UNUSUAL ARRAY OF DISPLAYS SEEN AT FAIR

BOARD MEMBERS MAKE FINAL PLANS FOR PROJECT FAIR

FINEST ARRAY OF DISPLAYS IN YEARS ANTICIPATED.

Arrangements for Carnival Amusements Made, With Three Rides and Concessions.

The Umatilla Project Fair board held its last meeting before the fair Tuesday night in the office of Assistant County Agent Best. At this time final details were thrashed out and plans made to push to completion all display arrangements as early as possible.

The Hildebrandt United Shows will furnish the rides and amusements during the fair and have a merry-go-round, ferris wheel, and whip besides several side shows and concessions. The American Legion Auxiliary will have the only food booth on the grounds. A pony show will furnish amusement and rides for the kiddies.

Elaborate arrangements are being made for exhibits and a fine showing will be seen in poultry, turkeys, farm produce, 4-H club work, dairy cattle, flowers, women's department, and many other departments. Farm produce displays that will be centered around the "central idea" of the farm will be put on by Mrs. Edward Kopacz, Henry Ott, Mrs. Fred Ricks, Irrigon, Jens Skovbo, and Harold Dean. These will include displays of poultry, honey, dairy, and from the experiment farm.

Another interesting display will be arranged by the ten cooperative organizations in the community who will use as their slogan, "Some Look for relief through legislation. We look for relief through cooperation." An outline of the accomplishments of each cooperative will be printed in large letters on cardboard and placed in one booth under this slogan in order that new residents of the project as well as outsiders may know what is being done along this line.

The board voted to create a special class in the turkeys for a cockerel, for which premiums of \$2, \$1, and a ribbon will be awarded for first, second, and third.

Tickets for adults this year will be fifty cents for both days, and fifty cents for high school students for Saturday. Children over ten years will be charged 25 cents Saturday but will be admitted to the grounds free Friday.

The big attraction for Saturday will be the football game in the afternoon when Hermiston high school will meet Pendleton high school. The Pendleton team will be supported by their local band and will also vie for honors against the Irrigon band which will be present. The teams and bands will probably parade just before the two eleven's clash.

Losers in Horseshoe Contest.

Last Monday night the local I. O. O. F. Lodge was host to members of the Pendleton fraternal order and after the regular business session took a fall from former records in a horseshoe contest. Members of the local team lost seven games out of twelve, giving the Pendleton team a total of four points. Members of the local team were as follows: Virgil Smith, Curtis Simons, Geo. Sale, Walter Meade, Geo. Harkonrider, Otto Pierce, and M. L. Watson. F. L. Bowman, former Hermiston resident, was included in the 16 guests.

Mrs. G. E. Greathouse motored to Pilot Rock Wednesday after her daughter Edna, who will attend the teacher's institute in Pendleton.

Miss Mary Swart spent the week end at her home in Kohlotis, Wn. Mr. and Mrs. C. M. Jump were Sunday guests at the Jas. Lane home in Parkdale.

The Polyannas were delightfully entertained Wednesday when Mrs. S. R. Cooper acted as hostess.

During the business meeting the following officers were elected: President, Mrs. W. G. Wallace; Vice president, Mrs. J. M. Richards; Secretary-treasurer, Mrs. M. C. Barager.

After the social hour an informal luncheon was served. Mrs. J. F. Gillson was a guest of the afternoon.

Because of the Legion dance in Hermiston there will be no dance given in Stanfield this week end.

A thoroughly enjoyable affair of the week was the reception for the local school faculty sponsored by the Ladies Aid. The church parlors were prettily arranged and profusely decorated with autumn flowers.

A short program was given with Mrs. F. A. Baker presiding. R. G. Penney welcomed the teachers for the board of directors; Mrs. J. M. Richards spoke for the parents and Rev. J. F. Gibson for the church. Response to these greetings was given by Superintendent Kelly, Mrs. Edgar Hoosier pleased with a solo.

Mrs. W. T. Reeves presided during the social hour which followed the program. Mrs. H. L. Hedrick, Mrs. S. R. Cooper and Mrs. C. M. Jump assisted about the rooms during the serving of refreshments.

Eighteen juniors gathered at the H. L. Hedrick home Thursday evening to help Miss Anna Hedrick and Miss LaVerne Thorsen celebrate their birthdays. The main diversion of the evening was games and contests, after which a buffet luncheon was served.

C. M. Jump, J. M. Richards, and M. Refvem attended the committee meeting in Pendleton Tuesday evening. The purpose of this organization is to provide food and clothing for the needy. A store room is to be provided in each town where food may be safely stored. A plan is being worked out whereby food stuffs may be exchanged among various sections of the county.

