1000 SPECTATORS WITNESS RODEO AT STANFIELD

BUCKING CONTEST WON BY SMILEY AND ATTEBURY.

Senator Jay Upton Gives Address of Day; Children's Sports Attract Many Visitors.

The Stanfield Commercial club joined with the Stanfield Grange and the Umatilla Project Farm Bureau in giving the annual Fourth of July celebration at Stanfield Tuesday in the high school auditorium and on the school grounds.

In the morning family groups gathered from all corners of both projects to participate in the sports, racing, and children's events at the high school grounds. Prizes were awarded to the winners by the grange and farm bureau organizations. At noon a basket dinner was enjoyed with a general get-together participated in by everyone.

Immediately following the lunch hour Senator Jay Upton, president of the Oregon senate, was introduced to a large group in the high school auditorium by Jess Richards. In his speech Senator Upton did not criticize the present administration but he did enlarge upon the drastic cuts received by Spanish American War veterans. Mr. Upton believes that these men who have given patriotic service should not be overlooked by the government when they become totally disabled or unable to provide for themselves in old age. Senator Upton also believes that congress erred in giving such sweeping powers to any one man, as it has given to President Roosevelt.

Vocal and instrumental numbers added to the program. In the rodeo bucking contest which followed the speaking, Chas. Smiley captured first honors and Eddie Attebury took second, although the decision was close. There were cowboy and cowgirl races of various kinds which were enjoyed by approximately a thousand spectators. Many other features were included in the rodeo which was sponsored by the Stanfield Commercial club.

Two dances were given in the evening, one at Refvem hall, and the other at the Grange hall.

An ideal day was experienced for the celebration which helped to put it down in history as one of enjoyment and pleasure for many people. The various committees of the different organizations are to be complimented for the efficient manner in which they handled the celebration. Next year the Umatilla Project Farm Bureau will act as host to the celebration.

HERMISTON BATTERY WINS FROM IRRIGON SUNDAY

Hermiston won its third ball game of a past season schedule on the local diamond Sunday, by defeating the "well spiked" Irrigon team 6 to 5.

Ray Woodward's fast breaking curves proved too much for the Irrigon batters and eleven of them went down via the strike-out route. It was a hard fought game all the way with Irrigon leading 4 to 2 at the start of the sixth inning. In this inning Longhorn hit to left field scoring two runs and the score was tied. Then in the eleventh "Old Reliable" Bob Woodward drove a Texas leaguer over the right fielders' head scoring two more runs.

Irrigon scored one run in the eighth and had a runner on first and third. On the next pitched ball the runner on first started for second, Matott made a fake throw. Bob Woodward leaped into the air to take Matott's throw and threw the runner out when he started back to third.

In Irrigon's half of the ninth inning Blake struck out. Chaney fouled out to Bob Woodward behind the plate and Markham went out to Martin at short.

The Hermiston line-up was: Matott C Martin SS R. Woodward P Jendrzewski 2B B. Woodward 1B Gimble LF Lynch 3B Longhorn RF Kopacz CF

Battery for Irrigon was: Blake, P; Walpole, C.

EVANGELIST CONDUCTS MEETINGS IN COLUMBIA.

"Christology" is the general theme of J. Emmett Walnwright, Seattle evangelist, who is conducting a series of meetings in the Columbia schoolhouse, 8:00 o'clock until 9:00 each evening.

"Humanity is in continual quest of happiness," declared the evangelist, discussing Christ's aphorisms on happiness. Continuing he said in part: "Rome sought the sublime state of felicity in military power; Greece tried to locate it in worldly wisdom, and modern nations have spent themselves seeking unalloyed joy in frivolity; but disappointment has ever been the reward. It remained for Christ to announce the true philosophy of life in the sermon on the mount; the beatitudes (happy state) are paradoxical to the human viewpoint, nevertheless multitudes have tried them and found joy in the midst of adversity."

The meetings are scheduled to continue over Wednesday evening, July 12th.

Miss Georgia Thom returned home this week from a month's visit in Portland. Mr. and Mrs. J. D. Gillilan and son Richard came home with her for a few day's visit, and another son, Strickland, who has been here for some time will return to Portland with them.
