HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, JANUARY 19, 1933

SUBSCRIPTION, \$2.00 PER YEAR

EXTENSION WORKERS DISCUSS CROP ROTATION BEFORE GRANGE

OPEN MEETING ATTENDED BY MORE THAN 50 FARMERS.

Other Forage Crops Suggested as Substitute for Alfalfa; Soy Beans Sweet Potatoes New Enterprise.

More than fifty farmers attended an open meeting sponsored by the Irigon Grange Wednesday night, when Prof. G. R. Hyslop of Oregon State college, and Chas. Smith, Morrow county agent, discussed a number of agricultural subjects.

As it has been found necessary in a number of cases to substitute some other forage crop for alfalfa on the projects in this end of the county, Prof. Hyslop suggested Albina Clover as very suitable for this purpose. He stated that the plant was shallow rooted and best suited for sandy soil where water for irrigation is available. The crop could be put in at a nominal cost of \$3.00 per acre, Prof. Hyslop said, as it takes about five pounds of seed per acre, costing from fifty cents to sixty cents per pound. For pasture purposes, he stated, it was best to mix with other grasses, but to exclude timothy seed if wanted for a seed crop.

Another crop mentioned by Prof. Hyslop was hairy vetch. This crop is harder to grow and it was suggested that the farmer start with a few acres and gradually increase the acreage in order that he may learn how to successfully grow the crop.

Soy beans and sweet potatoes were two more new agricultural enterprises suggested by Prof. Hyslop, to be used as cash crops, as much of these crop products, especially sweet potatoes from California, were imported into the state.

Chas. Smith, Morrow county agent, continued in the discussion by pointing out the necessity of having better pasture lands. He stated that it was better to have two pastures, than one large pasture, and still better to have three pastures, than two. This rotation method is used because it gives the plants a better chance to take new life.

Mr. Smith also explained how to proceed in obtaining federal-aid money for seeding.

Many questions were answered and discussed.

Garnet D. Best, Umatilla assistant county agent, Paul VanPatten, and Al Quiring of Hermiston attended the meeting.

OREGON CLOVER SEED SENT EAST FOR FURTHER TESTS.

Oregon grown samples of Tennessee anthracnose resistant red clover have again been sent east by Harry Schoth, federal agronomist at the Oregon experiment station for testing at various experiment stations through the central west and south.

In these regions where anthracnose disease takes a heavy toll, good demand exists for disease resistant seed, and if samples of seed from Oregon continue to indicate that the disease resistant characteristics are retained, an improved market is expected to open up. Samples sent to these same states two years ago by E. R. Jackman, extension crops specialist, were uniformly successful.

Introduction of this variety is a part of the program of the college in attempting to overcome the discrimination against Oregon red clover seed that has appeared in some sections of the country in recent years.

Freshman Program Postponed.

Closing school three days before the Christmas holidays necessitated postponement of the freshman assembly from Dec. 22rd to Jan. 31st.

LEGION AUXILIARY NEWS Unit No. 37

The next meeting of the American Legion Auxiliary will be held in the Masonic hall Thursday, January 26. At this meeting initiation will be held. Mrs. Alice Kik, Mrs. Grace Logan, and Mrs. Mildred Tilden will act as hostesses.

At the last meeting held at the home of Mrs. F. L. Kelley the Unit voted to hold all regular meetings in the Masonic hall.

STANFIELD NEWS NOTES

Achievement Program Presented.

The observance of "Achievement Day" formally brought 4-H club work to a close for 1932. The program was held at the Grange hall. A group of club songs were sung with Helen Frederickson at the piano. L. J. Allen, assistant state club leader, gave a talk on benefits derived from club work after which he showed several reels of film.

Garnet D. Best, assistant county agent, presented pins and certificates as follows: 1st Year—Neal Bleakney, Neva Hedrick, Josephine Rhea, Merle Hutton, Otis Lee Hake, Billy Beebe.

2nd Year—Awilda Clair Bleakney, Mary Johnson, Grace Rowell, Margaret Wood, Doris Green.

