EDITORIAL

Apples and other fruits are known in history from the time of Adam and Eve, but grape fruit always stays in the public eye.

R. A. Brownson, Yd. Mgr. Editor.

The girl who just adores dark men would sure enjoy herself in Africa.

And now the picture "Ingagi" has been declared a fake. It is almost as bad as finding out there wasn't a Santa Claus.

We are delivering lumber to Nick Steiner for a chicken house 20x50 feet.

One prominent authority says that diversified farming will be the means of helping the farmer to get back on his feet. In other words the farmer can help himself by raising

chickens, hogs, vegetables and fruits, and keeping a few cows. We have plans and materials for every and anything.

Real estate dealers say that a good, dry, light cellar adds from \$500 to \$1000 to the value of a dwelling. Remodeling is the way to increase comfort, beauty and value.

Lady: "Why do you want the recipe for my biscuit?"
Tramp: "To settle a bet lady. My pard says you use three cups of sawdust to one of concrete, and I say you only use two."

After our paint is on your home you can forget it. Because it wears and wears and wears.

Charles Jenkins has purchased the Shotwell property and is remodeling it before moving there.
