### BULLDOGS READY TO MEET STRONG PILOT ROCK ELEVEN

#### ROCKET TEAM BEST IN THIS SECTION.

Won Opening Game With Heppner 12-0; Bulldogs Drop Athena Game 6-0.

Preparing for the encounter with Pilot Rock here Saturday, has kept Hermiston Hi gridsters busy the past week developing new plays and trying new combinations of players. The Pilot Rock team is the Bulldog's most formidable foe of the season, having won its opening game with Heppner 12-0. This victory may well serve as a warning of the Rocket's strength as the Heppner team is composed of precisely the same players with whom Hermiston had such a fight to win 6-0 last Armistice Day.

Major changes in the Bulldog line-up include Martin from fullback to wing half, Hamman from center to full, and Pierce, sub, to center with Evans and Bensei alternating at quarter. This combination proved strong during the second half of the game with Athena last week, the Athena team being unable to score against it. The lone score of the game came in the second quarter against the combination Hermiston used against Kennewick when Pickett, star sprinter from the foothills, caught a pass and raced forty yards to a touchdown.

Further drills on old plays and the addition of new ones have put the Bulldogs into form that will keep Pilot Rock busy at all times, and the game should provide plenty of thrills and probably will carry sore throats as a sideline.

The line-up for the Athena game was as follows:

Hermiston	Athena
C. Wells	L.E. Weber
F. Reeves	L.T. Dudley
Settle	L.G. Cambell
E. Pierce	C. Singer
Harris	R.G. Rogers
Stewart	R.T. Town
Hamman	R.E. Miller
Bensei	Q.B. Jenkins
Evans	R.H. A. Moore
Hunt	L.H. Geissel
Martin	F.B. Pickett

Substitutions: Hermiston, Lenhart for Stewart; Moore for Hamman; Hamman for Martin; Martin for Bensei. Athena: B. Moore for Rogers; Murphy for Pickett; Pickett for Murphy; Rogers for Moore; Weber for Moore.

Mrs. Tilden, retiring president, was not to be slighted and was presented a man-made cake by retiring post commander H. G. McCulley, brought in on a plank by a squad of men to denote great weight. The cake proved to be very light, however.

Presentation of officer's pins, flowers, and gifts were made, and Mrs. Christophersen surprised her American Legion national convention comrades by presenting each with a doll which had been dubbed, "Elmer," who was the most earnestly sought character of the Portland convention.

J. E. Hallyburton, district commander, gave a stirring talk on the bonus question after which the K. P. of the Legion called "soups on."

T. Fraser.

### ANNUAL REPORT OF LEGION AUXILIARY UNIT ACTIVITIES

At the last meeting of the American Legion Auxiliary when joint installation was held with the American Legion, the annual report was given by Mrs. Mildred Tilden, retiring unit president. The report is given each year in order that the activities in the community may be made public. The report follows:

During the past year it has been my duty and privilege to serve as president of our local Unit of the American Legion Auxiliary. To have served in this position has been a real pleasure. The year has been a busy one, both in business and social activities.

Financial activities and profits were as follows: Fair food booth \$59.50; bridge benefit for public library, \$42.50; golf tournament lunch, \$35.00; prepared Masonic annual dance lunch, \$25.00; benefit "Open House", \$9.00; poppy sale, \$40.00. With the exception of the \$42.50 which was turned over to the library and the \$40 from the poppy sale which was sent to the Veterans in the hospital, these proceeds were used for our own Unit activities.

The community service activities were: assisted city relief committee by donating clothing, canned fruits, and vegetables; Christmas boxes and toys at value \$25; sponsored Girl Scout troop \$12 cash; re-supplied 1st aid room at school; participated in Washington day program; donated \$42.50 to help library; assisted County Health association; and assisted American Legion in Memorial Day services, aiding in program and decorations.

We pledged ourselves to the "check a month club" sending \$2.50 each month to the department to be used for child welfare. Also contributed to the Rehabilitation fund, a dime for each member, to be used for disabled soldiers.

Our social activities included the annual pot luck dinner for Legionaires. Attendance of district conferences at Lone; entertained district president; Mothers' Day party; Picnic in July at Columbia park for Legionaires and families.

This report is submitted each year by the Unit President to give the community a better knowledge of our activities.

(Signed) Mrs. Mildred Tilden.

The Umatilla Project Fair opens tomorrow morning at 9:00 o'clock with the 4-H club judging being directed by H. G. Avery of La Grande and Chas. Smith of Heppner. School will be dismissed all day in order that 4-H club boys and girls may be present for the judging.

All broadcasting equipment used on the fair grounds will be furnished by the Mooreton Found Service of the Oasis theatre.

The new exhibit building has been completed and exhibits started coming in Thursday. A demonstration platform has been built near the west entrance for 4-H club and school work. At all previous fairs a temporary display room has been erected at great expense to the fair board but with the new 28x80 foot building this needless expense will be eliminated each year.

Miss Helen Cowgill of Corvallis will judge exhibits in the Women's department and O. I. Paulson will judge the poultry, Friday. H. G. Avery of La Grande and Chas. Smith will act as judges for 4-H club exhibits and the dairy division.

Horseshoe Tournament. The ground south of the new exhibit building has been cleared and a horseshoe pitching ground built with four alleys. Both junior and senior tournaments will be conducted both Friday and Saturday of the fair. A fee of ten cents will be charged for entries and this will be divided each day and used for prizes. A final tournament prize of \$5, \$3, and \$1 will be awarded for the finals Saturday.

Legion Concessions. The local post of the American Legion will have charge of the concessions and are planning on carrying merchandise prizes in the booths. Practical prizes will be given.

Football Game Saturday. A closely contested football game will be played Saturday afternoon at 2:30 between the Hermiston high school team and the Pilot Rock team. Hermiston Bulldogs have played some good games this season holding Kennewick to a tie score of 6-0 and Athena to a 6-0 score.

### ALONG THE CONCRETE

Considering all the approaching weddings, it is not "dear" season that is open, but "dear" season. Will Rogers says that "Al and Franklin have made up and are going to bury the hatchet in Hoover." Well, perhaps Herb does need some iron in his blood.

This fair city has taken on its true aspect today; banners floating in the breeze, trucks and cars loaded with produce for display, and a broad smile on the face of every person you encounter, have made Old Man Gloom hit for "the town he left behind him."

It seemed rather natural last evening to have J. M. Biggs, former editor, in the office and then for Walter Hamm to tap on the window with a four bit piece, J. M. dashed out and returned after a short lapse of time with some additional nickels and dimes. At least he said they were additional.

Dad Todd seen dashing about this week engineering preparations for the Umatilla Project Fair. We did not notice his "brass collar" but the work was being done.

Our advise to fond admirers of pet dogs for this week, would be to keep them tied to the back door step. Hot dogs are in vogue. Ours is going to remain on the radio.