3rd Year—Leo Rueber, Dorothy Shelton, Cleo Green, Jimmy McDermott.

4th Year—Patricia Richards, Wayne Power, Margaret Hammill.

5th Year—Clara Johnson and Stanley Green.

The local Grange and H. E. club sponsor the club work and two revolving trophies are held by outstanding clubs for a year. This year the sheep club, under the leadership of Stanley Green, won the livestock cup, while the home economics plaque was awarded to the "Snappy Stitches" sewing club, lead by Mrs. J. M. Richards.

The committee announced Patricia Richards as the outstanding club member for the year. Grange scholarships to O.S.C. summer school were won by Wayne Power and Patricia Richards, with Jimmie McDermott and Margaret Wood as alternates. These scholarships are based on achievement in club activities, records, sportsmanship, and general community activities.

Bytha Hoskins and Otis Lee Hake won scholarships in September through awards won on live stock at the state fair.

Leadership pins were presented to Fred Shelton, Mrs. J. M. Richards, and Stanley Green.

Much credit is due Mrs. L. F. Wooster and Mrs. T. A. O'Grady for records made of awards won at the Umatilla Project Fair and for their assistance in determining winning clubs, and outstanding members.

Mrs. W. W. Kelly and daughter Harriet left Saturday for Portland where the former will receive medical aid. They expect to be gone a month.

Mr. and Mrs. W. B. Williams called on Stanfield friends Sunday while enroute from Zillah, Wn., to their home in La Grande, Or.

Another old time Grange dance will be given in the hall Friday evening, January 27. This series of dances is proving to be very enjoyable, and are open to the public.

Mr. and Mrs. Bert Sherry returned Saturday from a business trip to Portland.

The Ladies Aid play "The Family Failing," will be presented in the high school auditorium on the evening of Friday, January 27.

Mr. and Mrs. W. T. Reeves went to Pendleton Thursday morning, where they joined Mr. and Mrs. Walter M. Pierce.

(Continued on Page 2)

BULLDOGS SCORE ON ST. JOSEPH TOWN TEAM DEFEATS K. OF C. BY ONE POINT MARGIN.

Entire Second Team Substituted for Bulldogs During Second Half of Game.

(From "The Bulldog")

Double victories were scored by Hermiston here Saturday when the Bulldogs won a decisive contest over St. Joseph Academy 27 to 5, and the town team defeated the Knights of Columbus from Pendleton 13 to 12.

Hermiston began scoring early in the first quarter with exhibitions of accurate shooting and excellent passing. The Bulldogs second team played during the entire second half, scoring 14 points and holding St. Joseph to one basket.

The game between the Knights of Columbus and the town team was a battle throughout—neither team holding a decisive lead at any time. The town team led at the end of the first half, however, early in the second half the K. of C. took the lead which they maintained until the last few seconds of play when Howard Klages made good a foul shot which won the game.

Lineups: Hermiston Position St. Joseph Hunt RF Rigns Pierson LF E. Roden Bowman C McNally E. Pierce RG Bellomo Martin LG W. Roden

Subs: Rudyhanke, St. Joseph; Benschel, Paul, Moore, Reeves, Harris, for Hermiston.

Town Team Position Knights of C. Henning RF F. McNally Klages LF E. Flood Smith C J. Hamke G. Hamman RG J. Galvin E. Hamman LG L. Patton

Subs: F. Roden, K. of C.; Quiring, Hanby, Woodard, Jendrzewski, for Hermiston.

PROSPECTS NAMED FOR HEAD COACH AT O. S. C.

OREGON STATE COLLEGE, Corvallis, Jan. 18—The resignation of Paul J. Schissler as head football coach at Oregon State college has brought many applications for the vacant position. The names of the applicants have not been divulged by officials here.

Schissler's resignation is to take effect June 30, but he has been granted a leave of absence and probably will leave the campus within a few weeks.

