RUPTURE EXPERT HERE

C. F. Redlich, Minneapolis, Minn., will demonstrate without charge his unequalled method in

at the DORION Hotel from 10 A. M. to 4 P. M. Mr. C. F. Redlich says: The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time.

The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting, sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear. Bring your children. According to statistics 95 per cent recover by our method.

NOTICE: All whom we have treated during the past ten years are invited to come in for a free inspection. Evening appointments by telephone only on the first day.

FORD RELIABILITY

Long, hard use shows the value of good materials and simplicity of design

EVERYWHERE you go you hear reports of the good performance and reliability of the Ford.

One owner writes—"The Ford Tudor Sedan I am driving has covered 59,300 miles through all kinds of weather. It is still giving perfect satisfaction."

Another owner describes a trip of 3217 miles in 95 hours over bad roads and through heavy rain and sleet in the mountains. "Throughout the entire trip," he writes, "the Ford performed excellently and no mechanical trouble of any kind was experienced. The shatter-proof glass undoubtedly saved us from serious injury when a prairie chicken struck the windshield while we were traveling at 65 miles an hour."

See the nearest dealer and have him give you a demonstration ride in the Ford. Then, from your own personal experience, you will know that it brings you everything you want or need in a motor car at an unusually low price.

LOW FORD PRICES \$430 to \$630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You may purchase a Ford car or truck for a small down payment, on convenient, economical terms through your Ford dealer.)
