Needless Defeat.

The official count in the May primary nominating election completed Wednesday by the County Clerk's office force leaves R. C. Todd, candidate for county commissioner from Hermiston, 26 votes behind his leading opponent, W. A. Gilliam.

J. S. Cheshire candidate for county judge of Milton-Freewater received the plurality vote in both Hermiston precincts but the candidate from the west end received more votes in Pendleton than he did in the east end of the county.

Scarlet Poppies of Flanders. In Flanders fields the poppies blow between the crosses, row on row—

The Hermiston Unit of the American Legion Auxiliary have been waxing poppies for wreaths to place on graves in memory of those soldiers dead, on Memorial day. These poppies have been fashioned from paper by invalid men who served the colors during the world war.

The cloth or paper poppies are for memory, but they are for practical purposes, too. The proceeds of their distribution will be used, as in years past, for hospital and child welfare work.

Today. With the setting sun, your hope of yesterday died out. All right this was yesterday.

Things didn't materialize the way you dreamed they would. All right again. Now—the present hour—Today. Yesterday bears no relation to it, except perhaps, the relation that a nightmare bears to the morning after.

Forget all about yesterday—it is dead and buried in the cemetery of Time. Today is alive. Are you? Well then, get busy! Fling from your shoulders the depressing weight of those hopes that haven't come true.

CHRISTIAN SCIENCE CHURCHES

"Soul and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 22. The Golden Text was, "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" (I Cor. 3:16).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "There is one body, and one Spirit... One God and Father of all, who is above all, and through all, and in you all!" (Eph. 4:4, 6).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Science of being reveals man as perfect, even as the Father is perfect, because the Soul, or Mind, of the spiritual man is God, the divine Principle of all being, and because this real man is governed by Soul instead of sense, by the law of Spirit, not by the so-called laws of matter" (p.302).

Chicago, Convention Champion of 1932

Chicago Stadium in which the Democratic National Convention will be held. Inset—Melvin A. Traylor, member of the Civic Committee which obtained the Convention for Chicago

CHICAGO has jumped into a long lead over other cities in the race for winning convention assignments, and particularly the two great assemblages of Democrats and Republicans in June puts Chicago well in the lead and gives the "Windy City" an opportunity to stage these colorful affairs as a curtain raiser to the "Century of Progress" which will be a headline attraction in 1933. Already the convention pot is boiling merrily as committees of prominent business men are organizing to receive thousands of visitors in Chicago during June.

One of the leaders who has helped to bring the blue ribbon convention assignments to Chicago is Melvin A. Traylor, president of the First National Bank and a business man with a flair for tackling big jobs. Mr. Traylor, a native of Kentucky, has achieved na-

tioned and international fame in finance and business by his distinguished service in Chicago, Texas and throughout the Middle West. He was one of the delegation headed by E. N. Hurley and Mayor Cermak of Chicago who went to Washington and clinched their bid for the National Democratic Convention with a fund of \$200,000.

Chicago has exceptional facilities for entertaining both Republican and Democratic conventions within a single month. Already the engineers are at work with blue prints to arrange the interior of the huge Chicago Stadium where both conventions will be held.

The assembling of both conventions promises to be a great spectacle, for the arena where delegates will be seated will accommodate between 8,000 and 10,000. Circling the arena are 16,000 seats where guests and visitors may be accommodated.
