Mr. Maxwell is a brother of Mrs. Jones and is on the police force in Portland. Mr. Weaver is a nephew and Mr. Smith a brother-in-law of Mr. Jones. The men will spend a few days hunting leaving Wednesday for the mountains.

SCAPPOOSE—How to make grape juice that retains the piquant flavor and the vivid color of fresh grapes is described by a Scappoose home-maker who has canned quantities of grapes by this simple method: Wash the grapes. Place them in a sterilized jar, filling the jar half full of grapes. To each quart jar add one-half cup of sugar. Fill the jar with boiling water. Seal and store.

RICHMOND—By fastening a short length of hose to the faucet it is possible to fill the wash boiler without having to lift and carry heavy buckets of water, reports a Wheeler county housewife. She makes a saving of from three-fourths of an hour to an hour of time a day as follows: "I keep my sugar, salt, soda and baking powder all on my cabinet. That saves many steps in breadmaking. I measure dry ingredients first, then the liquids so that only one cup is needed. I make the children understand that their toys and school books are no longer welcome in the kitchen. I find that water near the stove saves many steps in filling the boiler for washing."

OREGON STATE NEWS OF GENERAL INTEREST

Principal Events of the Week Assembled for Information of Our Readers.
