SUBSCRIPTION, \$2.00 PER YEAR

HERMISTON BANK GRANTED OFFICIAL LICENSE WEDNESDAY

LOCAL BANK DOING BUSINESS AS BEFORE NATIONAL HOLIDAY.

Total of 144 Active Banks in Oregon Now Doing Business; Much Gold Returned.

The First National Bank of Hermiston received its license from the Secretary of State at Washington, D. C., Wednesday morning by wire and officially opened for business, according to F. B. Swayze, president. The local bank has been operating on a limited basis since President Roosevelt declared a national banking holiday more than a week ago.

The local bank is one of a total of 144 banks in Oregon, of which 144 are active, to open for business Wednesday operating either on a 100 per cent unlimited or restricted basis. Such banks which have been officially opened are doing business the same as they were before the national bank holiday was declared.

According to A. A. Schramm, state superintendent of banks, the state boasts of 80 active state banks and 64 active national banks. In addition there are five non-active.

Millions of dollars in gold have been returned to banks by holders since the president demanded a return of all gold to banks, and restricted the discharge of any debt contracting payment in gold.

FOUR UMATILLA APPLICANTS FILED AT TRAINING CAMP.

Vancouver Barracks, Wa., Mar. 13th (Special) indicating another capacity attendance, more than 600 applications were already on file here this week for the 1933 Citizens' Military Training Camp to be held at this post beginning June 23, it was announced today, and among them are 4 from Umatilla county. An enrollment campaign now is under way.

The camp, which will run for four weeks, is free to able-bodied young men between the ages of 17 and about 24, who are recommended by their pastors, school teachers, city or county officials, or reserve, national guard or regular army officers in their communities. Applicants may communicate directly with C. M. T. C. headquarters at Vancouver Barracks, or with enrollment committee members in their counties.

Prompt action on the part of any prospective applicants in Umatilla county who have not yet sought admission was advised today, for the response has been hearty over the camp area as a whole so far, and late applicants may get caught in the rush at the end of the enrollment period. The quota is 590 as in 1932, but due to the fact that a few counties each year send in far more applications than their quotas permit, and also due to the fact that scores of applicants annually fail to qualify for various reasons, there is still room for candidates even though some 600 requests are on file. Last year more than 1300 applications were received.

COLLEGE GIRLS FIND WORK HAS DEFINITE ADVANTAGES.

College girls forced by financial reasons to work to remain in school need not consider this entirely a misfortune, judging from the replies of close to 100 women students and graduates of Oregon State college who replied to questions as to how they look upon their experiences with self-help.

Advantages gained by working, as given in the replies, include that it gives appreciation of education, prepares for later life, teaches value of money, gives self-reliance and experience, promotes initiative and brings about a democratic spirit. Disadvantages were mostly in necessary curtailment of social or extracurricular activities, and difficulties with study schedules.

Housework led in the kind of employment, though many girls did office, laboratory, stockroom and tea room work, or cared for children. This year more than twice as many co-eds are filling regular positions than were employed last year.

STANFIELD PIONEER RESIDENT PASSES AWAY IN PORTLAND

STANFIELD, Or., March 14 (Special)—Harry Rees, 58, pioneer resident of the Stanfield district, passed away Friday, March 10, in Portland at the home of his sister, Mrs. R. H. Irwin. For the past three years Mr. Rees has suffered from heart disease, which was the immediate cause of his death.

He was born in Des Moines, Iowa, and in his young manhood located in Salt Lake City, Utah. About 34 years ago he came to Pendleton when employed by the railroad company as an express messenger. It was there that he met and married Evelyn Starkweather. While in Pendleton Mr. Rees for several years operated a wholesale grocery business and was also assistant post master.

Surviving him are his widow; two sons, William of Portland, and David of Medford; two sisters, Mrs. R. H. Irwin of Portland and Mrs. Charlotte Burt of Phoenix, Arizona; and two brothers in Arizona.

Funeral services were held Monday from the Portland crematorium.

