CHRISTIAN SCIENCE CHURCHES

"Truth" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 27.

The Golden Text was, "I will praise thee, O Lord, among the people; and I will sing praises unto thee among the nations. For thy mercy is great above the heavens; and thy truth reacheth unto the clouds" (Ps. 108:3,4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Then said Jesus to those Jews which believed on him, if ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free" (John 8:31,32).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To reduce inflammation, dissolve a tumor, or cure organic disease, I have found divine Truth more potent than all lower remedies. And why not, since Mind, God, is the source and condition of all existence" (p. 189).
