COMMERCIAL CLUBS MAY ORGANIZE IN COUNTY GROUP

STANFIELD CLUB PROPOSES PLAN AT RECENT MEETING.

Representatives at Meeting Adopt Name; Second Gathering at Stanfield, June 6th.

A Umatilla-Morrow Development association was formed at a meeting held in Umatilla Monday night, May 29th, with by-laws and constitution adopted. Approximately twenty people represented Irrigon, Umatilla, Hermiston, Stanfield, and Echo communities.

Election of officers was postponed because of the fact that the Hermiston and Boardman Commercial clubs were not officially represented at this meeting. Another meeting is scheduled to be held at Stanfield Tuesday, June 6th, in the Odd Fellows hall.

This meeting was an outgrowth of a proposed organization of commercial clubs from the communities in the west end of Umatilla county and north Morrow county, for the purpose of furthering and promoting the general welfare of this section of eastern Oregon, represented by these clubs. The plan was proposed by Lloyd Russell of Stanfield Commercial club who was elected temporary chairman at this meeting. R. F. Williams of Irrigon was elected secretary pro-tem.

The constitution and by-laws adopted at this meeting were formerly drawn up by the Stanfield group and presented to the membership of the Hermiston club by representatives from Boardman, Irrigon, Umatilla, and Echo at the local club's last regular meeting.

Representatives present voted to adopt the name "Umatilla-Morrow Development" association which will be officially voted upon at the next scheduled meeting when all community clubs will be officially represented.

HELEN HAYS ACCLAIMED IN LEADING ROLE

Ernest Hemingway wrote "A Farewell to Arms" for adult readers who could stand strong language and strong emotions. Paramount's film dramatization of the story, seen recently in preview and opening at the Oasis theatre Friday and Saturday, retains the strength and realism of the novel. The language of the book has been softened, or rather the ribald words deleted and their duty transferred to the camera. But the picture remains adult—nothing for the children, but for mature and informed playgoers one of the most robustly romantic, tenderly tearful and powerfully poignant film plays of the season.

Helen Hays, than whom there is no better actress on the screen, gives her all to the role of Catherine Berkley, the English nurse of the story.

Gary Cooper, as Hemingway's "Frederic Henry" is eminently satisfactory. His performance matches Miss Hayes' in sincerity. His is a simpler character, well within the scope of his ability.

The film builds powerfully and inevitably to a tragic finale of sculptural beauty in which the hero, having cast aside honor and fought through the barriers of war, finds his child still-born and his mate dying, and holds the dead girl-mother in his arms to face the dawn of a peace that has come too late.

SELECTED AS MANAGER OF ALBANY COLLEGE PUBLICATION

Ernest Cox, son of Mr. and Mrs. I. Cox of Hermiston, was chosen as business manager of the "Orange Peel" student newspaper at Albany college for next year, at a recent student executive council meeting. Harold Dishaw was re-elected to serve as editor of the publication. Laura Margaret Smith of Albany will edit the college yearbook, the "Corsair," and Sam Bikman, also of Albany, will be manager.

Ernest will remain at Albany and attend summer school but his brother Bob, who is also a student there, returned home Sunday.

FAIR BOARD HOLDS FIRST MEETING TO OUTLINE WORK

Members of the board of directors for the Umatilla Project Fair held a meeting Monday night in the office of Assistant County Agent Best to discuss plans for the fair which will be held September 15th and 16th. In former years the fair has been held in October because of the lateness of the state fair, but this year both are being held earlier.

Many club show features will be displayed again this year, an outline of plans show. The fair will be financed locally and a committee is now investigating every possible feature in cutting operating expense. The Umatilla Project Farm Bureau has pledged its support and given its board of directors power to act when necessary.

Officers are the same as last year with the exception of one. They are: R. C. Todd, president, Harry Kelley, secretary-treasurer, J. Jendrzewski, Chester Flannigan (new), L. C. Dyer, Chas. Lynch, Roy Attebury, and Lyle Tilden. Garnet D. Best was appointed publicity chairman.

Mr. Seymour advises. He continues by saying that "all baggage will be handled just the same as before, bringing this as hand baggage, having it properly tagged and placed in one pile; it will then be transferred to the Southern Pacific train and to the buses."

The group will arrive in Corvallis at 1:00 A. M. Monday, which is a better schedule than for an all night trip on the train. An unusually fine program has been outlined for the delegates attending the summer school this year and much interest and anticipation is being shown by those who will attend.

SALE OF WOOL FLEECE CIRCULATES MUCH CASH

During the past ten days there has been a sale of approximately 25,000 pounds of wool fleece made by growers at Irrigon, Boardman, Stanfield, Hermiston and the Butter Creek district. Around \$5000 has been paid to not more than 25 growers in this district who received from 17 1/2 cents to 20 cents for cross-breed wool. Most of this wool was from small independently owned flocks who were not tied up with any government or cooperative marketing agencies.

At the time the sales were made the western market was much higher than the Boston market.