DECLAMATORY CONTEST STAGED AT P. T. A. MEET

The regular meeting of the Parent-Teachers association was held Wednesday night in the high school auditorium with a goodly number present. Following the program the president, Mrs. B. J. Nation, appointed a nominating committee consisting of Mrs. H. A. Pankow, chairman, Mrs. M. L. Watson, and Mrs. Ralph Shafer.

Eight speakers from the grades gave readings in declamatory tryouts which were all delivered in a splendid way. Speakers included Margaret Clarke and Rosemary Serrell, eighth grade; Stewart Rankin and Helen Ralph, seventh grade; Clinton Case and Ruth Pierson, sixth grade; Janice Matott and Kenneth Benth, fifth grade.

Mrs. Ruth Hinesgardner, county nurse, gave a talk on "Juvenile Delinquency," which was followed by a chorus number from members of the fifth and seventh grades.

MRS. MARY R. MOORE.

Mrs. Mary R. Moore, 56, who has lived in Hermiston since last October, died here Saturday night, March 11.

Mrs. Moore was born near Sioux City, Iowa, June 19, 1878, the daughter of Andrew and Ellen Ryan. In 1883 she moved with her family to Baker, Oregon. Her husband Arthur J. Moore, died in 1907, and since that time Mrs. Moore has been the proprietor of a general store in Long Creek, Oregon.

She is survived by four brothers, M. L. Ryan of Weiser, Idaho, Dan and William Ryan of Fox, and John Ryan. There are three children, Blanche of New York, Mrs. Letha French of Long Creek, and Lloyd of Hermiston.

Places Second in Speech Contest.

Oregon State College, Corvallis, March 14.—Walther Ott of Hermiston, junior in agriculture at Oregon State college, recently won second place in a speech contest with his talk, "There's Always a Job for the Best".

The contest is held at the end of each term for students in public speaking, and is sponsored by Delta Sigma Rho, national honor society in forensics.

Railroad Section Foreman Cut.

Information was received by Geo. Sale Wednesday that the position of section foreman at Hermiston and Stanfield would be eliminated, effective March 19. Mr. Sale at Hermiston, and Chas. Connor at Stanfield have the rights for another position but their plans have not been announced. Men working under these former will probably be shifted to the crews at Echo, Westland, or Umatilla.

Miss Brownson Honored.

Oregon State College, Corvallis, March 14.—Shirley Brownson of Hermiston, junior in education at Oregon State college, was recently initiated into Phi Chi Theta, national professional society for junior and senior women specializing in commerce.

The purpose of the organization is to foster high ideals and cooperation among women commerce students.

HERMISTON HERALD FAMILY OF READERS MORE THAN DOUBLED

COOPERATIVE MOVE BRINGS HERALD INTO NEW HOMES.

First Issue to Reach Majority Residents on All Routes Next Week; Special Announcement Later.

Beginning next week the Hermiston Herald will reach every farmer residing in the various districts at Boardman, Irrigon, Umatilla, Stanfield, and Hermiston as bona fide subscribers. Every resident on route one and eighty per cent of those living on route two will receive the Herald as a weekly visitor in their home, carrying news of the happenings in every locality in the west end of Umatilla county.

The Herald subscription list has been more than doubled, not by a subscription contest or drive for new subscribers, but by a cooperative move that brings the local paper to almost every farmer within a radius of fifty miles from Hermiston.

A special page will carry a message to members of farm cooperatives and to grange members direct from the heads of these organizations. In addition to this the Herald carries news notes of interest from every locality served by Hermiston. Special values will be found in advertisements appearing in next week's issue along with a special invitation from merchants to the new members of the Herald family to visit their places of business. Watch for the big announcement in next week's issue.

WOMEN OF W.C.T.U. ASK FOR FURTHER DONATIONS.

The Women's Christian Temperance Union will have an all-day meeting Thursday, March 23, at the home of Mrs. Floyd Knerr with a hot-luck dinner at noon. They will sew and make over donated clothing for the children's home near Corvallis. The ladies wish to thank all those who have donated honey comb spreads, blankets and the many other articles for the home, but more articles are needed to fill the box now being made up of necessities needed in such an institution.

Articles of clothing that can be made over for smaller children are asked for and will be re-made by the women at their meeting Thursday.

Visit Echo Lodge.

