

Some prominent agricultural men U. of O. Library will be the speakers at the Experiment Farm dinner Saturday that you will want to hear. Get tickets now.

The Hermiston Herald

There is always hope in a man that actually and honestly works. In idleness alone is there perpetual despair.—Carlyle.

VOLUME XXV NUMBER 43

HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, JUNE 25, 1931

SUBSCRIPTION, \$2.00 PER YEAR

REPORTS GIVEN BY 4-H CLUB DELEGATES TO SUMMER SCHOOL

CANNING DEMONSTRATION PUT ON BY GIRL'S CLUB.

Many Boys and Girls Attend School Through Scholarships; Largest Attendance Ever Known.

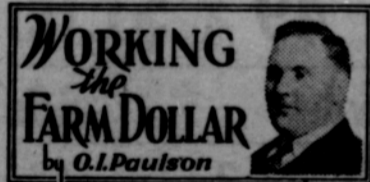

Following the sessions of the 4-H club summer school at Oregon State college, June 8 to 20, a program was given on the lawn of the reclamation building here Tuesday night, by members who had attended the sessions. A platform was built on the steps at the side of the building from which the boys and girls who had attended the summer school gave reports.

During the course of the program Lois and Jean Barnard gave reports on their experiences at the school. Catherine McMullen told of the variety of classes and lectures the girls attended which enlightened them along home economics study. Her report was interesting and was presented in a creditable way. As the last speaker Morris Pierson told of the routine followed by the 725 boys and girls enrolled, which is the largest number ever known to attend. Some of the boys and girls were given the opportunity to attend the school through scholarships, other were sent by banks, civic service groups, and by the contributions of individuals who are interested in club work.

The morning sessions at the summer school were devoted to study and lectures from which the boys and girls derived much benefit. The afternoon programs each day were centered around some special organization that is of importance in various fields, such as the Kiwanis Lions, Commercial club, and other groups. The evenings were devoted entirely to entertainment when the boys had access to the two large swimming pools in the two large gymnasiums. Competent instructors were at hand and other athletic contests were featured.

Following this part of the program the members of the local canning club gave a demonstration, put on under the direction of Mrs. W. A. Hinehine, by Grace Rodda, Catherine McMullen and Jean Barnard. Later the five jars of cherries were auctioned off by Ed Bessel. They netted the club girls \$2.50 which more than covered their expenses.

Ice cream and cake was served free by the 4-H club boys and girls. Considering the cool evening, a fair crowd turned out to the program.

Housing the poultry flock is a comparatively easy task to most of the northwestern poultrymen providing the principles of housing poultry are understood. Whether the flock is located in the coast sections or in the eastern parts of Oregon and Washington or even in Idaho and Montana, the following principles would apply in practically every case.

A—The house is an investment carried over a period of years rather than just for the first year.

B—That no house should exceed the cost of more than \$1.50 per hen.

C—That three square feet of floor space should be the least amount to allow per hen.

D—That every house should be thoroughly ventilated and yet allow no direct draft upon the hen.

E—That 12 inches of roosting space is sufficient for each hen.

F—That one nest for every ten hens be provided.

G—That too much light can never be given.

H—That an ever flowing stream of fresh water be provided.

I—A 400-hen house is recommended by most colleges.

J—It is wise to divide the 400 hens into two units of 200 each.

IRRIGON BOY TAKES MONMOUTH GIRL TO BE BRIDE

A wedding of interest to Hermiston people was solemnized in Monmouth Monday evening, June 15, at 4:00 o'clock at the Evangelical church when Miss Ruth Barnes, only daughter of Mr. and Mrs. E. K. Barnes of Monmouth, Oregon, and Mr. Walter R. Warner of Irrigon, Oregon, were united in marriage by Rev. Marcy, presiding elder of the Methodist Episcopal church, assisted by Rev. Lyle Willard of Portland. Miss Percy Miles played two violin selections and Miss Josephine Olson gave a vocal solo. The wedding march was played by Miss Helen Hughes. Mrs. Harvey Warner of Irrigon was matron of honor and Mr. Harvey Warner, brother of the groom, was best man.