STORY OF NEW DEAL TOLD IN PRODUCTION

What was the new deal? Many who listened to candidate Franklin D. Roosevelt's campaign speeches wondered what this new deal really was. A month in office has disclosed many of its points. "The Fighting President," at the Oasis theatre Sunday and Monday, reveals many more of them. It reveals far more than that. It reveals the spirit and background of the man who initiated this new deal. "It is well worth seeing."

DRIVERS LICENSE EXAMINERS TO VISIT HERMISTON JUNE 7

STATE DEPARTMENT WILL SEND STAFF OF EXAMINERS.

June 9th Dead-Line for Obtaining Drivers' Licenses at Half of Original Price.

Information has been received here from Secretary of State Hal E. Hoss, that a staff of examiners from the state department will be on duty in Hermiston on June 7th from 10:00 A. M. to 5:00 P. M. to receive applications for licenses to drive. A state officer in Hermiston today stated that no examinations will be given in the City of Umatilla.

Drivers' licenses will sell for exactly twice the present price after June 9, the fee having been raised to one dollar under the new law which will become effective at that time. People who live in town are advised to be at the place for examination as early as possible to allow time for those who come from the country later in the day. The office of examination will be established in the city library.

The new Oregon motor vehicle law provides that all drivers' licenses issued prior to July 1, 1931, must expire on September 1, and every two years thereafter, beginning on June 30, 1935. This means that every operator carrying one of the old-type licenses must have it renewed before September and because there are some 400,000 drivers affected by the law, the department will be flooded with applications as the dead-line approaches.

Persons desiring to renew their operator's cards next Wednesday should obtain an Oregon Motorist's Manual from the Herald office, state police, county sheriff's office, or chief of police in order to be prepared for the examination. No one should attempt to take the examination without first having carefully studied the information contained in the manual, Secretary Hoss advises.

BASEBALL PLAYERS RENEW TRADITIONAL RIVALRY TUESDAY

FICTITIOUS NAMES ADOPTED BY OPPOSING TEAMS.

Words Fly Between Umpire and Player in Dispute; "Youngsters" Win Over "Old Timers".

Hermiston fans witnessed their first real baseball game Tuesday, May 30th, when the Old Timers tried to show the young sprouts how it was done. The score was 9-4 in favor of the youngsters.

Manny Woodward took the mound for the youngsters and old "Slippery Elm" Phelps for the old fellows in the first inning. Bob Woodward caught for the youngsters and "You-Tell-Em" Longhorn for the old guys.

The game was filled with thrills with Phelps, R. Woodward, and Middlesdorf slapping the horsehide for four rompers. It was the first time this season that the Hermiston fans have been able to see such an extra good game of extra good players, such as "What-A-Man" Durfee, one-time big league ball player, the Todd brothers, ye old grocery clerk, Roy Thomas, and also the big husky, tough-talking, ball playing from Hinkle, on second base for the grandfathers.

The old guys were too much for the youngsters as Manny Woodward was batted out of the box in the fourth inning. Walt J., Gimble, R. Shafer, G. Pierce, and R. Woodward followed him in rapid succession, only able to stay in the box for one inning apiece, against those hard-hitters from the superior leaguers.

Things began to tame down in the sixth inning when Dave Middlesdorf, one of the youngsters, slapped out a nice little hit and started out third base line. He made second, out when he tried to steal first he was caught in a hot-box. After a little maneuvering on his part and a few fumbles on the part of the old timers, he made first base. As he was completely fagged, he sat down on the bag and called for a runner. The umpire ruled he should have no runner as he ran the wrong way. He also told him that it wasn't fair to run that way but they would not call him out if he would run back around to home again. All to the embarrassment of "Big League" Middlesdorf.

Then something happened that showed the good sportsmanship and good will of the old leaguers. When Pierce bunted about half way to third, Logan Todd on third, assisted by a few of his players, tried to put the ball out of bounds and call it a foul ball when the umpire wasn't looking. In the meantime, Pierce ran around to third while they were arguing about the ball. The umpire ruled it inside and Pierce was chalked with a 3-base hit.

The line-ups were as follows:
B. Woodward * C. Longhorn
M. Woodward P Phelps
G. Pierce 1st J. Todd
Kopacz 2nd "S" Matott
R. Woodward 3rd L. Todd
Middlesdorf S J. Durfee
R. Shafer RF M. Nation
Walter J. LF J. Attebury
Gimble CF R. Thomas
Lynch S

ALONG THE CONCRETE

Are we supposed to be indignant about the investigation revealing Mr. Morgan's private banking policies?

Even the new white cap was forgotten in the excitement of preparing for that eventful trip east. L. Chester J. promised not to forget all of us back here in our little "Oasis" while he was enjoying new sights. May his experiences be many, and pleasant ones.

The Umatilla Co-operative Creamery force has been doing things in a big way lately. Even the manager carries a five cent box of matches in his hip pocket to light his cigarettes.

Longhorn telling us that there was a real "Warrior" on the local team in the baseball game Sunday. From the story written by Gene Pierce, there were a lot of historic characters in the game.
