MCKENZIE WINS MAYORSHIP FOR TWO YEAR TERM

TAYLOR WINS RACE FOR REORDER, MARGIN TWO.

Councilmen Named on Ballot Elected; Vote of 303 Cast at Polls in City Election.

The qualified voters of Hermiston elected F. C. McKenzie to the office of mayor at the election Tuesday. His opponent, O. O. Felthouse, who entered the race at the eleventh hour, received 71 votes, while Mr. McKenzie received 223. Mr. Felthouse's name was not on the ballot.

Chas. Taylor won the race for city recorder by a small margin of two votes against R. C. Todd. Taylor received 122 votes and Todd 120. Mrs. Rena Waterman, third candidate for the office, received a vote of 58.

The large vote of 264 was cast for A. F. Rohman for city treasurer. Several names were written in on the ballot. Walter Hamm did not run for reelection due to the fact that he has held the office four years, which disqualifies him.

B. S. Kingsley was given a total vote of 275 for city councilman, the largest vote received by any candidate. Other councilmen elected were: B. Haneline, 250; H. E. Hitt, 268; J. M. Norton, 274; Geo. Wagner, 267; and J. M. Pearson, 264.

A total of 303 ballots were cast for the city election which is the largest vote for such election known for many years in the city. Interest was created when O. O. Felthouse put out literature announcing his candidacy for city mayor. The race might have been closer had his name been on the ballot.

J. S. West was elected Justice of the Peace and H. A. Pankow as constable.

Turkey Shipment Large.

The first shipment of local turkeys which took place this week exceeded all estimates in size; earlier estimates of one car load fell short when farmers reported with enough birds for two full cars. One car will be sent to New York while the other will be sent south to Los Angeles. Mr. J. M. Cornutt of Eugene was the government grader in charge of the pool. The shipment is being sent through the Eastern Oregon Turkey Growers association.

Miss Esther Sibert went to Colfax, Wn., Monday in order to retain her voting privilege in that city. Elwin Knapp acted as chauffeur for her on the trip. Miss Florence Wougher substituted in the commercial department until her return Tuesday afternoon.

SCHOOL NOTES

Chief interest at the high school for the past week has centered on the straw election which was held Tuesday in conjunction with the national, state and local elections. The vote for president was a walk-away for Roosevelt who totalled 76 votes to Hoover's 42. Mr. Harker ran a close third to Curtis and Garner in the race for the vice-presidency, having polled one vote. The student vote on prohibition repeal is interesting in contrast to that cast by legal voters of Oregon. The vote standing 61 against repeal to 30 in favor of a wet state. The school moving bill didn't get a chance having been defeated 105 to 6. Voting on county and other officials practically coincided with state returns.

The monthly meeting of the Parent-Teacher's association will be held at the school house at 8 o'clock Wednesday, Nov. 16. Special features of the program which have been arranged include an address by Dr. A. W. Christopherson whose topic is "Conservation of Life", and a program by the primary department under Miss Sloan. The annual membership campaign is now under way and is being carried on by members of the grade school. Membership to the association costs 25 cents for the year.

The Arlington high school football team defeated the Hermiston Bullpups, local second stringers, here last Friday in a hard battle 25-0.

STAGE SET FOR BIG ARMISTICE DAY CELEBRATION TOMORROW

The stage is set for the biggest Armistice day celebration ever held in this region. Tomorrow, with indications that Hermiston will be blessed with a fine fall day, people from as far west as Arlington and Condon and as far east as Milton Freewater, and Pilot Rock, will join with an enthusiastic crowd of local people in celebrating the 15th signing of the Armistice.

Splendid cooperation of the community has made this great undertaking possible. Donations of food, time, and work will be welded into a program consisting of a parade, community singing, an address, a football game, a free barbecue, and a dance.

The parade which begins at 12:30 will contain representations from American Legion posts in this district, local school children, civic and religious organizations, Boy Scouts, Girl Scouts, and several novelties. The parade will be under the supervision of Harry Kelley.

Community singing will take place at the tennis court immediately following the parade. At 1:00 o'clock Don McLeod of Hood River, will address the crowd in the principal speech of the day.

The football game between Hermiston and Heppner will begin at 2:00 o'clock; a charge of 50 cents will be made for the game. Immediately following the game everyone will be invited to attend the free barbecue at the grounds. Those in charge, Henry Sommerer, H. A. Pankow, and Earl Benschel are now preparing the meat, while members of the Legion Auxiliary and Farm Bureau Auxiliary are preparing the remainder of the meal. Those in charge of the barbecue wish to call to the attention of everyone the fact that the barbecue is absolutely free, regardless of whether or not one had previously attended the football game.