Men whose names are outstanding in mention for the coaching position at Oregon State are Mike Pecarovich, Gonzaga; Percy Lacey, Denver; Spec Keene, Willamette; and Lon Stiner, assistant at Oregon State.

Turkey Money Received.

Money for the first December pool was received by members of the Eastern Oregon Turkey Growers' association this week. Checks were sent out from the office of the secretary, Mrs. R. G. Penney. The top price received was twelve cents, which was the average price paid by commission men. The November pool brought seventeen cents.

Plans Begin for Music Festival at Pendleton.

(From The Bulldog) The Round-Up arena in Pendleton will be the scene of a music festival some time in May. This festival will be non-competitive and will take the place of the La Grande tournament in which the schools have formerly competed for awards.

Through the efforts of Supt. R. H. McAttee, who had seen this system successfully carried out in Whitman county, Wn., plans for a similar festival are now under way. Bands from Umatilla and Whitman counties are invited to participate. Three selections will be played by the combined bands under the direction of Mr. Hoisington, Pendleton band director.

Up to the present time the music to be played has not been definitely chosen. It is hoped that at least part of the Hermiston band will be able to participate. More definite plans will be announced later.

Business Arithmetic Course Begins.

(From The Bulldog) The first semester will end the study of occupations made by the freshmen under the instruction of Miss Jessie Brierley. During the second semester, a course in business arithmetic will be substituted for the vocational course.

Basketball Schedule Corrected.

(From The Bulldog) Several changes have been made in the Bulldog basketball schedule. The following is the schedule as corrected:

Pendleton	There	Jan. 20
Umatilla	Here	Jan. 21
Echo	Here	Feb. 4
Stanfield	Here	Feb. 17

UNUSUAL RECORD MADE BY E.O.S.H. DAIRY HERD

PLANS FOR REORGANIZATION OF ASSOCIATION UNDERWAY.

Non-Productive Cows Being Disposed of; Two High Cows in Ass'n. From State Herd.

The December report of the Umatilla Herd Improvement association shows that seventeen of the twenty-five cows making the honor roll for the month belong to the Eastern Oregon State Hospital herd. The report says "a constructive breeding policy, splendid management, and care in feeding has made this unusual record possible."

The report, made out by the tester Albert Kennings, says that plans for reorganization of the association are being developed, and that indications at present lead to the belief that the work will be carried on into a new year. Considerable interest in exchanging sires is being shown by members, and a few non-productive cows are being disposed of.

During December there were 30 herds on test with 513 cows enrolled, of which 103 were dry. The total milk production for the month was 232,193 pounds of milk, containing 11,826.4 pounds butterfat. Out of the total number of cows enrolled 73 averaged 40 pounds of butterfat during the month.

The high herd of over 20 cows for the month was owned by the E. O.S.H. with 67 pure bred grade Holsteins, and pure bred Jerseys, averaging 784.7 lbs. milk, containing 32.7 lbs. fat.

High herd of from 12 to 20 cows was owned by C. E. Smiley with 13 pure bred Jerseys averaging 428.5 lbs. milk, containing 26.0 lbs. fat.

High herd for the month under 12 cows was owned by Nels Kristenson with 4 grade Jerseys averaging 739.5 lbs. milk, containing 45.3 lbs. fat.

Five-year-old "Eowlina" a pure bred Jersey, of the Eastern Oregon State Hospital herd, again makes the second highest record for production in the association. Her milk production averaged 1547 lbs. containing 80.4 lbs. fat.

No. 156 of the same herd was the highest producing cow in the association for December with 2068 lbs. milk and 84.8 lbs. fat to her credit. She is a 4-year-old Holstein.

The six high herds to date for the eleventh month since the beginning of the testing year are owned by the Eastern Oregon State Hospital, Holstein and Jerseys; H. J. Reid, grade Jerseys; C. E. Smiley, pure bred Jerseys; A. R. Coppock & Son, Guerney; L. C. Dyer and Joe Dyer, pure bred Jerseys.

A total of twenty-five cows appear on the honor roll.