The bride, attired in eggshell silk, carried a shower bouquet of roses and sweet peas. Little Miss Helen Lonsberry was veil bearer. The double ring service was used after which a quartet of fraternity brothers of the groom sang, "I love You Truly." During the reception at the bride's home the couple slipped quietly away to the beach where they have a cottage for a week.

Both of the young people are Juniors at Willamette University. Mr. Warner taught two terms in the Hermiston schools and will be remembered by many friends in this city who will wish them well.

Mr. and Mrs. Harvey Warner and Mrs. James W. Warner, of Irrigon, returned home Friday, after spending the remainder of the week at the beach and visiting relatives.

OUT-OF-TOWN GUEST COMPLIMENTED AT PARTY.

Complimenting Miss Edna Pitzer of Dallas, Oregon, who is a guest of Miss Pauline Stoop this week, Mrs. J. M. Biggs and Miss Stoop entertained with an informal party Monday night. Games were the diversion of the evening.

The guest list included the Misses Margaret Bills, Edith Clark, Elsie Reeder, Fannie Todd, Nell Reeves, Ruth Bessel, Marian Henderson, Shirley Brownson, Marian Briggs, Georgianna Briggs, Eleanor Briggs, and Mrs. Fred Barker, Mrs. A. W. Christopherson, Mrs. Geo. Story, Mrs. Walter Hamm, Mrs. Wm. Shaar, Mrs. Garnet Best, Mrs. Toole, Mrs. Cecil Warner, Mrs. Joe Norton; Miss Edith Grimm of Halfway, Miss Grace Jackson of Pendleton, and Miss Pitzer.

Lion's Caravan Passes Through.

A caravan of Lions club members from all parts of the state passed through Hermiston Tuesday afternoon on its way to La Grande for the state convention of the organization to be held there this week. The caravan was made up of delegates from valley towns and started at Portland, with other delegations from Klamath Falls, Bend and other central Oregon cities joined the auto train at Biggs.

The members of the caravan were entertained Tuesday evening by the Pendleton Lions club.

Arrested on Check Charge.

Paul Craddock was arrested on a bad check charge Monday afternoon near Patterson's Ferry by Bert Nation, sheriff's deputy of Hermiston. Craddock will be held to answer for several worthless checks he is alleged to have passed in the county last January.

Excursion Rates Announced.

Another of the Union Pacific-O-W. R. & N. excursion trip rates is announced for July 2, 3 and 4. On these dates the railroad will sell round-trip tickets at about a cent a mile, and these are good to return up to and including July 9. Tickets will not be sold to points east of Hermiston or south of Pendleton.

Announcement.

The Hermiston Co-operative Cannery wishes to announce that beginning with Wednesday, July 1st, salmon will be canned on Wednesday of each week after that date. Call at the cannery and make arrangements as to hours, amounts, etc. Monday mornings are reserved for processing string beans while Tuesday forenoons will take care of chicken and other meats. Berries and fruits should be in early Thursday and beets and carrots, Friday. So far Saturdays have been light days but that day can be used to accommodate our patrons by special arrangements.

5TH ANNUAL FARM BUREAU AND GRANGE PICNIC ON JULY 4TH

PLANS FOR CELEBRATION BEING RAPIDLY MADE.

Picnic Lunch, Parade, Program and Sports to be Main Features.

Arrangements were made at the meeting of committees from the Farm Bureau and Grange Wednesday evening and plans are being rapidly completed for the 5th annual Grange and Farm Bureau picnic to be an event of July 4th at the Stanfield camp grounds. Hermiston and Stanfield alternate in acting as host to the picnicers, the affair last year having been held out at the Columbia park, a few miles from Hermiston. The two organizations, the Grange of Stanfield and the Umatilla Farm Bureau of Hermiston, cooperate in the celebration and previous picnics have been particularly noteworthy for their unqualified success. Plans for this year's celebration give promise of another equally enjoyable time for all who take part.

At 10:00 o'clock in the morning, a junior parade has been scheduled. Boys' and girls' club work, clown stunts, patriotic events or anything else that the participants desire to feature will characterize this interesting part of the program.