The dance will begin at 8:30 with Udey's orchestra furnishing music.

UMATILLA AREA GIVES ROOSEVELT LARGE MAJORITY

DEMOCRATIC PARTY STRONG IN CITY AND COUNTY.

Tabulation of County Vote on Page 2; Late Returns on State Measures Given.

The revolution at the polls which left Franklin D. Roosevelt to the presidency and cut down republican office holders was emphasized by late election returns.

Final returns from the county emphasize the determination of the electorate for a change.

A full and complete tabulation of the county election returns appears on page two. Echo is the only missing precinct.

The same 33 precincts show Senator Steiwer leading his democratic opponent in this county but Walter M. Pierce has a substantial lead over congressman Butler. Judge Maloney gets the high vote in the county thus far and has a majority of over 3000 over his opponent.

The democrats were unusually successful in the election of county officials having captured one commissionership, the sheriff's office, county recorder, assessor, and the position of mayor of Pendleton.

On the measures Umatilla county voted against the truck and bus bill and cast a landslide vote against the University moving bill.

Sweek Re-elected.

For the circuit judgeship Judge Calvin Sweek has a majority of some 2400 in Umatilla county and a margin of over 1000 votes in Morrow county.

The following is the summary of the voting in Umatilla county in the 33 precincts mentioned, the results being obtained only with reference to the contested places, the figures eliminating minor party candidates to speed up the work:

- President—Hoover, 2600; Roosevelt, 4841.
- Senator—Cleason, 2983; Steiwer, 3793.
- Rep. 2nd District—Butler, 2825; Pierce, 3615.

Linn read a play; and Mrs. O. Wells sang.

The matter of organizing units at Stanfield and Umatilla was left open for discussion at this meeting but no definite decision was reached. The conclusions will be brought up at the next meeting Nov. 18.

GIRL SCOUTS ENTERTAIN WITH TEA AND STYLE SHOW

Last Friday, Nov. 4, the local Girl Scout troop entertained their mothers and members of the American Legion Auxiliary at a tea in the Methodist church. The feature of the afternoon was an amusing style show, in which the models appeared in fashions from 1776 to 1935.

A large part of the success of the afternoon's entertainment can be attributed to Miss Ingrid Holing, Girl Scout leader.

AUDIENCE RECEIVES JUNIOR CLASS PLAY WITH ENTHUSIASM

FULL HOUSE WITNESSES SIDESPLITTING COMEDY.

Cast Portrays Characters, Showing Exceptional Ability; Interesting Plot Carried Through.

One of the best high school plays ever presented in Hermiston was played to a full house Friday night by members of the junior class. The title of the three-act play "Appleauce" implied considerable throughout the play with the characters carrying the theme of the play in a splendid way.

The setting for the first two acts was in the home of Ma and Pa Robinson. These two characters who were continuously crabbing and quarreling were carried by Betty Ralph and Fred Reeves. The scene opened with Ma sitting over her sewing trying to carry on a conversation with Pa who was trying to read the evening paper. Each argument that ensued was started by Ma, according to Pa's viewpoint.

Mrs. Jennie Baldwin, the suave town gossip, was played by Helen Jendrzewski, and soon appears while making an evening call on the Robinsons. She finally obtained the news from Mrs. Robinson that their daughter, Hazel, played by Anna Ray Martin, had become engaged to a promising young business man, Rollo Jenkins, played by Melvin Follitt.

She continues her prattle by enlarging upon the fact that she had been hoping that Hazel would not become engaged to young Bill McCallister, played by Eugene Pierce, who is the type of youth who gets along in life without working, has a cheerful optimism, the ability to tell people how nice they are, and somehow obtain everything necessary in life without doing any actual work.

Hazel is undecided about the two young men but because Rollo asks her first she becomes engaged to him. Rollo is such a different type from Bill. He is an industrious person, who spends his money wisely, and only after much thought and deliberation. In one scene where he and Hazel quarrel, he picks up a box of candy that he had brought for Hazel and takes it with him as he makes a stormy exit.

Rollo is the choice of Hazel's father, but young McCallister is the one who actually wins Pa over by his cheerfulness and optimism.

Matt McCallister, the gruff and blustery uncle of Bill McCallister. (Continued on last page)

The florist business should flourish now that election is over. Bert Nation was looking for a floral piece to take to Pendleton Wednesday. Need we say to whom it would be presented.

Upon close inspection he found the goose had been domesticated. About that time a neighbor came along and claimed it as his own. What a let-down—but we understand that Chris had an invitation to dinner the next day.
