SUNDAY SCHOOL LESSON International Sunday School Lesson for January 25

JESUS TEMPTED Luke 4:1-13

Rev. Samuel D. Price, D. D. While John was baptized, Jesus came into that wilderness from Nazareth, ready to enter upon His own public ministry.

When John the Baptist saw Him approaching he said in true prophecy: "Behold, the Lamb of God that taketh away the sin of the World."

Jesus drew near and asked to be baptized but John, knowing Him as the sinless one at first refused. But Jesus insisted and thus took our law place.

In the act of baptism there was a manifestation of the Trinity of God. Jesus Christ stood in the Jordan, the Holy Spirit in the form of a dove descended upon Him, and the voice of the Father said "This is my beloved Son."

More than one thing can be accomplished by the same act. Forthwith from the baptism Jesus was

tempted by the devil for forty days in the wilderness of the Jordan valley.

During these forty days Jesus was subjected to every type of temptation that comes to mankind in all the varying changes of life.

Meanwhile Jesus ate nothing as He was so absorbed in His fight for righteousness. Then Satan left Him for a reason that He might realize His personal physical condition.

In that hour of extreme physical weakness and spiritual reaction after the strain of the forty days, the three major temptations are presented. In these the divinity of Jesus is acknowledged but effort is made to get the exercise of those powers under satanic sway.

Jesus would not make bread to stop his own hunger, cast Himself down from the Temple that the people might applaud, or accept an immediate control of men at the cost of worshipping Satan. Rather the arch enemy of man was unmasked as Jesus commanded "Get thee behind me, Satan."

"I'm in Partnership with 58,000 Employees and 45,000 Shareholders" There are 58,000 employees receiving just wages keeping the wheels of Swift & Company going. Many of these employees are my neighbors. They live in this town, work here, build their homes. They patronize local merchants, pay taxes like you and me. Their interests are those of this community. "I'm one of the 200,000 producers who deliver butterfat, eggs and poultry to a Swift & Company produce plant and receive cash for my products. There are more than 80 of these plants. And I'm also one of the 45,000 shareholders of this concern, who receive a return on their investment. "It makes a big family, doesn't it? But we are all proud to belong to it and to do our part. It's a mighty fine thing to have contact with an organization which can thrive on an average margin of less than 2 cents on every dollar of its total sales, and yet - everyone receives a fair return for what he does. "The 58,000 employees receive just wages; the 45,000 shareholders receive a return on their investments. The 200,000 producers get spot cash for their supplies and don't have to fear local glut or shortages, for Swift's nation-wide distribution, through 600 car routes and 400 branch houses, assures them of an ever ready market. "Next time you ask for Brookfield Butter, Brookfield Eggs or Golden West Fatted Fowl, remember that many of your own home folks take part in producing and marketing the supplies under those labels. Swift & Company Lewewick, Wash.