A picnic dinner at noon will be one of the principal events of the day. Coffee and lemonade will be furnished to the crowd free by the two organizations sponsoring the celebration, and ice-cream and pop will be sold on the grounds. At 1:30 o'clock in the afternoon, a program of speaking and singing will be held, the principal speaker of the day not having been announced as yet. Following the program, various races and sports to be participated in by all those who desire will furnish lots of amusement and entertainment for the crowd. Suitable prizes will be offered for these events. A. E. Bessel has been appointed chairman in charge of the sports events.

Everyone in the Hermiston, Stanfield, and surrounding communities is cordially invited to attend the picnic and participate in all the activities of the day. Last year's picnic was a great success and those in charge this year are striving to make it more successful if possible.

Mr. and Mrs. Oscar Payne left the first of the week for Eugene where they will attend a conference of ministers of the Methodist church. They expect to return Monday.

MRS. W. L. HAMM AND MRS. J. M. BIGGS ENTERTAIN

Mrs. Walter Hamm and Mrs. J. M. Biggs were joint hostesses at two bridge-luncheons last Friday and Saturday in the home of Mrs. Biggs. The rooms were fragrant and colorful with numerous bowls of flowers attractively arranged. A most clever earthquake shock idea prevailed throughout the afternoon, the first received when the hostesses served the dessert as the first course, followed by the main course and then the cocktail.

At the beginning of bridge play an envelope was placed on each table to be opened after the bid had been made. This contained instructions for each player to pass her hand to the person on the left and the bidder was requested to play the original bid. After the four hands had been played the one putting high moved to the low table and the one cutting low moved to the high table. Each hand brought a new shock. Players were bid play with canvas gloves on, or the bid was made for them and they were required to play from the hand held. The final shock was felt as prizes were given to the guests whose scores averaged high and low. Mrs. F. V. Prime, and Mrs. F. B. Swayze. Prizes proved to be identical.

The guest list for Friday included: Mrs. F. V. Prime, Mrs. Garnet Best, Mrs. O. A. Hills, Miss Edith Grimm, Mrs. W. L. Morgan, Mrs. E. W. West, Mrs. A. W. Christopherson, Mrs. Joe Norton, Mrs. B. Haneline, Mrs. A. W. Brownson, Mrs. B. S. Kingsley, Mrs. H. E. Hitt, Mrs. A. H. Norton, Mrs. Wm. Shaar, Mrs. Thomas Campbell, Mrs. F. M. Guildwits, Mrs. Raymond Walker, Mrs. D. M. Deeter, Mrs. Toole, and Mrs. Sam Nye.

The guest list for Saturday included: Mrs. F. B. Swayze, Mrs. C. L. McNaught, Mrs. T. H. Fraser, Mrs. F. C. McKenzie, Mrs. W. J. Warner, Mrs. E. L. Jackson, Mrs. C. M. Jackson, Mrs. Geo. Briggs, Mrs. Ralph Richards, Mrs. Robertson, Mrs. C. M. Best, Mrs. N. Muller, Mrs. Purdy, Mrs. T. K. Johnson, Mrs. E. P. Dodd, Mrs. Geo. Story, Mrs. Gerald White, Miss Clara Briant, and Miss Pauline Stoop.

Child Injured as Car Overturns.

Gladys Pierson, daughter of Mr. and Mrs. E. F. Pierson, suffered a cracked rib and other minor injuries Wednesday morning when the Dodge sedan her mother was driving turned over on the highway near the Bebee place. Mrs. Pierson and family were going to Pendleton and in some way the car became uncontrollable in the loose gravel. In attempting to turn it back into the road quickly, it turned over and righted itself again. The radiator and right fender were damaged and the top badly torn. The other occupants of the car were badly shaken but not seriously hurt.

CELILO CANAL TRIP FIRST MADE UP COLUMBIA IN YEARS

UMATILLA TO TAKE 525 TONS OF GRAIN SACKS.

Sternwheel Umatilla to Embark at Umatilla and Wallula; Will Make Two Trips.

When the sternwheel Umatilla of the Willamette & Columbia River Towing company's fleet pulled out from the Albers terminal last night, with a full cargo of grain bags for upper Columbia river points, she was slated for the distinction of being the first boat to go through the Celilo canal with a load for several years.

