SUBSCRIPTION, \$2.00 PER YEAR

UMATILLA PROJECT FAIR BOARD MEET

18TH ANNUAL FAIR TO BE HELD
OCTOBER 3-4.

Division Superintendents Appointed;
This Fair Predicted Biggest and
Most Successful Yet Given.

The first meeting of the newly elected directors of the Umatilla Project Fair board consisting of W. E. Logan, John Jendrzewski, Logan Todd, L. C. Dyer and C. M. Jackson, was held Monday, May 26, at the office of the assistant county agent where tentative plans were formulated for the 18th annual fair which will be held October 3 and 4.

Curtis Dyer was again unanimously elected to serve as president and J. M. Biggs will again serve as secretary-treasurer.

With the various inquiries received from breeders of registered dairy cattle throughout the state of Washington and Oregon, it is indicated that this year's fair will prove one of the biggest and most successful that has ever been held in this community.

With the increased interest in 4-H club work, which will include the 4-H clubs from north Morrow county as well as sheep clubs from Heppner, this division of the Umatilla Project Fair is proving its worth along this line and the prizes to be offered in each division will be substantially enlarged over those of previous years.

There will be displays of registered Guernsey, Holstein and Jersey and all breeders indicate their willingness to display their stock as this fair will again be an abortion free show. The farm products display awards will be substantially increased whereby growers can well afford to spend their time in competing for these prizes.

The following superintendents of the various divisions were appointed and the manner in which these appointments were accepted indicates that the eighteenth annual fair will be the most successful in the history of this community.

Following are the appointments of the various divisions:

Poultry—W. E. Logan, superintendent, assisted by Guy Cronk in charge of turkeys and Frank Gutwits in charge of chickens.

Dairy—John Jendrzewski, superintendent, assisted by Charles Lynch.

Sheep—Albert Kennings.

Ground—C. L. Jackson.

Farm Exhibits—Baxter Hutchison.

Women's Division—Mrs. C. M. Best.

Sports—Logan C. Todd.

There will be plenty of entertainment both days of the fair which will consist of sports for the kids, smokers, merry-go-round, various amusements, airplanes and the possibility of a fire works display.

HOSPITAL TO CHANGE HANDS ABOUT JUNE 1

The Hermiston Medical hospital formerly conducted by the Misses Bertha and Marie Hanks is being taken over by Dr. A. W. Christopherson about the first of June. Mrs. Bartel of Portland will be in charge under the new arrangement and Mrs. D. L. McKinney, who is a graduate nurse from the Good Samaritan hospital in Portland, will be in the office and nurse at the hospital. Under the new plan the hospital will be open for 24 hour service. The Misses Hanks will return to Portland.

To Leave for Cheney.
Miss Ina Gilbert, teacher in the Umatilla schools, will leave for Cheney, Washington, Saturday, where she will attend summer school at Cheney Normal.

County School Superintendent Here.
J. A. Yeager, county school superintendent, was in Hermiston Friday.

REGATTA RACES TO BE OVER ONE MILE COURSE

Prizes Total \$1000; Divided Into 6
Classes; Sponsored by Amer-
ican Legion.

According to L. A. Smith, chairman of the Second Annual American Legion Regatta, many inquiries have been received as to the length of the race course to be used in connection with this year's events. In order to set the minds of all outdoor race fans at rest, Mr. Smith has issued the following statement: "The race course to be used this year at McKay Lake will be a one mile oval, directly in front of the dam. The racers will at no time be more than three hundred yards from the face of the dam and will be in view without the aid of glasses."

Prize money totaling \$1,000, as well as four cups, one offered by Gray & Wright and the three others by the First National bank of Pendleton, will go to winners in the American Legion Regatta here June 21 and 22, says Rulon Smith, president of the regatta. There is to be 6 different classes which will be divided into 2 heats run each day.

UNION PACIFIC TO ADD OPEN TOP OBSERVATION CAR

Open top observation cars will be carried on the Union Pacific's crack trains, the Portland Limited and the Continental Limited, between Portland and The Dalles, Oregon, beginning June 7 from Portland and June 8 from The Dalles.

Visitors to the Rose festival and other June tourists have always shown a liking for the open cars because they afford an unobstructed view of Multnomah Falls, Crown Point and other Columbia Gorge scenery. The cars have leather upholstered seats for 32 passengers and improved windshields for each seat. Free use of the open top cars is extended to all Pullman car passengers.

The open top cars will be continued throughout the summer.

MERLIN EARNHEART PRE- SENTED WATCH BY CLUB

Adjudged Best All-around Student
by Vote of High School
Faculty.

