Sunday are as follows: Morning, "The Releasing of Lazarus." Evening, "The Independent Thinker." Services conducted by Milton W. Bower.

CHRISTIAN SCIENCE CHURCHES "Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 20.

The Golden Text was "Understanding is a wellspring of life unto him that hath it" (Prov. 13:23). Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent" (John 17:3). The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "The way through which immortality and life are learned is not ecclesiastical but Christian, not human but divine, not physical but metaphysical, not material but scientifically spiritual" (p. 98). "As adherents of Truth, we take the inspired Word of the Bible as our sufficient guide to eternal Life" (p. 497).
