**CHRISTIAN SCIENCE CHURCHES**  
 "Sacrament" was the subject of the Lesson - Sermon in all Churches of Christ, Scientist, on Sunday, July 13.  
 The Golden Text was, "Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst" (John 6:35).  
 Among the citations which comprised the Lesson-Sermon was the following from the Bible: "When the morning was now come, Jesus stood on the shore... As soon then as they were come to land, they saw a fire of coals there, and fish laid thereon, and bread... Jesus saith unto them, Come and dine" (John 21:4,9,12).  
 The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "This spiritual meeting with our Lord in the dawn of a new light is the morning meal which Christian Scientists commemorate... They celebrate their Lord's victory over death, his probation in the flesh after death, its exemplification of human probation, and his spiritual and final ascension above matter, or the flesh, when he rose out of material earth" (p. 35).
