

Before we lend any more money to Europe we should change the scales on the gold pieces to homing pigeons.—H. T. Harrison.

HERMISTON, OREGON
February 23, 1933

The Hermiston Herald

I have always made it a practice never to become so wedded to anything that I cannot give it up.—Vice-President Charles Curtis.

VOLUME XXVII NUMBER 26

HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, FEBRUARY 23, 1933

SUBSCRIPTION, \$2.00 PER YEAR

4-H ACHIEVEMENT AWARDS PRESENTED AT F. B. MEETING

ORGANIZATION REDUCE ANNUAL DUES TO \$1.00.

Miss Edna Turnblad Wins County Scholarship Award; Pins Given Members Completing Work.

Besides the regular business at the annual meeting of the Umatilla Project Farm Bureau membership last Thursday night, when the dues were reduced from \$2 to \$1, achievement awards were made to 4-H club boys and girls.

L. J. Allen, assistant club leader in Oregon, was present and gave an instructive talk. Garnet D. Best, assistant county agent, who made the pin awards in the boys' division, stated that 4-H club work had become firmly established in this district. About an equal number of boys and girls have been listed in the work taken up, he said, and prospects for the coming year appear to be bright.

Mrs. W. A. Hinesline, in charge of the home economics and sewing clubs presented the awards in that division.

Miss Edna Turnblad was winner of a county scholarship in competition with all other members in the county. This entitles her to attend the two weeks summer school short course at Corvallis. Miss Catherine McMullen was named as alternate.

Mary Ward received the agricultural club scholarship award to the O.S.C. summer school presented by the Farm Bureau with Bill Jackson as alternate; Dorcas Throop was awarded another scholarship presented by the same organization. Lois Hutchison was named as alternate.

Two of these awards are made each year by the Umatilla Project Farm Bureau to the outstanding boy and girl in 4-H club work. Members receiving these awards have shown very satisfactory records in their club work.

The list of members completing their work and receiving pins are as follows:

First year — Don Moore, Elbert Moore, Clinton Case, Ralph Marble, Harold Laird, Robert Jackson, Albert Skovbo, Levester Mulkins, Laurretta Mulkins, and Lester Flannigan.

Second year — Donald Serrell, Zelle French, James Jackson, Lois Hutchison, and Darrel Seeliger.

Third year — Fred Reeves.

Fourth year — Harold Throop, Paul Marble, Irene Attebury, Bill Jackson, Bernard Jendrzewski.

Any of these dates may be changed by mutual consent of the two teams.

NELLIE LUTZ ALLEN DIES IN PENDLETON TUESDAY.

Nellie Lutz Allen passed away Tuesday in Pendleton at the age of 24 years, 3 months, and 11 days, following a heart ailment extending over a period of a year. She was the daughter of Mr. and Mrs. C. L. Lutz who reside in Columbia district.

She was born at Holdman and has lived in and near Hermiston most of her life. Funeral services will be held Friday, February 24, at 2:00 P. M. from the Bomboy Funeral Home with interment in the Pendleton cemetery.

Besides her parents she is survived by the following brothers and sisters: C. L. Lutz, Jr., of Pendleton; Mrs. Ethel Montgomery of Umatilla; Mrs. Mable Tuttle, Mrs. Hazel Riley, Mrs. Minnie Lutz and Harold Lutz, of Hermiston; Mrs. Estelle Frederick, of Arlington, Wn. and Mrs. Lydia Maxwell of College Place, Wn.

"SWIFT DAY" MEETING AT KENNEWICK FEBRUARY 28.

Plans are well under way for the "Swift Day" meeting of farm folk to be held at the Liberty Theatre in Kennewick on Tuesday, February 28.

The meeting will be an all-day one, starting at 9:30 A. M. There will be speakers from the State College of Washington and the Yakima Valley Dairy Development League and films built around the dairy and produce industry. A. L. Ruth, manager of the Kennewick Swift plant, will preside.

A feature of the meeting will be an address on "How Advertising Works for Producers," by F. M. Simpson plans to bring out in department of the company. Mr. Simpson plans to bring out in detail how the farmer profits by advertising of farm products.

A two-reel talking picture, "Along the Road to Market," will be shown. This brings out interestingly how the farmer's butterfat, eggs, and poultry are grown, prepared for market, and then distributed nationally.

Luncheon will be served to the guests.

PIONEER RESIDENT OF STANFIELD DIES

Mrs. Sarah E. Ling of Stanfield passed away at her home Friday, February 17, at the age of 75 years. Mrs. Ling has been in poor health for several years.

