JUST A FEW EXAMPLES

Of what the Oregon Press thinks of

Harry L. Corbett

Republican Candidate for Governor

"Should Oregon entrust its governorship to him (Corbett) it will be in mighty good hands."—Sheridan Sun.

"He (Corbett) says that the state will be advanced more by hard work than oratory."—Grass Valley Journal.

"The fact that Harry L. Corbett was the only senator in the 1927 legislature who refused to accept the extra pay which the legislators voted themselves should not work to his disadvantage in his campaign to procure the republican gubernatorial nomination."—Ashland Tidings.

"Searching through all of the utterances made by candidates we find in the Corbett platform a gem to consider."—Klamath Falls Herald.

"With Mr. Corbett Governor there should be no pyramiding of bond issues, but there would be ways and means devised for legitimate, safe development."—Malheur Enterprise.

"The sanest platform that has been issued by any candidate in this generation is the one put forward by Harry L. Corbett, republican candidate for Governor. If there is any 'bushwah' in it we have not been able to locate it and that is a most unusual thing for a candidate."—Corvallis Gazette Times.