A group of Hermiston Masons visited the Echo order and witnessed a degree team put on the work Tuesday night of this week. They were Curtis Simon, Dave Mittleldorf, and H. E. Shesely.

SCHOOL NOTES

The high school student body will present the play "Yimmie Yonson's Yob," in the Oasis theatre Thursday, March 30, starting at 8:00 p.m. The cast will consist of characters selected mostly from the freshman and sophomore classes, and is directed by Miss Margaret Elliott. The cast includes: Harold Throop, Clark Paul, Jack Dawson, George Sale, Bruce Follett, Sylvia Shutter, Ruth Dodd, Edna Turnblad, Neva Richards, and Dorcas Throop.

The athletic field has been the scene of baseball, track, and tennis tryouts, since the close of the basketball season. The grade school track team is under the direction of Clarence Honning, assisted by Miss Inger Belling, who has charge of the girls' team, which will participate in the district grade school meet held heretofore in April.

Both high school and grade school pupils and teachers were given a treat two Monday's in succession when Thos. Campbell, assisted by H. T. Fraser, sorted out ten boxes of apples and brought them to school to be distributed. Teachers as well as students enjoyed the apples and all expressed their appreciation.

A series of school exhibits will be shown March 24th by pupils in the 6th, 7th, and 8th grades. These exhibits will display work done by the students during the year and all parents are cordially asked to view their handiwork. Another exhibit will be shown by the fourth grade April 7th, and the first three grades will follow with an exhibit April 21st. The displays heretofore have proven very interesting and parents are invited to view them.

The teachers and pupils in the school are making some study of trees, and tree planting, preparatory to the clean-up campaign which will be staged by the city some time in April.

Benefit Card Party.

The American Legion Auxiliary will give a benefit card party in the basement of the library Thursday, March 23, starting at 8:00 o'clock. The party is in the form of an immigration party and the guests are asked to come dressed as aliens if they desire, although it is not compulsory. Admission is twenty-five cents.

Former Resident Dies.

Word has been received here that Frank Auscon, proprietor of a La Grande barber shop, died of heart disease Monday morning, March 13, while at work in his shop. Mr. Auscon came to Hermiston in 1918 where he bought a farm north of town from C. S. McNaught. He soon put in a barber shop in the same location that Wm. Shaar now occupies, which he operated with Frank Thomas.

COMMERCIAL CLUB WILL BACK TREE PLANTING CAMPAIGN

COMMITTEE RECOMMENDS APRIL 7 AS CLEAN-UP DAY.

Trees May be Obtained at \$2.50 Per Thousand; Concession Will Be Seen in Action.

After hearing the report of the tree planting committee at the regular meeting of the Hermiston Commercial club Tuesday noon, the club hopes to be instrumental in persuading many citizens of this project to plant trees this spring. The committee consists of R. H. McAtee, H. T. Fraser, and H. A. Pankow. The club further backed up this program by authorizing the committee to purchase up to two thousand trees at \$2.50 per thousand to be distributed among residents who had left orders for trees with the committee, together with cost of postage.

It was pointed out at the meeting that trees best adapted to this region are Black Locust, Green Ash, Western Yellow Pine, Scotch Pine, and Russian Mulberry.

"For wood lot planting," the committee further recommended, "trees should be set about eight feet apart. This requires about 680 trees to the acre. The commercial club will order these for anyone who will pay the cost of \$2.50 per thousand. If each farm owner would plant one acre to trees, in a few years he would have wood, posts, a wonderful protection from the wind, and a beautiful shady grove."

The commercial club will furnish ornamental trees free to those who will plant them in cases where only a few are needed. Also, it is understood, that persons wanting large-size Locust trees to set out for shade trees, may apply to H. A. Pankow to obtain information as to where they may be obtained for the digging.

It was further pointed out by the committee that "every citizen of Hermiston and the surrounding country would benefit by beginning now to make a study of trees. Plan where a few can be planted to break the barrenness. Such a move will help rouse the depression by beautifying home premises."

A recommendation to the effect that Friday, April 7, be set aside as general clean-up and tree planting day was made by the committee. Action will be taken in this matter at the regular night meeting of the club Tuesday, March 28, president Dodd announced before the meeting was adjourned.