Merlin Earnheart, prominent member of the senior class of the local high school, was presented with the handsome watch offered by the Hermiston Commercial association to the best all-around student in the class. The presentation speech was made by Superintendent Shaw at the commencement exercises held in the high school auditorium Thursday evening.

Each year a watch is awarded by the association to the student adjudged by the high school faculty as the most deserving. Selection is made on a basis of scholarship achievement, school citizenship and general accomplishment in activities over the year before.

DIAMOND LAKE TO BE OPEN TO FISHERMEN JUNE FIRST

The road to Diamond Lake in Central Oregon is open and free of snow, according to Matt Ryckman, superintendent of hatcheries for the state game commission who has returned from a tour which took him to all of the hatcheries and egg taking stations in that section of the state east of the Cascades. Diamond lake, a favorite resort for hundreds of resident and non-resident anglers will be open for fishing June 1. While on his tour Mr. Ryckman paid close attention to the work going on in the hatcheries and states that the crews under his direction are obtaining all the eggs the hatcheries are in a position to handle.

several years and covering more than 75,000 miles in its duties of planting fry the old "Fish Pullman" of the hatchery department of the state game commission is being turned in and replaced by a new truck which will be known as "Fish Pullman II." The new truck, like its predecessor, will be capable of carrying 15,000 six inch trout under ordinary conditions and when equipped with oxygen tanks will accommodate double that number.

The annual fisherman's excursion over the S. P. & S. and Oregon Trunk railroads, from Portland to South Junction on the Deschutes river lured more than one hundred anglers last Saturday and Sunday. Weather conditions in Central Oregon were good and the river sufficiently clear to provide good catches for most of those who visited the famous fishin stream.

CULLING EXHIBITS TO BE CONDUCTED SOON

H. E. COSBY, EXTENSION POU-
TRYMAN, TO BE IN CHARGE

Umatilla Project Farm Bureau to
Hold Meeting Wednesday Eve-
ning, June 4

Arrangements have been concluded through the assistant county agent's office to have H. E. Cosby, extension poultryman from Oregon State college, conduct culling demonstrations on local flocks on June 4 and 5.

It is planned to cull the flocks of H. J. Ott and Hugh Taylor during June and again in August and then to carry the flock through the winter without further culling, thus emphasizing the importance of early culling, and the possible harm to production of too much late culling.

Mr. Cosby will be present at the meeting of the Farm Bureau Wednesday evening, June 4, to discuss problems of feed and management with the local poultrymen, and will answer any questions of general interest that individual members care to bring up.

It is also planned to have Mr. Cosby meet with the Farm Bureau Cooperative to offer some advice on the most satisfactory feeds for poultry. The Farm Bureau Cooperative

GOLF TOURNEY WITH ARLINGTON HELD SUNDAY

Arlington Defeats Hermiston Players
in Easily Won Game With a
Score of 32 to 14.

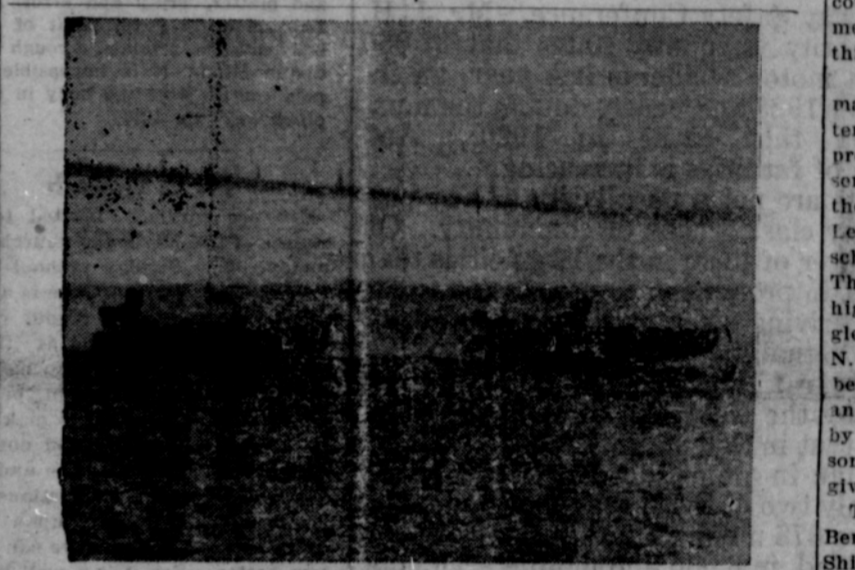

Nine players from the Hermiston Golf club took part in a tournament at Arlington Sunday, with Arlington easily winning the honors. The results of the game are as follows:

Hermiston—	(Holes Up)
Norton	0
Felthouse	0
Clarke	0
Aarhus	0
Matott	0
Biggs	1
McNaught	2
Todd	2
Paul	6
Total	14

The commencement address was delivered by C. A. Howard, state superintendent of schools, from Salem, Oregon. He discussed at length the fact that one does not necessarily need to make honors for themselves in high school to be a success in college or business life. He took his own graduating class as an example and showed that several of it who had graduated with honors had made a failure in later life and that some who took a back place in high school came out to the front in college and business careers. He did not mean that just because one did graduate with honors that it meant they would fall but pointed out that everyone should make a success of life and encouraged the lowest and the highest member of the class to make something of himself.