The wheat sacks were transferred to the Umatilla at the Albers dock directly from the hold of the steamer Phyllis of the Chamberlin Steamship company's coastwise fleet, which brought them from San Francisco in accordance with the plans of the Farmer's National Grain corporation. More sacks of the same shipment will be unloaded by the steamer Cascade. There are 525 tons, or about 1,400, 625 sacks in the shipment.

The Umatilla will make two trips with full cargoes of sacks and on its third trip it is expected to round out its load with general cargo. Captain William E. Jones of the towing company said. The Umatilla will continue to operate between Portland and the upper Columbia as long as it gets cargo. The first load of sacks will be delivered to Umatilla and the second at Wallula. From these points they will be distributed by truck to Arlington, Walla Walla, Lewiston and other wheat producing sections for the new-crop harvesting.

Captain Wilhelm Hecker is master of the steamer Phyllis. E. F. Brady, general agent for the Chamberlin Steamship company in Portland, and Dr. Clark Black, president of the Columbia Valley association, watched the transfer of the sacks from the hold of the Phyllis to the Umatilla yesterday.

Umatilla Man Injured in Wreck.

Tom O'Connell suffered a broken leg just below the hip Monday when the car he was driving went over the bank between Reith and Echo. Mr. O'Connell and his family were enroute to Pendleton in the Dodge sedan. The pavement was slick from recent rains and as the brakes were applied suddenly the car skidded and went over the bank. Mr. O'Connell is recovering in a Pendleton hospital.

Things Are Picking Up—

By Ted Brown

CHURCH PROGRAM TO CHANGE STARTING JULY 5TH

Beginning July 5th the Bible school hour for the Baptist-Christian church will be changed and will start at 10:30 instead of 10:00 o'clock as formerly. The devotional service will begin at 10:30, followed by the sermon at 10:55. Bible study classes will follow the 25 minute period for the sermon and as the plan stands now, pupils will be dismissed from their classrooms. The communion service will be apart from the regular services and those desiring to partake of these emblems will find them available from 10:20 to 10:30 in a side room with the regular devotion.

The desire of the committee in charge of arrangements is to make a new and better church service and encourage the young people and children to feel that the church is a part of their service as well as the Bible school. The Pendleton Christian church has adopted this plan and find it very satisfactory.

FARM BUREAU AUXILIARY HAS RECORD ATTENDANCE

A record in attendance was made at the Farm Bureau Auxiliary meeting last Friday with 43 members present. The meeting was called to order by the president, Mrs. J. H. Reid, and members answered to roll call. The minutes of the meetings for May 15th and June 5th were read, followed by a report from the committee on the Fourth of July program. A motion was made and carried to postpone the meeting for July 3rd until the following week. Another motion was made and carried that a record be kept of all attendance at further meetings.

Mrs. Lyle Tilden was appointed to head a committee that will collect the dues and see that they are kept up-to-date. One of the highlights of the meeting was a report of the grange convention at Medford given by Mrs. A. E. McFarland of Umatilla, which was very interesting and instructive. Other features on the program were: A reading by Helen Dunning; also by Bevil Clark and Mrs. Clark, and a violin solo by Edna Ott.

The social hour was under the direction of Mrs. Chas. Thomas, and Mrs. Kick directed the games. Two committees were appointed for the next meeting Friday, July 10, one for recreation, Mrs. C. Upham, Mrs. Manner, and Mrs. Christley, and the committee on home decoration consists of Mrs. E. Tilden, Mrs. Hurst, and Mrs. Henry Sommerer.

Following the social hour delicious refreshments of ice cream and cake were served.

CORVALLIS PREPARES FOR LEGION CONVENTION, AUG. 6, 7, 8

CORVALLIS, June 24. (Special)—Spanning Third street, the highway street here, the local post of the American Legion has erected and decorated a huge arch labeling Corvallis as the host city for the state convention and giving the dates, August 6, 7, and 8. The arch is of semi-permanent construction and was built entirely by members of the Corvallis post.

