C. L. [Buck] LIEUALLEN

FOR

Sheriff - Umatilla County

To the Voters of Umatilla County.

If elected to the office of Sheriff of Umatilla County, it is my intention to employ one less deputy sheriff than is now being employed in the office at Pendleton and to co-operate with the City of Hermiston by making their present night officer a deputy sheriff with the County paying one-half his salary.

It is my belief that the extra officer in the office at Pendleton can be dispensed with by turning over some of the work now performed by the sheriff's office, to the State Police, without any loss of efficiency, and resulting in a saving to both County and City taxpayers.

Re-Nominate

TOM B. GURDANE

FOR

Sheriff

OF

UMATILLA COUNTY

The Man Who Makes No Idle Promises—Who Has Made Good

The following brief summary of the activities of his office during his administration, indicate forcefully why the TAX-PAYERS NEED TO RE-TAIN HIM.

DURING the time he has been in office—THREE years and four months—there has been a total of 1367 PRISONERS held in the COUNTY JAIL, compared with 1336 for the preceding four years.

IN the previous administration, 63 criminals were sentenced to the State Penitentiary.

IN the past THREE years and FOUR months, this office has come in contact with 163 felony cases. SUFFICIENT EVIDENCE was gained in these cases that when it was presented before the defendants, 148 entered pleas of GUILTY and but 15 CRIMINAL court trials were held. IN THESE, 12 CONVICTIONS were secured, with but "THREE ACQUITTALS".

THIS means that in THREE YEARS AND FOUR months, since GURDANE has been in office, 160 CRIMINALS have been APPREHENDED, CONVICTED AND SENTENCED to the STATE PENITENTIARY.

THE AVERAGE COST of a criminal court trial has been computed as \$300.00 WITH this FACT in mind the SAVING made to the COUNTY can very readily be established.

In addition to this more than 30 delinquent girls were arrested and arrangements made for their proper care.

TO CARRY the COMPARISON further:

In 1928, fines totaling	\$11,585.00
were assessed	
In 1929, FIRST year GURDANE administration, fines	\$16,693.50
1930	Fines \$16,016.45
1931, (a Depression year)	Fines \$11,595.00
1932, (First four months)	Fines \$ 3,350.00
TOTAL FINES since 1929; - Gurdane Sheriff	\$47,654.95

STILLS SEIZED: 1928, Total 4; 1929, (Gurdane) 11; 1930, (Gurdane) 14; 1931, Gurdane 7; TOTAL by Gurdane, January 1, 1929, January 1, 1932, 32 stills seized.

DURING the previous administration, automobiles used by the Sheriff's office were owned by the Sheriff, and he was paid a set fee each mile traveled, PLUS MILEAGE received for serving civil papers: AT THE PRESENT time, the automobiles in use by this office are owned by the COUNTY and ALL FEES and MILEAGE received is paid to the County Treasurer. (Gurdane receives only the regular salary provided by law and actual expenses incurred while in the performance of his duties.)

In 1929, immediately upon assuming office, Gurdane inaugurated a 24 hour a day service. This has been maintained faithfully, without extra cost to the tax-payers and has been appreciated, as many of the residents of this county and officers of other counties will cheerfully testify.

IF it is YOUR wish that service of this type be continued,

Vote For

Tom B. Gurdane

Present Sheriff, and Candidate

For the Republican Nomination and for Re-Election
