## ANOTHER EXAMPLE OF FORD VALUE

**Bright, enduring RUSTLESS STEEL is used for many exposed bright metal parts of the Ford**

**WHEN YOU BUY a Ford you buy enduring beauty. The body finish is made to last for the life of the car and practically all exposed bright metal parts except the bumpers are made of enduring Rustless Steel.**

This Rustless Steel has great tensile strength. It is the same bright metal all the way through. A salt test equivalent to forty years' service under the severest weather conditions failed to have any effect on its brilliance. It never requires polishing. All you do is wipe it with a damp cloth, as you do your windshield.

This is just one of many features that show the substantial worth of the Ford. In speed, comfort, safety, economy and long life—in the richness of its finish and upholstery—it brings you everything you want or need in a motor car at an unusually low price.

Call or phone for demonstration.

### THEATRE NOTES

American's greatest trio of child actors were all born to the stage.

Evidence of their inherited gifts will be apparent when "Tom Sawyer" the Paramount filmization of the Mark Twain classic comes to the Oasis theatre for two days beginning Friday next, with Jackie Coogan as Tom, Mitzel Green as Becky Thatcher and Junior Durkin as Huckleberry Finn.

Jackie's parents are both stage folk. His father, Jack Coogan, was one of the best soft-shoe eccentric dancers of the vodvill stage. His mother was Lillian Dolliver, who at the age of five was known as Baby Lillian in "Little Lord Fauntleroy" and was later in vodville with Rena Rogers.

Unless every motion picture reviewer in the East is wrong—and that could not possibly be—"Oh, For a Man," the Fox movietone production which comes to the Oasis theatre Sunday and Monday, gives assurance to those who will see and hear it of the best, smartest, most sophisticated screen entertainment of the current season.

**ROSEBURG**—The commercial poultry population in Douglas county increased from 90,000 to 150,000 during 1930, according to a survey made by County Agent J. C. Leedy. At the beginning of the year the Pacific Cooperative Poultry Producers' association included 170 members, owning 80,000 hens, the survey shows, and the association now has 232 members, with approximately 120,000 hens.