ATTEND SCOUT COURT OF HONOR IN PENDLETON

Scouts Kenneth Knerr and Paul Marble, and Scoutmaster Oscar Payne, accompanied by Scouts Robert Brownell and Louis Dexter, and Scoutmaster Devere Brown of Umatilla attended the district court of honor at Pendleton last Thursday, January 12.

Mr. R. R. Hayes, Scout Executive from Walla Walla, Wn., was present to make the awards of two Eagle badges. Twenty-one Scouts appeared before the court for merit badges and regular advancement. Most of those appearing before the court of honor were from the Pendleton troops 41, 42, and 47.

A Laugh Packed Mystery.

Edna May Oliver in the role of a country school teacher and James Gleason as a wise-cracking police inspector make a great combination for laughs in "The Penguin Pool Murder" which will be on the Oasis screen Sunday and Monday.

The story is built around the premeditated drowning of Gerald Parker in a museum's penguin pool. The fun gets under way when Gleason goes to work on the case and is aided and sometimes hindered by the quick talking schoolmar from Iowa, who was present in the museum at the time the crime was committed. To these two, the crime is baffling, a mystery of mysteries. The way in which they undertake its solution proves amusing as well as intriguing.

Short subjects on this bill include a "Chick" Sales comedy, "A Ship At The Switch" and the Fox News.

HERMISTON QUINTET DEFEATS STANFIELD 23 TO 19.

Interesting and Hard-fought Game Witnessed by Spectators Friday Night.

(From the "Bulldog")

Spectators witnessed a hard-fought and well played game of basketball between Stanfield and Hermiston, January 13, the Bulldogs winning by a margin of 23 to 19.

The game was interesting from the very start. Stanfield scored first. However, the Bulldogs led Stanfield at the end of the half 12 to 9. Scoring in the second half was about the same, Hermiston chalking up 11 and Stanfield 10 points.

Hermiston	Position	Stanfield
Hunt	RF	Hedrick
Pierson	LF	Fix
Bowman	C	Rhea
Martin	LG	Loughery
E. Pierce	RG	Atte'ary

Subs for Hermiston were: Benschel, Paul, Moore, Harris, and F. Reeves.

Old Friend "Technocracy"

Bobs Up in Ten-Word List

Los Angeles.—The "ten words in the English language having the greatest influence on American life" have been decided by delegates at the closing session of the National Association of Teachers of Speech conclave. The words follow:

EMPLOYMENT ("a most deperate word. Around it lies peace and war, progress and destruction").

FAITH ("when we think of that lost faith in democracy it is a tremendous word").

MOTHER ("the best word").

HOME ("peace and security").

HAPPINESS ("the American Constitution thinks pursuit of happiness is the greatest thing in life").

TECHNOCRACY ("a catchy, wild-fire word").

COMMUNISM ("charged with emotion").

RELIGION ("a strong word").

LOVE ("the greatest word in the world").

PATROTISM ("a word that many Americans do not understand").

ACHIEVEMENT DAY AWARDS MADE AT STANFIELD SAT.

L. J. Allen, state 4-H club leader, was present at an achievement day meeting in Stanfield last Saturday night, when awards were made to club leaders and members. Mr. Allen showed four reels of film, three of these showing club work under the title of "Partners," and one picturing the scenic spots of Niagara Falls.

Club leaders receiving pins include Mrs. F. A. Shelton, poultry; Mrs. J. M. Richards, home economics; and Stanley Green, pig, sheep, and cattle. Approximately fifty parents and club members were present to witness the presentation.

Attend Turkey Meeting.

A group of local men were invited to attend a turkey meeting in Pendleton Thursday night in the high school building, by Mr. Dewey, agricultural instructor in the schools. The meeting will be attended by H. M. Sommerer, J. Jendrzewski, Logan Todd, and others.

Estray Notice.

SENIOR CLASS TO PRESENT PLAY

MYSTERY & COMEDY COMBINED IN "SUICIDE SPECIALIST" Presentation to be Given at Oasis Theater February 3: See It For Yourself.

