BULLDOGS OVERCOME IRRIGON BY ONE GOAL; DEFEAT BOARDMAN

GAME OF STALLING FEATURED BY IRRIGON QUINTET.

Town Team Takes Walloping From Boardman; Locals Play Fast Game Against Boardman.

The fighting Bulldogs came back to their winning stride again last week end by defeating Irrigon on the local floor Friday night by a one-point margin, 8-9, and again by defeating Boardman Saturday night by a 15-31 score. The last half of the Boardman game especially showed that Coach Cochran's boys knew a brand of basketball that was hard to beat when they collected 24 points to 10 points for Boardman. Friday night the Irrigon game proved to be an unsolved puzzle, and almost a disastrous one for the Bulldogs, when the lads from Irrigon resorted to stalling from the first of the game in order to break the five-man defense of the Hermiston boys. Such stalling slowed the game up until it was decidedly uninteresting for spectators. The score was tied in the last few minutes of play which brought the crowd to their feet in an uproar. By successful stalling, and then suddenly breaking loose, the Irrigon boys managed to stay ahead almost throughout the game.

At the half Irrigon led 4-3 and again in the third quarter they added another goal, making the score 6-3. However, in the last quarter Bowman scored a shot, followed by another goal and two successful fouls thrown by Martin. The Bulldogs pulled through with a victory by one lonely point, 8-9.

Locals Hold Lead.

Again Saturday night the Bulldogs were successful in defeating the Boardman quintet by a score of 15-31. Both teams featured the first half by close checking which terminated with Hermiston leading 5-7. Through the brilliant shooting of Bowman and Martin in the third quarter, the score soon reached a safe lead for Hermiston, and the splendid playing of the Bulldog's guards helped to make it a smashing victory for the locals.

The playing of the four substitutes in the last few minutes of play showed that Coach Cochran had a good reserve. Bud Prime managed to add another goal to the locals' score just before the final whistle ended the game. The score stood 15-31.

Town Team Defeated.

Immediately following the high school game Saturday night the local town team put a scare into the Boardman town team during the first few minutes of play, but were soon covered up as Steelhammer of Boardman rolled the ball into the basket from all corners of the hall. A much better game of basketball was played by the local town team Saturday than was revealed in the game last Tuesday night when they were defeated by the one-sided score of 60-17. Foul play became frequent as the game progressed. The final count was 16-39 favoring Boardman.

LOCAL BOY SCOUT TROOP OBSERVE ANNIVERSARY

The Boy Scout troop No. 56 of Hermiston observed the twenty-second anniversary of its national organization this week which extended from the seventh to the fourteenth of February. Members of the Beaver and Wolf patrols have arranged a fine display in the window at the Herald office in keeping with the anniversary observance. Members of the Beaver patrol are Earl Watson, patrol leader; Jack Pace, assistant patrol leader; Bill Jackson, treasurer; Delbert Coulter, scribe; and Bruce Follet, quarter master. Those in the Wolf patrol are George Sale, patrol leader; John Biggs, assistant patrol leader; Eugene Winters, secretary and scribe; Bert Little, quartermaster; Hugo Pankow, hike master.

A court of honor was held Tuesday night when the Bear patrol had complete charge. At this meeting Earl Watson was made a second class scout; Jim Neary earned a chemistry merit badge; and George Sale was presented with a fireman's ship merit badge.

UNION PACIFIC OFFERS HOLIDAY "CENT-A-MILE" EXCURSIONS.

F. C. Woughter, local agent of the Union Pacific, announces that his company, in conjunction with connecting lines in the Northwest, will again have one of their popular "cent-a-mile" excursions. This time over Washington's birthday, with tickets on sale February 19, 20, 21 and 22 and good returning to reach home as late as midnight March 1. These fares will apply between all points over most of the Western United States, and by leaving on the 19th one can have as much as twelve days in which to make quite an extended trip, say to Salt Lake City, San Francisco or Los Angeles, at a very small cost. Tickets will be honored in Pullman or parlor cars on payment of the usual charges for such accommodations. Children may travel at half fare and one-hundred and fifty pounds of baggage will be allowed on adult tickets.

Import Breeding Stock.

