FARM BUREAU AUXILIARY MEMBERS TIE TWO QUILTS

At the regular meeting of the Farm Bureau Auxiliary in Columbia district February 3rd, a goodly number were present who enjoyed an all day meeting with a pot luck dinner at noon. During the afternoon the ladies finished two quilts.

A committee was appointed to investigate ways which might be used in making cash for park improvements. It was suggested that the Farm Bureau advance sufficient cash for this purpose after a program had been given at one of its regular meetings.

The next regular meeting will be held Friday, February 17, with entertainment carrying out the Valentine motif. Mrs. J. Jendrzejewski will have charge of the meeting, assisted by Mrs. Wm. Mikesell, and Mrs. A. Roberts.

6:30 P. M., Junior and senior Christian Endeavor.

7:30 P. M., Preaching service, Sermon, "Lincoln."

We wish that everyone assisting with the services would help keep every part of the Sunday service on time.

CHRISTIAN SCIENCE CHURCHES

"Spirit" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 5.

The Golden Text was, "God is a Spirit: and they that worship him must worship him in spirit and in truth" (John 4:24).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; neither is worshipped with men's hands" (Acts 17:24, 25).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "The starting-point of divine Science is that God, Spirit, is All-in-all, and that there is no other might nor Mind, — that God is Love, and therefore He is divine Principle. . . Spirit is not separate from God. Spirit is God" (pp.275, 192).

LOCAL LEGION POST CONDUCTS MEMBERSHIP DRIVE

During the month of February, the American Legion is conducting a nation-wide campaign for members, in which more than 10,650 posts of the organization are to participate in their local communities.

Hermiston Post No. 37 American Legion, will have a definite part in the big membership drive, and plans have been made to contact every veteran of the World War in this community, in an effort to enroll him in the Legion during the month of February, according to Commander Mudge, who is organizing the local Legionnaires for the campaign.

The American Legion is the most effective veteran organization in the world today, and the American veteran owes much to the Legion. The Legion has obtained for the veteran almost every piece of beneficial legislation he now enjoys, and the American Legion is making a valiant fight to retain the privileges and benefits accorded veterans at the present session of congress, where the national economy league is conducting a vigorous fight to destroy the program designed to aid disabled and sick American veterans.

Hermiston Post No. 37 is one of the outstanding organizations in his community, and carries on an extensive program of welfare work among local veterans and their families, is interested in numerous community enterprises, and is deserving of the full support of all veterans of the World War.

Elected Vice President. Oregon State College, Corvallis, Jan. 8.—Shirley Brownson of Hermiston, junior in home economics at Oregon State college, was recently elected vice-president of the junior class.

Miss Brownson is also a candidate for junior prom queen. The junior prom is an annual formal dance given by the junior class at which one girl reigns as queen. Nine girls, chosen for their beauty and popularity, are selected from the class by a committee, and three are elected from this group by the votes of the junior women. The queen is chosen from these three.
