The orchestra has an enrollment of twenty and the newly organized and sixteen members. Both organizations have made marked progress since the opening of school under the leadership of Elwin Knapp, director. These organizations will present a most entertaining minstrel show December 9, in the high school auditorium. The minstrel will be composed of both school and community talent, and its purpose will be to raise money for sheet music and equipment for the music department. More complete plans will be announced later.
