The Dairy Show barns are being rebuilt this week.

A smile costs nothing. Start the day with a smile and it will end the same way. A house that is well painted seems to smile and spread cheer throughout the whole neighborhood. Why not

make your home the cheerful one. It is easy, inexpensive, and worth while.

"This is going to be hard," said the contractor as he smoothed down the concrete for a sidewalk.

With cement at its present low price, you can well afford to put in these concrete improvements around your home.

Among the commodities that are much lower these days are some of our highbrows.

Your refrigerator is insulated. Your home

should be. Fix Tex is ideal and it works both summer and winter.