Supporting the arch on either side, towers rise 24 feet in height. They are decorated with a copy of the snappy major in colors which is also being used on window cards sent over the state and which will be used on newspaper advertisements next month. The big painted figure stands 16 feet in height. Anyone taking the west side Pacific highway through Corvallis will pass under the big sign, located at the corner of Third and Jefferson streets.

Notice to Water Users.

Irrigation water will be turned in the ditch for Hermiston residents Thursday and Friday of next week instead of Friday and Saturday as usual. This regulation is made for the week of the Fourth of July but will be under the same rule the following week. Water will be available Thursday and Friday, July 2 and 3.

4-H Cooking Club Meets.

The 4-H Cooking club met last Thursday, June 18, with Miss Edna Turnblad. Their leader, Catherine McMullen, and six members were present. After a short business meeting lemonade was served and the remainder of the afternoon spent swimming.

EXPERIMENT FARM DINNER TO BE HELD SATURDAY JUNE 27

LARGE NUMBER OF FARMERS EXPECTED TO ATTEND.

To Celebrate the Appropriation Given; Prominent Speakers To be Present.

In order to celebrate the appropriation made by Congress to this locality for the new Experiment Farm, a dinner is to be held Saturday, June 27th, in the basement of the Methodist church at 7 P. M. This is primarily an agricultural meeting and it is the hope of the committee in charge that many of the farmers in this district and surrounding districts will take this splendid opportunity to attend.

E. P. Dodd will act as toastmaster at the banquet and out-of-town speakers are as follows: William A. Schoenfeld, Regional Representative of the Federal Farm Board with headquarters in Portland; Senator Fowler of Portland; Congressman Robert R. Butler of The Dalles, representative of the second district which includes all of eastern Oregon; James T. Jardine, Director of Oregon Agriculture Experiment Stations; Fred H. Cockell, President of the Oregon Chicken Association of Milwaukie, Oregon; P. M. Brandt, Professor of Dairy Husbandry of Oregon State college; and J. R. Raley of Pendleton, President of the Oregon State Bar Association.

As planned, the new station will occupy 180 acres of land about a mile south of the city and situated just above the A line canal and south of what is known as the old David Sorrell ranch. Besides benefiting this locality, it will also be an experiment station for the whole north-west.

The Fredrickson sisters of Stanfield will furnish the music for the evening while the Methodist Ladies Aid will furnish and serve the dinner.

All local people are urged to get their tickets immediately because the tickets are limited.

School Election Returns.

The result of the Hermiston Union High School election last Monday gives 256 votes to W. J. Warner, and 56 votes to Ed Bessel as clerk. Voters authorized the board to purchase the building near the Auditorium by voting 201, yes, and 61, no.

Raise Fine Vegetables.

Mrs. M. Rowell, who lives on the J. S. Burnham farm near Stanfield, brought in some fine specimens in garden truck last week in the form of cabbage and onions. The heads were solid and perfect shape and the onions were large, considering that they had grown from seed. Mrs. Rowell states that other vegetables are equally fine.

ALONG THE CONCRETE

Our night marshal, Bert Nation, wished he had never heard the song, "Just Like a Gypsy" last Friday afternoon when he was aroused from his slumbers to hot foot about 30 of those "inner pockets" out of town. Help! Help! Sounds coming from Dr. A. W. Christopherson's office. Not from a patient. The Doctor himself was in distress. Were you ever locked in a small room, hopelessly trying to summon aid? You can imagine the doctor's chagrin, if so, when he found himself in this predicament. Anyway, his dutiful office girl, Nell Reeves, together with the aid of Dr. Morgan and H. A. Pankow, released him from his confines by wrecking the door casing.

We overheard Mrs. Henry Hooker and Mrs. Tom Wilson discussing the possibilities of buying a pair of lounging pajamas last week. Mr. Propst is a pretty good salesman. We wonder!

Our Hermiston Drug store pharmacist, Jim Clayton, sitting in the seclusion of his car writing that daily letter. In the spring, all young men's fancies turn to thoughts of love—but in June—to thoughts of brides.

Mrs. Jackson Harr treating her family of four little Stokes to candy. Marie Stephenson redecorating the windows in the Hunter's Cafe.
