the greatest improvement in scholarship during the past two years. (Marlin Earnheart won the watch last spring and Morris Pierson received the cup.

**Personals**

With the close of school next Tuesday for the Christmas recess, the several instructors will scatter to their various homes in or out of Hermiston for the holiday season. Miss Gehrert will spend holidays with her sister who teaches in Hood River; Miss Petri, Miss Wilken, Miss O'Keefe and Miss Voyer will visit in Portland; Miss Werry will return to her home in Bellevue, Idaho; Miss Cranna will visit with friends in Lewiston, Idaho; Miss Elliott will go to her home in Knappa, Oregon; Miss Holm, Miss Brierley and Mr. Cochran will remain in Hermiston; Mr. Harger will drive to Homedale, Idaho, his home; Miss Thoney will visit her sister at Milton; Miss Beougher will visit friends in Bend; Miss Dally will spend her time at her home in Palouse, Washington.

Mr. Shaw will be in Hermiston until December 28, when he will go to Portland to the Oregon State Teachers' meeting as a delegate from the Umatilla County Teachers' association to serve as a member of the representative council of the state organization.

**Helix vs. Hermiston**

Friday evening both boys' and girls' teams will journey to Helix to measure abilities with the basketball teams of Griswold high union high school. Coach King of Helix can always be depended upon having a sharp-shooting combination that is hard to beat, hence the Hermiston

tossers will be fortunate indeed to win both of these games.

**Christmas**

Elementary school rooms are taking on a real Christmas appearance with decorated trees, wrapped presents and preparations for the usual Christmas programs. The several grades have been granted the use of the time from the last recess until dismissal for their holiday exercises. The Christmas vacation will start, as previously announced, at 4 P. M., Tuesday, December 23, and end at 9 A. M., Monday, January 5, 1931.

**Charity Toys**

The local schools have been asked to collect used toys to be later distributed to children whose parents or other relatives are not able to provide them with Christmas gifts. Miss Ann V. Werry, fifth grade teacher, has been named general chairman of this effort, and all Hermiston people who have toys no longer used are urged to send them in or phone the school office, 15-J, and a pupil will call for the toy.

**School Play**

Tryouts for the student body play "The Haunted House" were held recently in the home economics cottage. There were a large number of students trying for places; Miss Elliott had to use keen judgment to choose the most fitted characters. "The Haunted House" will be given January 23, at the Oasis theatre by the student body association and all funds will be used in furthering student activities.

**Elementary Grade Personals**

Dorothy Pierson entered the first grade Monday, December 8. Ruth Pierson from Appleton, Washington, has entered the third grade.

The sixth grade is making a product map of the New England states. This grade is organizing a dependable club. Those who keep all their studies up and are on the honor roll are eligible. The eligible pupils then

have their names entered on a large poster. The fifth grade pupils are making surprise presents for their mothers.
