**Let the B-H Color Harmony Selector help you create harmonious exteriors**

Imagine this small house painted a deep cream, its trim Carmel blue, its roof tile red and an accent of color in purple awnings or flower boxes. Different? Decidedly—but definitely harmonious!

This combination is one of many on the B-H Exterior Color Harmony Selector. Its form is a colorful disc over which revolves a slotted mask thru which appear tested color combinations. But don't wait to be ready to paint. Let us show you this practical device now—also its companion chart for color selection.
