(Continued from Page One)
Fifth year — Mary Ward, Dorcas Throop, Glenn Pierson.
Eighth year — Clement Stockard.
Election Officers Postponed.
The election of officers for the coming year in the Farm Bureau organization was postponed due to lack of time at this meeting. Several reports were given by project leaders, among whom was L. C. Dyer, project dairy leader. Mr. Dyer's report stated that there had been a slight increase in dairy cattle and heifers over the project during the past year, with 1500 listed last year, and 1550 this year.
Mr. Dyer continued by saying that the Umatilla Herd Improvement association had a lot to do with enabling farmers to weed out the poorer dairy cows.
Before the meeting came to a close the membership voted \$15 toward Columbia park improvements.

MARCH 15 TENTATIVE DATE SET FOR DEBATE TOURNNEY.

(From The Bulldog)
March 15 is the tentative date set for the county debate tournament to be held at Pendleton. Teams will be eliminated in the same manner as last year. By this method the winning team continues debating winners on other teams until the finals are reached.
Don Serell and Mary Ward, affirmative; and Ed Benschel and Margaret Felthouse, negative, are members of the team that will represent Hermiston at the tournament. Much progress is being made by both teams under the able coaching of Mr. Harger and Mr. A. E. Benschel.
Three of this year's team will graduate this year, leaving no one but new and inexperienced students to work with next year. For that reason Mr. Harger plans to schedule several inter-class debates, and in this way give lower classmen some practical experience.
