Every board, every person handling public money, should publish an account of it.

Stanley Green of Stanfield, who has won state and national recognition as a 4 H club leader, is a resident of Umatilla county, and a young man of whom we can justly be proud.

Forced to Action.

The kidnaping of the nineteen month old son of Colonel Charles Lindbergh has aroused the indignation of the nation against the offenders. Congress is considering passing the Cochran bill, which would make abduction across state lines a federal crime, punishable by the death penalty.

There must be a punishment of so stern a quality as shall teach restraint of criminal impulse. The detection, and the final and destructive punishment would be a warning to other criminals. Such a policy would have aided in prohibiting the abduction of the Lindbergh baby.

A New Kind of War.

The American Legion is engaged in another war. This time it is against want, hunger, and unemployment.

Has the Hermiston American Legion Post No. 37 heeded the call out by Mark T. McKee, executive director for "One Million Wage Earners Back to Work?"

That is the battle cry of the War Against Depression officially declared Monday, February 15, which will be waged through 10,800 local committees in every city, town and hamlet in the United States for the purpose of reestablishing public confidence and securing resumption of normal buying.

The Heppner American Legion responded immediately to the call. Why shouldn't the ranks of the Hermiston post join the many other forces over the country in helping accomplish this great task.

Let's not fool ourselves. Let's not think that because many of us have plenty to eat, plenty to wear, and plenty of almost everything we desire that we are secure. We owe this army of unemployed a right to work for a living, and unless we give them that right they are going to ask us why in unceremonious terms.

known. But it was a cowardly and fastidious thing for anyone to do. Job was only a dog, but more human than the brute who killed him so. Mary Britten was attached to her dog. For seven years they had been almost inseparable.

Somewhat, nobody knows who ought to strike a blow at Mrs. Britten through the animal she loved. Humans cannot with impunity be tortured and killed, covertly, cowardly, cruelly, but Bob, as we have said before—he was only a dog.

BAPTIST CHURCH. E. James Cain, Pastor. Rev. Hunderup has arrived. The special meetings began Tuesday evening. We all received blessings at God's hand.

Rev. Hunderup comes to us from Mississippi and Texas. He has been dubbed "The Whirlwind of the South." He was born at Natchez, Mississippi, and brings to us many Negro spiritual and plantation songs.

He has held meetings in many of the southern states including Louisiana, Georgia, Tennessee, Missouri, and Arkansas. He has held meetings in many of the western cities such as Baker, Oregon; Weiser, Idaho; (three consecutive years) twice at Hood River, and at The Dalles. He has just completed a very successful meeting at Cove, Oregon. This was a union meeting of the Baptist and Methodist churches and Rev. Hunderup has been invited back here this summer.

Some of the topics Rev. Hunderup will speak on are: "Why Religious Folk go to Hell," "Sure Cure for Snake Bite," and "The Leader of a Fard Gang in a Big City."

One feature of the meetings will be the children's work. At Cove here were over a hundred children enrolled in this work. At Baker there were five hundred. The children's meeting will be held at 3:45 o'clock.

The meetings will be held every evening except Monday at 7:45. Everyone is welcome. That includes you.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 23.

The Golden Text was, "God sent not his Son into the world to condemn the world; but that the world through him might be saved" (John 3:17).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth" (Isa. 49:6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christ is the true idea voicing good, the divine message from God to men speaking to the human consciousness. The Christ is incorporeal, spiritual, —yes, the divine image and likeness, dispelling the illusions of the senses; the Way, the Truth, and the Life, healing the sick and casting out evils, destroying sin, disease, and death" (p. 332).
