BOY SCOUT TROOP RECEIVES HOOVER AWARD FOR 1932

(Continued from Page One)
the troop desires to express the sincere thanks for each of us, to the Hermiston Commercial club for sponsoring our troop and to the other organizations which have made it possible for us to carry on. To each organization there is a share of the honor in this president's award which rightly belongs to all of us, and we deem it a privilege to share it with you.

E. P. Dodd, toastmaster, next gave a short history of the present economic situation saying that there was a great field for the boy of today, if he would but harness these possibilities that lie in the future. The word-strategy, he said, would play a great part in organizing the forces for future prosperity which would be builded upon the foundation made in the training of Boy Scouts.

Four peppy stunts put on by the troop committee, and the three patrols added to the entertainment

during the evening.

The Blackfeet patrol was awarded first prize in the poster contest sponsored by the troop, and the Wolf patrol received second prize. Troop flag awards will be made later.