Presentation of the diplomas was made by Frank E. Shaw, superintendent of schools, at the close of the program. Morris Pierson was presented with the silver cup for being the most outstanding student and Leonard Natton was awarded the scholarship to Pacific University. The processionals were played by the high school orchestra and the girls' glee club sang two songs. Mrs. J. N. Norton and Miss Kern played a beautiful duet and the salutatory and valedictory addresses were given by Morris Pierson and Shirlee Brownson, respectively. Invocation was given by Rev. Oscar Payne.

The graduates were Robert C. Bennett, Roy Bills, Russell Blessing, Shirlee Brownson, Dorothy Buell, Merlin Earnheart, Willard Felthouse, Marian Henderson, Albert Kennings, Leonard Natton, Harold Pace, Morris Pierson, Elsie Reeder and Jane Warner.

Thrills and spills a plenty at American Legion Regatta, McKay Lake, June 21 and 22.

BUSINESS MEN FROM 20 OREGON CITIES TO ATTEND SCHOOLS

With business methods for merchants changing as rapidly as women's styles, commercial leaders of 20 Oregon cities have again scheduled summer institutes this year as a means of keeping in touch with the most modern developments in their field.

These institutes have been developed as a cooperative project between the Oregon retail merchants association, the school of commerce at Oregon State college, and the college extension service. They have proved so popular that the schedule has grown to five times the proportion of the first year when only six were held.

A staff of three men will hold the institutes at each place, two day being spent in each city. Local committees arrange for the meetings and invite in business men from surrounding towns in the various counties.

H. T. Vance, in charge of courses in merchandising at O. S. C. will give lectures and demonstrations in advertising and salesmanship. E. E. Rosworth, head of courses in accounting, will handle phases of business management, and O. F. Tate, secretary of the Retail Merchants association, will deal with the store arrangement.

The schedule will begin at Albany, June 30 and July 1, and includes Cottage Grove, Roseburg, Grants Pass, Medford, Ashland, Klamath Falls, Lakeview, Burns, Ontario, Baker, La Grande, Enterprise, Pendleton, Heppner, Arlington, The Dalles, Redmond, Bend, Toledo, Tillamook, McMinville, Hillsboro, Oregon City, Newberg, Salem, Independence, Hood River and Corvallis.

Home for Summer.
Mrs. E. L. Cherry, who has been teaching near Athena the past year returned home several days ago to spend the summer with her family. The Cherry family is moving to Condon later in the summer where Mr. Cherry will be superintendent of schools in that city the coming year.

FIFTEEN SENIORS RE- CEIVE DIPLOMAS

C. A. HOWARD, STATE SCHOOL
SUPT. GIVES ADDRESS

Talks on Honors at Graduation Not
Necessary for Success in Col-
lege or Business Life.

As evidence of the successful completion of your years preparatory work, diplomas were awarded to the 15 members of the senior class of the Hermiston high school at the annual commencement exercises in the auditorium last Thursday evening.

The commencement address was delivered by C. A. Howard, state superintendent of schools, from Salem, Oregon. He discussed at length the fact that one does not necessarily need to make honors for themselves in high school to be a success in college or business life. He took his own graduating class as an example and showed that several of it who had graduated with honors had made a failure in later life and that some who took a back place in high school came out to the front in college and business careers. POPPY SALE MOUNTS LARGER EACH YEAR

FLOWERS MADE BY DISABLED
VETERANS

Is Annual Event Sponsored by Aux-
iliary During Week Before
Memorial Day.

Little red poppies made by invalid soldiers in the veterans' hospital throughout the country are on sale at all business houses in Hermiston this week starting last Saturday and continuing through Memorial Day, according to the local American Legion Auxiliary members.

The poppies are sold for ten cents apiece with one cent going to the soldier who made the flower and the remaining nine cents to his family if he has one, or for general care of the disabled veterans.

Mrs. Lyle Tilden is the local chairman for the poppy sale.

Make's Improvements.
The Hermiston Auto Wrecking House on the corner of Hallyburton avenue and Second street is being enclosed with a 6 foot high board fence which will be painted. This will add greatly to the appearance of the business and also to the beautification of the city.
