Two weeks ago Auxiliary members met at the home of Mrs. James Todd when Mrs. Logan Todd acted as assistant hostess.

### ROMANCE OF OCEAN DEPTHS COMING TO OASIS THEATRE

Jack Holt, as a great fighter and a great lover, plays a deep sea diver in "Fifty Fathoms Deep," the next picture at the Oasis theatre, Friday and Saturday. Perhaps you think fifty fathoms — or three hundred feet — isn't deep but many divers who have gone that far aren't alive to tell about it. The only record of divers who have gone this far successfully are U. S. Navy Divers. Two of them went 280 feet off Honolulu when a submarine sank and they were brought back to life only after heroic efforts of two Navy doctors.

### Most Powerful Drama in Year.

"Ladies of the Big House" sound like the title of a comedy, but the photoplay of that name that comes to the Oasis theatre for Sunday and Monday is one of the most horrifying dramas ever filmed. Sylvia Sidney, whose rise to stardom within the past few months has been phenomenal, handles the leading role in this new picture. In which she is supported by Gene Raymond, Wayne Gibson, Rockcliffe 'Yellow' and other luminaries, including Portland's own Jane Darwell.

### Modern Kitchens in Modern Homes — are equipped with electric cooking devices

THE new MONARCH Electric complies with all the essentials of up-to-date home equipment. It is both dependable in performance and attractive in appearance—thereby recommending itself to the discriminating homemaker. The MONARCH Grand, a most remarkable electric range design, furnishes adequate cooking surface and a large oven equipped with automatic time and temperature controls—it requires only a reasonable amount of floor space. The heavy insulation and general construction of the oven assures maximum heat from the fuel consumed, as well as a uniform temperature throughout the entire baking compartment. This in turn is accurately maintained by the automatic temperature control for any length of time. This model is furnished in two attractive, colored enamel finishes: Ivory-Tan and Nile-Green, as well as all White.

### Oregon Hardware & Implement Co.

Ranges are modern in design and finish — cover one hundred models from which to choose—all available in full enamel White, Nile-Green or Ivory-Tan — a beautiful finish easily cleaned.