Lyle Tilden returned last week from Harrisburg, Oregon, where he purchased eight turkey toms of the Herman, Wasson and Stoneberg strain, whose flocks are known throughout the Pacific Northwest.

SCHOOL NOTES

Dick Martin's name was omitted from the semester honor roll published two weeks ago. Ernie Woughter's name was also omitted from the third six weeks honor roll.

Members of the Occupations class were addressed by Garret D. Best, assistant county agent, Wednesday, who talked to them on farming, and also by Superintendent McAtee who spoke on the teaching profession.

Aldreda Beletski has received her eighth grade diploma and is now a full-fledged high school student. She has made three credits so far this year in her high school work.

E. V. Swayze presented the upper grades of the Hermiston school with a portrait of George Washington which has been framed by T. H. Frazer, as a gift to the school.

A new fire alarm has been installed in the school building with a break latch on each floor, at a cost of \$55. At this price the school board feels they have made a big saving.

The Hermiston school will participate in three basketball games Friday night on the local floor, all of these with Umatilla. The grade school teams will play, the high school teams, and the town teams. Following the basketball games the high school students will enjoy a party which is celebrating the close of the magazine selling contest. The side under the head of "Reds" will entertain the members of the "Green."

One of the big features at school last week was a "peppy" program presented by members of the Senior class. Nine Senior boys, dressed as girls carried out the character parts in songs, some of which were, "Chill Bean," "Ramona," "Sweetheart of Sigma Chi," "Honey," and "When You and I Were Young Maggie." Boys taking these character parts were Ed Throop, Chester Johnson, Dick Hill, Eric Robertson, Bob Henderson, Howard Klages, Lawrence Swarner, Jim Neary, and Walter Pearson. As each boy pronounced into the assembly hall, Agnes Roberts, Mignon Davis, Marjorie Burnham, and Marjorie Mullins sang the song represented. Fern Linder officiated at the piano and Edna Ott made the announcements. Some of the boys wore their feminine attire the remainder of the afternoon.

SCHOOL CHILDREN UNDERGO PHYSICAL EXAMINATION.

Thursday afternoon, Dr. A. W. Christopherson and Mrs. Hinegardner, Umatilla county nurse, examined the Umatilla school children. A considerable number of children were found suffering with mild ailments. A few were noted to be feverish and affected with moderately contagious conditions; the latter were sent home with proper instructions for the parents. Records will be sent to the parents covering the other examinations.

In the morning of the same day, Dr. F. V. Prime and Dr. W. L. Morgan of Hermiston examined the same group for infected teeth.

NATION-GUYER.

Miss Mollie Guyer and Leonard Nation, both of Hermiston, were married in Hillsborough, Oregon, last week, according to word received here. Both were attending business college in Portland at the time.

Leonard is the son of Mr. and Mrs. B. J. Nation of Hermiston and is a graduate of the Hermiston high school with the class of 1930. Mrs. Nation is a niece of Miss Eugenia Somers, teacher in the Hermiston grade school and lived here with her aunt until the first of the year, when she went to Portland to enter business college.

February Turkey Shipment.

The February and final turkey shipment for the Eastern Oregon Turkey Growers will be made Thursday, February 18. This will be the clean-up shipment when one carload will probably be marketed.

Makes Honor Roll.

Having made a grade of B or above, Ardyth Cochran, son of Mrs. Georgia Cochran, was placed on the honor roll for the fall term at Albany College.

Mr. Cochran is a senior in education.

STATE 4-H CLUB LEADER CONDUCTS ACHIEVEMENT DAY

FOUR STANFIELD CLUB LEADERS PRESENTED PINS.

Stanley Green Receives "Wilson Award"; Program for Hermiston Will Be Held Tonight.

The 4-H club achievement day program for Stanfield was held Wednesday night in the Grange hall with 65 present. The achievement day program for Hermiston will be held tonight (Thursday) in the Methodist church with Garnet D. Best, assistant county agent, and Mr. Allen, assistant state club leader, presenting the awards.

Mrs. F. S. Green, chairman of the Grange 4-H club committee, reviewed the achievements of the various clubs for the past year, giving some constructive criticisms by which the clubs may profit. Following this Mrs. Green presented the Grange trophy to the most outstanding 4-H girls' club for the year which was the sewing club lead by Mrs. Roy Attebury. The cup was presented to the sheep club, lead by Stanley Green.

