Hauser, assistant county agent, and Logan Todd.

COMMUNITY CANNERY IS READY FOR BUSINESS

The equipment for the community cannery has arrived and is being installed in the building across from the Hermiston creamery and the plant should be ready for operation soon. The movement for this plant was started some time ago by the women's Auxiliary of the Farm Bureau and Mrs. Guiwits, Mrs. Hutchison and Mrs. Kik were appointed a committee to work out the details. The installation of the plant on Thursday is the result of their efforts.

Mr. Orndorf from the Horticultural Products department of the Oregon State college assisted the Auxiliary in setting up the machinery and getting the plant in running order.

With this modern plant now available it will be possible for women of the community to conduct summer canning under more pleasant conditions than standing over a hot kitchen stove while the thermometer outside is crowding the century mark.

GOLFERS VIE SUNDAY

The golf tournament sponsored by the local golf club will be held on the Hermiston golf course Sunday morning, April 27, beginning at 9:00 o'clock. The tournament will consist of a 18 hole handicap for men only, including golf clubs of Pendleton, Pilot Rock, Echo and Hermiston.

Dr. F. V. Prime, chairman, and A. H. Norton and Carl S. McNaught make up the committee in charge. Lunch will be served at the golf course at noon and it is expected that quite a few guests will be present. The course will be in first class condition.

Bee Situation For 1930 Outlined By The Oregon State College

The following article was taken from a beekeeping news letter from the extension service at the Oregon State college:

"The bees seem to be coming through in exceptionally fine condition this spring, far ahead of what they were at this time last year and the prospects are that we will have a good honey flow, barring unforeseen circumstances. The Federal agricultural outlook report indicates that there will be a comparatively small carry-over of honey into 1930, although the general market condition seems to be a little slow. Every effort is being made to see that the census takers get a complete list of all the bees in the U. S. and keepers are urged by the federal office of bee culture to assist in every way possible to see that no bees are overlooked and that we may have a complete census, which has not been true in the past. In the first report the state produces a gross income of \$80,000 from the bee-keeping industry while poultry (er 3 only) have a gross income of \$6,863,000 and milk and milk products have \$23,364,000.

FINAL MEETING FOR P. T. A. ASSN. THURSDAY

MISS MORRIS PRINCIPAL SPEAKER OF AFTERNOON

Mrs. Turnblad, President; Mrs. Best, Vice-Pres.; Miss Stevens, Sec.-Treas. Officers Coming Year.

The final meeting of the P. T. A. for this year was held Thursday afternoon, April 17, at 3 o'clock, at which the following program was given:

Plano Solo..... Sylvia Shutter
Highland Fling..... Neva Richards
Recitation, "Ma's Tools, Zelle French
Vocal Solo..... Miss Burnham
Community singing of P. T. A. songs.

Six students from Miss Voyer's class gave a 15 minute typing demonstration. Mrs. McCulley read an interesting article entitled "The Danger of Beggings Rides."

Miss Morris of the Tuberculosis association of Portland was the chief speaker for the afternoon. Miss Morris gave a very interesting talk on "Health Education in the Home and in the School." Miss Sampson, the county health nurse, explained the danger of diphtheria, and spoke on the value of toxin and anti-toxin for diphtheria. These are to be given in the Hermiston schools for 50 cents for three treatments. It is hoped to reach all pre-school children.

The following officers were elected to serve during the year 1930 and 1931: Mrs. A. W. Turnblad, president; Mrs. Charles Best, vice-president, and Miss Dora Stevens, secretary-treasurer.

Following the meeting a social hour was held with Mrs. Nation, Mrs. Shaefer, Mrs. Reeder, Miss Voyer and Miss Stevens as hostesses.

GEORGE JOSEPH TO SPEAK HERE THURSDAY, MAY 1

George W. Joseph, candidate for republican nomination for Governor, will be in Hermiston Thursday, May 1 and deliver an address at a Farm Bureau meeting held that evening in the Methodist church at 8 o'clock. This is an open meeting and everyone is invited to attend and hear Mr. Joseph speak.

Mr. Joseph has been making these tours over Oregon in an airplane and it is expected that he will arrive some time Thursday from Portland in this way.

Mr. Joseph will discuss a number of issues of interest to farmers and also will discuss a government, state or municipal development of water power resources without cost to tax payers providing cheap power in abundance for industrial enterprises and domestic use in our cities and throughout the rural communities.

Leaves for Montana. The Hermiston Transfer has been busy the last two days loading a car of bees for shipment to Montana. The bees are owned by Lawrence Buhman, who with Mrs. Buhman, will move to Charlo, Montana, where they will make their home.

Always Plenty of Moths By Albert T. Reid
