Yourself Trouble and Expense by buying only the Genuine I. H. C. Repairs

FOR I. H. C. MACHINES

All genuine International Harvester Repairs are stamped IHC and are guaranteed against all defects in material and workmanship. All other so-called "Will Fit" or Foreign made repairs are not genuine, are not stamped IHC, and are often made of poor material and do not fit. "Will Fit" and Foreign Made repairs are not guaranteed and the original cost is but very little less than the cost of the genuine IHC repairs. In the end you lose time and money in buying substitutes.

EDITORIAL

They have named the new planet Pluto; we suppose it is inhabited by plutocrats.

R. A. Brownson, Ed. Mgr. Editor.

This is the merry month of May, but next month is the merry month of June.

Where do you sleep? We know this is rather a personal question, but with hot weather coming on don't you think it would be much nicer to have a cool, screened-in sleeping porch to spend the nights in than a hot stuffy room?

Once again we would like to help you plan a lattice fence, lawn furniture, or window boxes for the beautification of your home.

"Swat the fly" or better still, put up Tum-A-Lum screens and keep them outside away from the family.

Levi Reeder is doing a lot of improving on his place on Hermiston avenue.

"Do you want gas?" asked Doc Prime as he puts Jim Pearson in the chair. "Yes, about five gallons," replied Jim, "and take a look at the oil."

Henry Loudermilk is dressing his home with a new coat of paint.

Henry Hitt says to never loan a gun to a person who leads an aimless existence.