She was born in Janesville, Wisconsin. She was married to M. R. Ling in Cresco, Iowa, and came to Stanfield in 1910, where she has resided since.

Besides her husband she leaves two daughters, Mrs. Cole of Lewiston, Idaho, and Mrs. Holt of Dallas, Texas.

Funeral services were held Monday, February 20, from the Presbyterian church with Rev. O. W. Payne officiating. Interment was in the Stanfield cemetery.

Firestone Tire Dealers Meet.

J. C. Pearson, proprietor of the Black & White Service station, went to La Grande Wednesday afternoon to attend a meeting of Firestone tire dealers from the eastern Oregon district that evening. Mr. Stevens, district advertising manager for the company, stopped in Hermiston late Tuesday night enroute to that city.

Attend Buttermaker's Convention.

M. G. Hedwall, manager of the Umatilla Cooperative Creamery, left Sunday for Corvallis where he attended the buttermaker's annual convention, which was in session Monday, Tuesday, and Wednesday. His brother Albert accompanied him as far as Portland. Mr. Hedwall planned to return Thursday (today).

Weather Report.

February 22	60	37

CARD OF THANKS.

We wish to express our thanks for the many acts of kindness shown us during our recent bereavement. Also for the many floral offerings. Mr. and Mrs. Jack Smith.

MORTGAGE RELIEF PROPOSED IN MEASURE OFFERED

SENATOR STEIWER MEMBER OF SUB-COMMITTEE

Bill Proposes \$500,000,000 be Made Available for Payment to Mortgage Holders.

Washington, February 21.—A bill (S-5639), designed to provide for loans or advances by the Reconstruction Finance Corporation for the purpose of securing postponement of foreclosures of certain mortgages for a period of two years, has been reported by the United States Senate Committee on Banking and Currency.

Senator Steiwer was an active member of the sub-committee which drafted this legislation. The measure is offered as a temporary and emergency measure to stem foreclosures on farm and city homes of a valuation of \$8,000 or less.

The bill proposes that \$500,000,000 be made available for payments to mortgage holders on behalf of delinquent debtors provided that mortgage holders agree not to foreclose over a period of two years, and to accept a reduction of interest rate to 4 per cent on total delinquencies. The loans would be made through the facilities of the Reconstruction Finance Corporation.

One hundred million dollars also would be made available to Federal Joint Stock Land Banks and to receivers of such banks where delinquent mortgages are held.

No loan would be made, according to the proposed legislation, unless the R. F. C. is satisfied that the mortgagee has first protected his mortgage rights by paying accrued delinquent taxes for the mortgagor and that the mortgagor, after exercising ordinary diligence to meet accrued interest and principal payments, has defaulted thereon over a period of six months.

Senator Steiwer has expressed his intention of urging early action on this measure in the Senate and because of the emergency character of the proposed legislation the House is expected to make special arrangements to enable action this session of the Congress.

Medical Hospital Notes.

Lorine Bladen of Boardman was dismissed from the hospital this week.

Roy L. Churchill of Irrigon was treated at the hospital Wednesday as an emergency case.

Miss Veronica McKenty of Haver, Montana, who is a graduate of the Sacred Heart hospital, is assisting with the nursing at the hospital.

HERALD WANT ADS PAY

FOUR MONTH OLD BABY DIES OF PNEUMONIA

Little Bonnie Ann Smith, four month old daughter of Mr. and Mrs. Jack Smith of Hermiston, died suddenly Friday morning, February 17. The baby's mother found her about three o'clock in the morning. The child was apparently fine about ten o'clock but an autopsy showed that the child had died of pneumonia.

Funeral services were held Sunday afternoon at 2:30 from the Frann Funeral Parlor, with Rev. O. W. Payne officiating. Burial took place in the Hermiston cemetery.

WOMEN PLAN TO AID ORPHANS IN HOME NEAR CORVALLIS.

The Women's Christian Temperance Union is planning on sending a box of clothing and necessities to the W. C. T. U. orphans home near Corvallis. This home was originally started by this organization but now receives an appropriation from the state. The ladies are asking friends to aid them in filling this box. The ladies are asking for bedspreads, sheets, pillow cases, towels, undergarments, pajamas, dresses that can be cut down, and suits for boys. Anything that can be made over is welcomed.

The next meeting will be held Thursday, March 9, at the home of Mrs. Floyd Knerr, and anything available for this purpose may be left at her home.