FEEDING METHODS TESTED ON O. S. C. PULLET FLOCK.

One thousand white leghorn pullets in the laying pens at the poultry department of Oregon State college are serving to reveal the comparative value of several methods of feeding from time of hatching to full production. These pullets have already gone through the first part of the experiment, which was to show whether they could be raised just as well as on laying rations as on the more complicated and expensive chick feeds. Results of this phase of the experiment are now being compiled.

Now that 500 have been raised one way and 500 the other, these two groups have again been divided, each into four pens of 125 each. Throughout the coming winter they will all receive exactly the same treatment and will be in the same environment, except that each of the four pens in each group will be fed differently.

The two No. 1 pens will get hand fed grain in the litter with hopper fed mash. No. 2 pens will get both hopper fed grain and hopper fed mash. The third pens will be given cube feed or "pellets" in hoppers; while the fourth pens in each group will get an "all mash" ration from hoppers.

"All four of these methods are in commercial use in Oregon and the experiment station is constantly in receipt of many requests with regard to their relative merits," says A. G. Lunn, head of the poultry department. "Field tests by poultrymen have also indicated that good pullets can be raised by using regular laying rations, and if this is correct it will greatly reduce the labor and feed cost.

Every precaution was taken to see that the two batches of pullets are the same in heredity, even to the point of dividing each batch as it came from the incubator.

Two other feed studies being undertaken are aimed to determine the amount of alfalfa meal that can be substituted safely for succulent feed, and the effect of cod liver oil on the texture of egg shells.

Cannery and Laundry Incorporated.

Papers for the incorporation of the local Farm Bureau cannery and laundry have been drawn up and will be signed in the near future. Election of officers will be held soon although no definite date has been set. The incorporate name will be Hermiston Cooperative Laundry and Cannery.

HERMISTON CITY COUNCIL REDUCES BUDGET FOR YEAR

COUNCIL REPORTS \$6,220 FOR 1932 EXPENSES.

Reduction in Miscellaneous Department Sought; Hope to Hold Available Revenue to Standard.

The Hermiston city council last night reduced the operating budget for the city for 1932 to \$6,220, which they hope will be within the available revenue for the year. The council may make a further reduction by cutting down on supplies for the miscellaneous department.

Two members of the library board met with the city council and presented a matter of heating the building. The budget committee allowed \$600 as running expense fund for the library.

A special committee met with the city council to help work out the year's budget for the city's running expenses. Among those were B. S. Kingsley, Joe Norton, Joe Dyer, and Otto Pierce.

The council instructed City Attorney Warner to draw up an ordinance which would be effective enough to prohibit interference of radio reception in the city of Hermiston.

Members of the council present were H. E. Hitt, B. Haneline, J. G. Pearson, Floyd Knerr, F. C. McKenzie, and Mayor Prann.

CUTE COMEDIENNE IS CHARMING MONA RAY

Mona Ray, the screen's cutest comedienne, appears in "Pardon My Gun," Pathe's romantic comedy of the Great Open Spaces, which will be seen at the Oasis theatre on Friday. She is just four feet and seven inches tall!

Miss Ray's screen debut was made in "Uncle Tom's Cabin." As a result she landed a two-year contract that has kept her in pictures ever since.

Prior to being selected for her important roll in "Pardon My Gun," Miss Ray appeared in several Pathe comedies, including "Pick 'Em Young," "The Red Heads" and "Half Pint Polly."

INTERESTING REPORTS GIVEN AT FARM AUXILIARY MEETING.

The Woman's Auxiliary to the farm bureau met in regular session last Friday, October 2nd, in the club house in Columbia district. During the business hour articles of incorporation were read for the cannery and laundry in which it was stated that a membership fee of fifty cents would be charged. The time for election of officers for the corporation has not been announced.

A report was given by Mrs. Lyle Tilden regarding preparations for the fair booth. Mrs. N. W. Bloom reported for the committee appointed to gather supplies for the needy for this winter. It was announced that the election of officers for the ensuing year would be held at the next regular meeting.

Arrangements for the social hour were made by the executive committee. Delicious refreshments were served late in the afternoon. Mrs. Miles Barrager was appointed leader for the next meeting assisted by Mrs. Belle Smith, Mrs. Jewett and Mrs. McPherson. The topic will be on "Health."

"RESURRECTION" IS SOUL-STIRRING PICTURE

Lupe Velez has been sentenced to and hard labor for life!

Do not be alarmed. It happened in a court-room setting for the Universal picture "Resurrection," opening at the Oasis theatre next Sunday.