County School Superintendent Yeager presented achievement pins to individual club members for the work accomplished during the year, and Garnet D. Best, presented the agricultural pins.

County School Superintendent Sawyer, of Union county, spoke to the group in the interest of club work and related some experiences had in the work in Union county.

Walter A. Holt, county agent, discussed 4-H club work.

Leaders' pins were presented by Assistant State Club Leader Allen to Mrs. R. S. Cooper, cooking club; Mrs. R. G. Attebury, sewing club; Mrs. J. Reuber, poultry club; and to Stanley Green, sheep club. These clubs were 100 per cent clubs for the year.

ANNUAL MEETING OF FARM BUREAU COOPERATIVE FRIDAY

Notices have gone out to members of the Farm Bureau Cooperative of the annual meeting Friday afternoon at 1:30 in the Methodist church, from the manager H. M. Summer. Two directors are to be elected at this meeting to serve on the board. Other business of importance to members will be discussed.

SPECIAL RATE GIVEN OWNERS WATER RIGHT LANDS.

The action of the Hermiston Irrigation district in reducing the operating and maintenance charge on water right lands for this year to 95 cents per irrigable acre, payable in advance, is the result of a survey of conditions on the project. It has been done as a relief measure for the benefit of settlers within the Hermiston Irrigation district, owning water right lands, and in order that they can meet their operating and maintenance charge promptly.

This price of 95 cents per acre means that settlers on the Hermiston project will probably be purchasing irrigation water at a less price than any other project in the northwest.

PROGRAM ARRANGED FOR PARENT-TEACHERS MEETING.

The Parent-Teachers association will meet in the main auditorium of the high school next Wednesday night, February 17, for its regular meeting. A program has been arranged as follows: Solo by Mrs. Markham; a short talk on "China" by Rev. Wallace Jones; a piano solo by Miss Florence Udey; and selections by the Harmonica band composed of school pupils under the direction of Miss Eleanor Daily.

COUNTIES WILL BE VISITED BY STATE DEPUTY COLLECTORS.

State deputy collectors will visit Pendleton between February 15th and March 15th for the purpose of assisting taxpayers in preparing their Federal income tax returns for the year 1931. In Morrow county, Heppner, services will be available between February 29th to March 1st inclusive. The same assistance is also available to taxpayers at the office of the Collector of Internal Revenue, Customs House Building, Portland, Oregon, each day until March 15th, which is the final day of the filing period.

DEEP SNOW REDUCES CATCHES OF PREDATORY ANIMALS.

During January, thirty hunters took 157 coyotes, 18 bobcats and five cougars; in addition 156 porcupines were destroyed. One hunter's reports are incomplete and not included. The hunters who made the largest catches are: Robert E. Long, Malheur County, 3 bobcats, and 12 cougars; James Wadman, Crook County, 13 coyotes; Murial E. Jacobs, Lake County, 13 coyotes; Walter Sutherland, Harney County, 2 bobcats and 8 coyotes.

Considering weather conditions which ranged from bright, warm sunshine to pelting rains and drifting snows, the hunters throughout the district showed some exceptionally good results.

INFORMATION ON VEGETABLE GROWING AVAILABLE.

Vegetable growers in Umatilla County will no doubt be glad to know that they have access to some new information regarding vegetable growing. The Extension Service of the State Agricultural College has recently made available several new publications dealing with such subjects as asparagus, rhubarb growing and forcing, growing late cabbage, growing and marketing cauliflower, celery production and marketing, growing carrots for the cannery, growing early vegetable plants under glass, lettuce production and marketing, and the production and marketing of onions.

Of particular importance to local farmers are others of these new publications dealing with such subjects as growing and marketing green peas, tomatoes, and the construction and operation of the cold frame in vegetable growing.

Most of these bulletins have been written by Professor A. G. B. Bouquet, head of the Vegetable Department at the College, and copies may be had without cost by addressing the County Agent's office at Pendleton.

FARM BUREAU AUXILIARY HONOR LINCOLN'S BIRTHDAY.

