Editorial
If the baby falls on his head, don't worry. The country will always need Orchestra leaders and congressional investigating committees.

R. A. Brownson, Editor.
—0—
With the approach of summer, insulation comes to the front again. It is just as important to keep the heat out in summer as it is to keep it in during the winter. Insulation will pay for itself and it is always on the job.

—0—
Get an estimate. It costs nothing and obligates you in no way.

—0—
The Juniors of the High School are to be

congratulated on the success of their prom, which was a credit to them in every way.

—0—
You can't grow rock gardens by planting pebbles.

—0—
If the birds and bees are here the bugs won't be far behind.

A garden fence and trellis painted white or green will add much to your garden. We have many attractive styles and very moderate prices.