Woodward-Caldwell

Miss Lovie Caldwell of Umatilla became the bride of Mr. Robert Woodward Saturday, February 18, at Pasco, Washington. The young couple remained there for a few days before returning to Holdman where Mr. Woodward is employed as a mechanic. Mrs. Woodward is the daughter of Walter Caldwell of Umatilla and is a graduate of the Umatilla high school with the class of '23. Mr. Woodward is the son of A. J. Woodward who lives in Columbia district.

Morrow County Agent Injured.

Chas. Smith, county agent for Morrow county, stationed at Hepner, received injuries to his second and third fingers on his left hand Tuesday morning when the tongue on a trailer dropped under a heavy load, pinning his hand beneath. Mr. Smith was accompanied by Judge Campbell of Hepner, and the two were here on business. Both fingers were badly damaged and it was doubtful if the one could be saved. Mr. Smith returned home that evening.

Marriage License Issued.

A marriage license has been issued at the office of the county clerk to Charles C. Duvall and Elsie LaVina Reeder, both of Hermiston. They are to be married by Rev. W. E. Jones at Hermiston next Sunday.—East Oregonian.

HOUSE PASSES OLD AGE PENSION BILL BY TUESDAY'S VOTE

MEASURE PUT THROUGH BY 34-TO-23 VOTE.

Bill Said to Do Away With Poor Farms in Allowing \$30 a Month to Dependents.

(From The Oregonian.) STATE HOUSE, Salem, Or., Feb. 21.—(Special)—The old-age pension bill, which has met with discouragement at previous sessions, passed the house of representatives today by a vote of 34 to 23, with three members excused. It was the fourth bill that the house had passed in the past two days. The bill provides that an applicant for a pension must be 65 years of age or more; have been a resident of the United States 15 years and a resident of Oregon for ten years. The pension is \$30 a month.

Speakers said that 24 states have adopted the old-age pension system as a substitute for poor farms, and not one state which has the pension system has abandoned it. Oregon, it was said, is the only state on the coast which has not abolished the poor farm.

Strong opposition was registered against the bill, principally on the ground that it is a dole and that the times are not right to launch such an undertaking. Representative McPhillips opposed it as not economical and against public policy. Representative Paget declared the pension system cannot be afforded now and he sought to send the bill to the ways and means committee. As nothing would be gained by such reference, the house decided to fight it out on the floor and settle the question without further procrastination.

Cladys Swarner Awarded Letter.

Oregon State College, Corvallis, Feb. 21.—Cladys Swarner of Hermiston, sophomore in education at Oregon State college, was one of the 13 women students recently awarded minor "O" letters by the Women's Athletic association.

Points are given for the various athletic activities in which the students participate, and 500 points are necessary to win the minor "O" award.

Pierce to Washington, D.C.

Mr. and Mrs. Walter M. Pierce, who were guests of Mr. and Mrs. Sanford Alder over the week end, left Sunday morning on the Portland Rose for Washington, D.C. Mr. Pierce, who is representative-elect from the second congressional district, and Mrs. Pierce will attend the inauguration ceremony in Washington March 4.—Baker Democrat-Herald.

TRIPLE-HEADER TO BE PLAYED FOR FOOTBALL BENEFIT.

Hermiston basketball fans will witness a triple-header at the local auditorium as a climax to the basketball season when the Hermiston women's town team plays the Stanfield women in conjunction with a game between the local eighth grade and Bulldog third team and a game between the Black Hawks and the Bulldogs Saturday night, February 25.

Admission to the affair will be twenty-five cents, the proceeds going to the high school fund to finance football next year. The schedule of the games has been so arranged that play will be continuous, thus eliminating the ten minute half-time rest periods. The games will begin at 7:00 o'clock sharp in order to provide sufficient time for the three games.

SIXTY-MILE PER CENT OF FUNDS EXPENDED FOR ROADS.

More than 60 per cent of all funds expended and obligated by the U. S. department of agriculture during the fiscal year 1932 went for roads, according to the secretary's annual report, copy of which has been received by the regional forester, Portland, Oregon.

Total sum expended and obligated was \$306,400,098, the report reveals. Of this sum \$212,421,775, or 69 per cent was for roads; \$67,131,029, or 21.91 per cent, was for the ordinary work of the department, and \$26,847,294, or 8.76 per cent, went for emergency relief loans and to payments to states for such work as cooperative forest-fire prevention, agricultural extension, state experiment stations and the like, it is said.

MUCH BUNK SPREAD ABOUT MINERAL NEEDS OF STOCK.

What about the much-discussed need of mineral supplements to the dairy, poultry or other livestock ration?

In answering this question Dr. J. R. Haag, nutrition chemist at the Oregon Experiment station, warns at once that mineral feeds are not substitutes for careful feeding practices, nor can they be intelligently added to the ration by the shot-gun method of giving the animals some highly touted commercial mixture of uncertain content.