Lupe plays the roll of Katusha Maslova, the little Russian peasant girl, who is thrown aside by a prince. Her struggles for life and happiness lead her to a life of ill-repute and finally a charge of murder is placed against her when she innocently serves poisoned liquor to a rich merchant in a Russian inn revel.

John Boles is the Prince of the story. Boles and Miss Velez are co-starred in a production which looms on the film horizon as one of the truly big pictures of the past few years.

Editor H. S. Paper Elected.

Chester Johnson was elected as editor of the Hermiston Union high school paper, Wednesday, to serve during the entire year. Other officers will be elected at a special meeting Monday. The first publication will appear Friday, Oct. 23.

STANFIELD BOY AWARDED GOVERNOR PATTERSON TROPHY

CUP PRESENTED ON MERITS OF LEADERSHIP AND ABILITY.

Stanley Green Most Outstanding 4-H Club Boy in State; Floyd McMullen Also Wins Recognition.

Umatilla county residents have occasion to be especially proud of 4-H club boys and girls who attended and sent exhibits to the state fair at Salem this year. One of the big events for Umatilla county was the fact that the Governor Patterson Trophy awarded to the Oregon 4-H club member of the highest ability and leadership was presented to Stanley Green of Stanfield. Stanley also won third on Hampshire fat lambs, and forage crops; ninth on a Duroc Jersey fat hog; sixth on sheep showmanship; and eight on hog showmanship.

The Governor Patterson trophy is a loving cup that stands about three feet high and will be on display at the Umatilla Project Fair. The winner keeps the cup for one year and then turns it over to the winner the following year.

The Umatilla 4-H club stock judging team going to Salem this year was from the east end of the county and was composed of Patrick Cassidy, Keith Hutchison, and Wallace Buhlois from Pilot Rock. The team placed ninth out of 26 judging teams. The judging team from this end of the county will attend the Pacific International Livestock Exposition in Portland, October 24 to October 31.

Other 4-H club winnings at Salem were: Floyd McMullen, Holstein sired calf, first; Duroc Jersey Gild, second; and Duroc Jersey fat hog, fourth. Paul Marble, Plymouth Rocks, ninth; Rachel Porter of Pilot Rock placed fourth on cookies.

The Umatilla Project Fair furnishes an opportunity to 4-H club boys and girls to display their work and demonstrate different projects carried on through the year. The girls clubs on the project this year will have a special booth for demonstrations and are planning an unusual display. Mrs. W. A. Hineline has charge of the girls' clubs.

L. J. Allen, O. T. McWhorters, and Helen Cowgill will do the judging of exhibits at the project fair. They are from Oregon State college.

R. H. Thom left Tuesday for the mountains to hunt deer.

ALONG THE CONCRETE

The fourth game of the world series baseball game drew a capacity crowd in Hermiston Tuesday as the loud speaker in front of the light and power company office blazed forth, carrying the pulse of the game from Philadelphia to Oregon. Local citizens will not have to run the gauntlet much longer.

Resell Blessing says that he went deer hunting over the week end, but he wonders if he didn't misspell the "deer."

There is one thing the local business men get together on—the world series baseball games.

Eilbert Hutchison won his first love as a hunter this week and was displaying it in town today. His father only best him by two years.

R. C. Todd and Mrs. Lyle Tilden are keeping on the jump this week seeing that the cooperative organization booth arrangements keep moving. What would the fair board do without "Dad" Todd.

Logan Todd was revealing some of his boyhood pranks at fair board meeting Tuesday night and said that even though he was embarrassed financially at the time he had enough laughs over the affair in later years to make up for it. It seemed that Logan was returning home early one morning and met up with an old friend who suggested that they attend an auction sale that day. They attended. When Logan regained consciousness he was the possessor of a rooster, a saddle, and a car.

STATE GAME COMMISSION NEWS NOTES OF INTEREST.

Nearly 3,000 Chinese pheasants have been released this season by the Jackson County Game Protective Association from its outdoor pheasant farm near Medford, according to H. L. Nobilit, Secretary.

A total of 4,300 eggs were received from the state game farms and a hatch of 2,946 was secured under outdoor conditions with domestic hens. Most of these chicks were permitted to distribute naturally but 1,100 of them were transported to various parts of Jackson County. The Ashland district including Griffin Creek and Eagle Point received 634.

Holding pens for saving female pheasants until after the fall shooting are planned for next year. All of this Jackson County propagation work was done without expense to the Game Commission except the furnishing of eggs, and sportsmen of that section are expecting exceptionally good shooting this season.
