NOTICE IS HEREBY GIVEN that under and by virtue of a writ of execution issued out of the Circuit Court of the State of Oregon in and for the County of Umatilla, under the seal thereof, and to me directed and delivered upon a judgment and decree rendered and entered in said court on the 12th day of September, 1932, in favor of F. V. Prime as plaintiff, and against John S. West and Adora E. West, his wife, as defendants, whereby the plaintiff did recover a personal decree against the defendants, John S. West and Adora E. West, his wife, for the sum of \$500.00 with interest thereon at the rate of 8 per cent. per annum from the 16th day of April, 1931, and the further sum of \$75.00, attorney's fees, and the costs and disbursements taxed at \$25.50, and whereby it was decreed that the mortgage dated on the 16th day of April, 1931, executed by John S. West and Adora E. West, his wife, to plaintiff, upon the following described real property in Umatilla County, Oregon, to-wit:

Sheriff of Umatilla County, Oregon.

**SIXTY DISASTERS IN 1932 ADD TO NATION'S DISTRESS**

Red Cross Spends \$2,760,000 To Help Victims of Catastrophes.

In a year of great misfortune caused by economic depression, in which the American Red Cross assumed heavy burdens of relief for the unemployed, the organization also responded to emergency needs in 60 disasters in the United States and its insular possessions.

During the twelve months ending June 30, 1932, the Red Cross gave aid to 75,000 families totalling 338,000 individuals, with expenditures of \$2,760,785. These people were in distress because of drought, flood, forest fire, tornado, snowstorm, mine explosion, or other similar great disaster.

Prolonged drought caused the Red Cross to go with help to 55,000 families in the northwest. Here in 144 counties in North and South Dakota, Montana, Nebraska, Washington and Iowa the Red Cross spent \$1,980,000 from its own treasury to feed and protect people through the winter and spring.

Other grave disasters were floods in southeastern states, where the organization spent \$192,000 from its treasury and \$66,000 local contributions to help 13,000 persons.

More than 50,000 people were homeless from floods in tributaries of the Mississippi river and again the Red Cross faced a long relief task, aiding these people. The national organization gave \$108,000 and local contributions were \$10,000.

The Red Cross always maintains a state of readiness to meet these sudden emergencies, and funds and other essentials to this work are supplied, in part, by the annual roll call, held each year from Armistice Day to Thanksgiving Day. Every citizen can support this worthy activity through joining as a member in the local Red Cross chapter.