At the regular meeting of the Ladies' Farm Bureau Auxiliary Friday, February 5, the motif of entertainment was for St. Valentine's day, honoring Lincoln's birthday. The attendance was small due to inclement weather and illness.

A resume of the Oregon History given by Mrs. Blum will be a feature of other meetings, also, and all were much interested in her talk.

Friday, February 19, will be the date for the next meeting with Mrs. N. W. Bloom acting as chairman, assisted by Mrs. H. J. Ott, and Mrs. Chas. Lynch.

The year's program for 1932 is as follows, including the full year:

- January and February "Patriotic"
- Mrs. Henry Sommerer, Director. March and April "Horticulture"
- Mrs. Harvey Payne, Director. May and June "Household Management"
- Mrs. S. K. Thomas, Director. July and August "Recreation and Sewing"

WOMAN'S CLUB OF PENDLETON WILL HOLD ANNUAL CONCERT.

The music department of the Pendleton Woman's club will hold its eleventh annual sacred concert next Sunday, February 14, at 3:00 o'clock in the Methodist church. A splendid program has been arranged for this concert and the club extends an invitation to all who wish to attend.

MEMBERS UMATILLA CO-OP. CREAMERY PASS RESOLUTION

DIRECTORS ELECTED TO BOARD FROM FOUR DISTRICTS.

Purchase of Stock Changed to But-terfat Basis; Membership Increased in Past Year.

Nearly 200 persons, most of them representing members of the Umatilla Cooperative Creamery, were present at the annual meeting of that association last Saturday in the Methodist church. The business session started at 11:30 and continued until 12:30 when lunch was served. In the basement of the church before the meeting was continued into the afternoon session.

A financial report was read by the manager, B. E. Sykes, followed by an explanation of a plan that would be a more equitable way for members to pay for stock in the creamery. The following motion was made and unanimously carried: "To change deductions for purchase of stock from present basis of 25c per share per month, to 1c per pound of utterfat. This deduction to be continuous, and applied on stock until assets of the association are covered, and then be used for purposes of necessary expansion, and the taking up of stock in the order of its issue at the discretion of the Board of Directors."

During the afternoon session four directors were elected to serve for two years as follows: Minnehaha, E. L. Jackson; Stanfield, S. R. Archer; Echo and The Meadows, A. Hayden; Irrigon, R. V. Jones, S. R. Archer of Stanfield was the only new director elected to the board.

Since the beginning of operation July 1, 1931, with a membership of 140 the number of patrons has increased until they now number over 200, and the volume of business has gradually increased. The grade of butter placed on the market by the creamery has been for the most part 92 with a number of small shipments grading 91.

Following the election of directors, Curtis Dyer, and County Agent Smith from Umatilla county, addressed those present in behalf of the Umatilla Herd Improvement association.

Bowman Girl Dies.

Ruth Bowman, ten-year-old daughter of Mr. and Mrs. Jake Bowman of the Meadows, died Sunday at the home of her parents. Funeral services were held Wednesday at 2:00 o'clock from the Methodist church and interment made in the Echo cemetery. The little girl complained of not feeling well after returning home from school Friday, and Saturday a physician was called Sunday morning, and she died a few minutes after his arrival. It is thought intestinal influenza or appendicitis caused her death.

ALONG THE CONCRETE

"Believe It Or Not," Ripley has gone to the South Sea Islands.

If the U. S. don't go to war with Japan, a lot of people are going to be as disappointed as the man in the funnies who crawled under the tent to see a circus and found it was a revival meeting.

That Tom Fraser wears a sloppler, more slovenly looking hat than the manager of the Ford motor company, was the unanimous decision of "City Dads" along the main sidewalk Wednesday.

Night Watchman Filderback patrolling the streets of Hermiston. What a break for the substitute to have a big robbery pulled off while our Deputy Sheriff is away off in Michigan, after a fugitive.

Rumor has it that the saxophone "crooner" in the Udey orchestra has been considering renting the J. W. Warner house. Perhaps his present quarters are getting a little crowded.

With the city night watchman away and our City Chief of Police in the hospital, citizens of Hermiston can do just about as they please. The substitute for our city police officer has not been announced, so it may not pay to crow before that information is obtained—He might be a tough customer.