Orders for trees may be left with H. T. Fraser at the Oregon Hardware & Implement Co.

WONDERS OF WORLD'S FAIR PORTRAYED IN U. P. BOOKLET.

Wonders of the Chicago World's Fair are vividly portrayed by word and picture in a beautifully illustrated booklet in color just issued by the Union Pacific System. Copies of the booklet may be obtained by addressing the General Passenger Agent, Union Pacific System, Pittock Block, Portland, Oregon.

Interesting details of the world's great show place for 1933 are described—the Maya Temple; the Golden Pavilion of Jehol; the Enchanted Island; the Agricultural building, with its modern architectural design resembling a battleship; the Transportation building, whose walls re-echo the human voice fifty times; and many other outstanding features of the big fair.

HIGH SCHOOL WINS SECOND PLACE IN DEBATE; PENDLETON

LOCALS LOSE IN FIRST ROUND BY ONE POINT.

Both Affirmative and Negative Win Over Opponents Two to One in Second Round.

The Hermiston Union high school debate teams won second place in the quadrangular debates held in Pendleton Saturday afternoon. Pendleton high school team was declared winner with eight points while the Hermiston McLaughlin high school tied for second place with six points each. Condon, which was eliminated in the first round, was given one vote.

Margaret Felthouse and Ed Benschel upheld the affirmative and Mary Ward and Donald Serrell the negative in the question for debate "Resolved, that at least fifty per cent of the state and local revenue should be secured by means other than the general property tax." Henry Harger, high school teacher in charge of debate, was assisted in training of speakers and collecting of material by A. E. Hensel.

In the first debate Pendleton negative scored two points to the Hermiston one. The teams were Pendleton affirmative, Frank Nash and Rose Westersund; Hermiston negative, Mary Ward and Donald Serrell. Judges for the first debate were Edward Bloom, R. E. Jones, and George Mabey.

Pendleton's negative scored three votes to the Hermiston none in the second. Donald Serrell and Mary Ward represented Hermiston, while Zane Kemler and Marian Johnson comprised the Pendleton team. L. Cooper, Wm. W. Kelly, and Wm. Bloom, judged this debate.

The Mac-Hi negative scored two to the Condon one in the third, Ed Benschel and Margaret Felthouse represented the winners, while Howard Cherry and Rita Grant were members of the losers. Judges were Dean Lobaugh, Alfred Cunha and Florence Sweet.

In the fourth debate Condon's affirmative lost to the Mac-Hi negative three to nothing. Teams were: Condon, Madge Marshall and Jean Parman; Mac-Hi, Hulda Battor and Richard Reith. Judges were Helen McCune, Abby Adams, and A. C. McIntyre.

In the second round composed of only the teams which won at least one debate, Pendleton affirmative won two to one. Ira Woodie, Wm. W. Kelly, and Wm. Bloom were judges. The Hermiston affirmative won from the Mac-Hi negative two to one. Judges were Dean Nichols, Alfred Cunha and Abby Adams. The Mac-Hi affirmative lost two to one to the Pendleton negative. Judges were Edward Bloom, R. E. Jones, and George Mabey.

Co-op. Board Reorganized.

The board of directors for the Farm Bureau Co-operative was reorganized at its last meeting when H. J. Ott was elected president; I. P. Sullivan, vice president; and J. M. Richards, secretary.

ALONG THE CONCRETE

"Dad" Garner was being chivalrous when he met one of his lady acquaintances in the bank yesterday and doffed his hat, and bowed. But all of no avail—the effect was lost when a large wasp flew out of the crown of his hat and ascended to higher and warmer regions. We are sure now that "Dad" has a "sore head" because his cousin from Texas was not elected to the presidency instead of to the office of vice president of the United States.

A. F. Rohman says that when he gets to be President he is going to declare bigger and better bank holidays.

The states may be left with the congressional "prohibition baby" on their doorstep. Prof. Ivor Griffith says that "since women are affecting the wrinkled fedora and the streamline trousers, the only monopolistic symbol of masculinity left for mere man to display will be a bigger and better beard."