(From the "Bulldog")

The class of '33 will present a three-act comedy, "Suicide Specialist" at the Oasis theatre, Friday, February 3, under the direction of Miss Esther Sibert, class adviser.

In this three-act comedy, bubbling over with laughs, yet coupled with a feeling of mystery, Dr. Milton, just graduated from college, is trying hard to make both ends meet. He decides to become a specialist, and in an ad in the paper, he advertises himself as a "Suicide Specialist."

He guarantees to show one how to commit suicide in any of a number of ways—how "to do it with dispatch." Many patients respond to his ad, all of them wanting to commit suicide. After taking them to an estate, which is being used as his sanitarium, he instructs them in various methods. Each one picks out his method and at midnight of—But you'd better come and see what happens.

Remember, don't miss this clever, three-act farce comedy, chucked full of laughs with a touch of the ridiculous here and there.

Weather Report.

Date	Max.	Min.

January 17	32	3
January 18	25	2

Precipitation for the week was .04, which fell as snow. Weather remains blustery and cold.

1933 WORLD'S FAIR ON SOUND BASIS AS YEAR STARTS

EVERY FEATURE PLANNED WILL BE READY FOR OPENING.

Millions Spent On Construction On Sound Financial Basis; Opens June 1st, 1933.

CHICAGO, Jan. 18—When Chicago's 1933 World's Fair, "A Century of Progress," opens on June 1, every feature contemplated in the program announced two years ago will be ready.

Every building will be completed as scheduled.

Every major item of every exhibit will be in place.

This New Year message was issued by Exposition officials following a review of work accomplished during 1932 and a forward view of work still remaining to be done.

Millions Spent on Construction.

Approximately \$6,000,000 has already been spent on the Exposition's construction program—\$5,534,702.04 up to Dec. 1, the last accounting period, to be exact.

Exhibit space in Exposition buildings and special exhibit buildings costing a total of \$4,765,324.78 are under contract. More than 230 of the largest industrial organizations and groups of organizations will be exhibitors.

Contracts for the entertainment and amusement of visitors representing an investment of an additional \$4,300,000 have been signed.

The Federal government has appropriated \$1,000,000 for its building and exhibit. Forty-four states of the Union have taken official action in preparation for exhibiting. Sixteen foreign nations have officially accepted President Hoover's invitation and in fourteen other nations plans for participation are being actively pushed by official and semi-official groups.

Facilities For a Large City.

Last year's construction program was an epic in steel and concrete and the most extensive annual building program of any international exposition in history.

A year ago only three Exposition buildings were standing—the Administration building, old Fort Dearborn and the Travel and Transport building. The Hall of Science and a group of three buildings—Social Science Hall, Communications building and Electrical building—were being built on Northerly Island.

During 1932 every remaining important construction project was begun and many partly completed. An underground city of conduits and sewers was built—ten miles of water mains, ten miles of sanitary sewers, five miles of storm sewers, ten miles of conduits and utility cables—facilities for a city of 1,000,000 souls.

Work was started on a water pumping station, three sewage pumping stations and a central electrical sub-station to accommodate a population of Exposition visitors approximating the population of Detroit or St. Louis.

On Sound Financial Basis.

The Fair, solvent, had an undebted balance—cash and United States Treasury certificates—\$1,400,000.

There is every reason to feel, said Exposition officials, that the remainder of the program so successfully carried on in 1932 will be completed and that June 1, 1933, will see the opening of a Century of Progress complete from the largest building and the most impressive exhibit to the finest convenience and detail of service.

ALONG THE CONCRETE

Technocracy will be accepted this instant the technocrats conceive a way in which the millions of American housewives can clear the kitchen sink of dirty dishes without doing it by personal contact.

The "winter sports" opened in Hermiston Wednesday. The many entries competed in clearing the sidewalks of snow.

It is difficult to comprehend just why the state board of control is so named, considering the number of times it has been out of control of late.