Dr. Haag has been devoting careful research to the question of mineral supplements to various feeds and has formulated the following brief guiding principles in regard to them:

1. Make sure that the ration has been carefully chosen with respect to its mineral content as well as with respect to other nutrients. It may be found, for example, that the extra phosphorus needed can be supplied most economically by such a product as wheat bran.

2. Farm animals need access to common salt even though some is added to the grain mixture.

3. In goiterous regions iodine needs may be met by feeding small quantities of potassium iodine once a week, particularly to pregnant cows, sheep and hogs. One tablespoon full of a solution made of three ounces of potassium iodine to a gallon of water will do.

4. When lime only is deficient, limestones will prove an economical supplement.

5. If the ration is likely to be deficient in calcium or phosphorus, one or two pounds of sterilized bone meal may be added to each 100 lbs. of grain mixture.

6. It is good practice in regions where farm animals show a craving for bones, sticks and dirt to allow free access to sterilized bone meal. Under such circumstances cows will probably consume less than 50 lbs. a year unless the deficiency is acute.

7. The use of mixtures containing large amount of limestone, oyster shell, or calcium carbonate is best confined to those sections where calcium is likely to be a major deficiency. Such mixtures are usually of little value in regions where alfalfa hay or other legumes are fed in liberal quantities.

A land terrapin on which Charles Noel carved his initials in 1861 has made its second appearance in Greensburg, Pa., in the past 71 years.

BULLDOGS END SCHEDULE BY BEATING STANFIELD

UMATILLA TEAM LEADS UPPER COLUMBIA LEAGUE.

Black Hawks Make First Win From Stanfield 33-19; Final Game Played Saturday.

League Standing.

Team	W	L	Per
Umatilla	6	1	.857
Boardman	5	2	.715
Irrigon	4	4	.500
Hermiston	1	5	.161
Stanfield	1	5	.161

The Hermiston HI Bulldogs completed their season's schedule with a win over Stanfield on the local floor Friday night by a 32-18 score. The Bulldogs began scoring early in the first quarter and had by the half built up a 16-2 score. In the second half Stanfield made a determined but futile attempt to overcome the Bulldog lead and scored 16 points to equal the Bulldog offense for the same half.

Of the twelve games played the Bulldogs won four and lost eight. Although the Bulldogs lost the majority of their games they have had losses were by one point margins. The Bulldogs total score against their opponents in the twelve games was 217 while they had 233 points scored against them. The Hermiston team is now preparing for the sub-district tournament which will be held at Hepner March 3 and 4, where they hope to make a good showing.

The Hermiston Black Hawks broke into the win column for the first time in the Upper Columbia League pennant race last Friday night when the locals defeated Stanfield on the local floor 33-19. Accurate scoring of Henning, Hamman and Roberts, and good passing gave the Black Hawks an offense which Stanfield could not stop.

The Umatilla town team continues to hold first place in the league having won the game played here with Hermiston last Tuesday night by a 51-19 score. The Umatilla boosters were at top form and scored at will while the locals had difficulty in finding the rim. Tonight (Thursday) the Black Hawks play what will probably be their last league game against Umatilla at Umatilla. No return game with Stanfield has yet been scheduled.

Girls Defeat Umatilla.

Tuesday evening the local ladies' town team administered a snappy defeat to the Umatilla sextet on the local floor winning by a 14-10 score. This is the second time the locals have defeated Umatilla, and they are hoping to keep their record clear in the game which they will play against Stanfield here Saturday night.

Hospital Under New Management.

The Hermiston Medical hospital is now under the management of Mrs. Chas. Jenkins with Miss Doris Gillander and Miss Veronica McKenty, graduate nurses in charge. Miss Gillander's home is in Stanfield, and Miss McKenty is a sister-in-law of Mrs. Beatrice McKenty, former nurse in charge at the hospital.

ALONG THE CONCRETE

If the members of congress would concentrate as closely on the affairs of state as are the addicts of the Jig-Law puzzle craze, the depression would soon be over.

Those who seem to favor President-elect Roosevelt as a dictator, think of him as dictating to someone else.

From all the evidence at the town team basketball game Tuesday, the second team needs to eat more spinach. One team needs building up.

When you see three in a row along the main street, its a sure sign that spring has turned the corner. Prosperity can't be far behind.

Even the family shiver at the thought of asking to ride in Joe Reeve's new Ford V-8.

There are a lot of old "clunks" back on the highway now for two-and-a-half.

The Last Obstacle
