## UMATILLA PROJECT FAIR DATE ADVANCED TO SEPTEMBER 22-23

### FAIR BOARD PLANS NEW FEATURES FOR 1933 SHOW.

Conflict Seen With Round-Up In Previous Date; Suggestions Welcomed by Board.

At the meeting of the Umatilla Project Fair board Tuesday night in the office of Assistant County Agent Best all indications pointed to the possibility that this year's fair would have rodeo, greased pig, and greased pole features along with the many other forms of amusement. Although no program was definitely decided upon the discussion followed along these lines.

It was necessary to change the date of the fair from September 15th and 16th to the 22d and 23d, because of a conflict with the Pendleton Round-Up date which had been advanced one week. This throws the local fair date a little in advance of that of previous years but the board feels that this will be advantageous because of the early season which is general over the county.

The fair board is soliciting and welcoming suggestions in ways of improving the fair program for this year. Its next meeting will be July 18 in Best's office.

Board members present at the meeting included R. C. Todd, president, Chas. Lynch, Roy Attebury, Lyle Hilden, and L. C. Dyer.

## FATHER OF MRS. C. M. JACKSON LAID TO REST

J. L. McPherson, 83 year old Pendleton pioneer, and father of Mrs. C. M. Jackson of Hermiston, passed away at his home in Pendleton last Thursday, July 6. Funeral services were held Saturday at 2:00 P. M. in the Presbyterian church with Rev. A. G. Pearson officiating, assisted by Rev. A. F. VanSlyke. Interment was on Olney cemetery.

Mr. McPherson came to Pendleton in 1903 where he was employed by the O.W.R.&N. supply department. He was later transferred to warehouse foreman where he served until his retirement at 70 years of age.

Mr. McPherson was a member and elder of the Presbyterian church.

He is survived by the following children: Miss Daisy McPherson of Pendleton; Mrs. C. M. Jackson of Hermiston and Harvey McPherson of Portland. Six grandchildren survive: Bill and Bob Jackson; Donald, Marjorie, Harold and Jean McPherson; two sisters, Misses Mary and Annie McPherson of Lancaster, Pennsylvania, and a brother, Harvey McPherson of Los Angeles, Cal.

## MORE INFORMATION ABOUT STATE DRIVERS' LICENSE.

The realization that all drivers' licenses issued before July 1, 1931, will be automatically cancelled by law on September 1st has awakened active interest in many motorists, reports Hal E. Hoss, Secretary of State. The most common question asked at his office is "What must I do to get a new license?"

Anticipating that this information will be more in demand as the expiration date on all old licenses draws near, Mr. Hoss has issued a brief formula for obtaining a new-type license.

First, the applicant must obtain the standard application blank from the Secretary of State or from local examination headquarters, state police, or sheriff's office.

Second, he must fill out the form in full and sign it in the presence of a notary public or other person authorized to administer oaths. All state examiners are notaries public and will perform this service without charge.

Third, the applicant must file the completed form before September 1, either by leaving it with an examiner or by sending it to the Secretary of State at Salem. In either case, a payment of \$1 must accompany the application.

Each of the requirements are provided by law and no license can be issued unless all are complied with, it was stated.

## PENDLETON GETS BRANCH OF PORTLAND U. S. NATIONAL BANK

### DEPOSITORS ON HAND EARLY TO GIVE PATRONAGE.

Bank Officials Present for Opening Are Pleased With Initial Showing.

Giving to Pendleton its first complete banking facilities since October, 1932, and establishing the largest banking connection ever enjoyed by Pendleton and surrounding territory, the Pendleton branch of the United States National Bank of Portland opened Wednesday morning at its Main street location opposite Hotel Pendleton.

An hour before the regular opening at 10:00 a.m., deposits were made at the bank, and results are most gratifying, says A. L. Powers, manager of the bank.

"We are most pleased with deposits," says Mr. Powers, "and are glad to extend service of the United States National to Pendleton."

While the present quarters of the bank are temporary, they are attractive and received most favorable comment from the hundreds who visited the bank. The lobby was filled with bouquet after bouquet of beautiful flowers, sent by well-wishers.

Here from the United States National Bank in Portland for the opening of the branch are: Paul S. Dick, president; John N. Edliefsen, vice-president; H. L. Stiles, assistant cashier; Harry A. Davis, and Frank J. Holmes, Jr., of the public relations department, and J. W. Wick, of the branch installation department. Besides Mr. Powers, local manager, assistants here are John F. Huxtable, of the public relations department of the bank in Portland; H. W. Dickson, Rulon Smith, Miss Kathryn Fetz and Flossie Sloan. Bank officials state that any increase in personnel will mean the employment of more local people.

Banking hours for Pendleton's new bank will be from 10 a.m. to 3 p.m. on week-days, with the exception of Saturday, when the hours will be from 10 a.m. to noon.—East Oregonian.

## WATER IN COLD SPRINGS RESERVOIR NOT CONDEMNED.

Despite reports that the water in the Cold Springs reservoir has been condemned there have been no cases of typhoid reported to the city health officer, Dr. A. W. Christopherson, this germ being the most likely contamination in water. The city water is tested once a month and the final bacteriological analysis shows an A condition which is the highest possible score.

## Auto License Examiner Coming.

C. M. Bentley, examiner of operators and chauffeurs, will be in Hermiston Tuesday, July 25, at the city library between the hours of 10:00 A.M. and 5:00 P.M., respectively, according to a recent announcement released from the Secretary of State's office.

## ORGANIZED HUNTERS BAG THREE COYOTE PUPS.

Last week two sheep were killed and three injured while in a pasture on the Umatilla river just north of the steel bridge west of town. These sheep belonged to E. P. Dodd mother coyote and her pups had and it was later learned that a been ravaging over the countryside making raids on chickens as well as sheep. Arrangements were made with Harold W. Dohyn, assistant leader of the United States Biological survey, to organize a hunting party which went out Tuesday noon.

The party was made up of local men who bagged three of the pups. The mother coyote escaped and another hunting party will go out Sunday to scout for her. Two of the pups were routed out on the west side of the river and one on the east side.

Dohyn was contacted through Garnet D. Best, assistant county agent.

## LOCAL POST OFFICE WILL CLOSE WINDOW SUNDAY

Beginning Sunday, July 16, the Hermiston post office will not be open Sunday morning as in the past, according to an announcement made by H. J. Stillings, acting postmaster.

The local rural carriers have always delivered mail at the window on Sunday mornings, a service no other office in the state has had. The city mail will be put up on Sunday morning in the boxes and the lobby will be left open all day Sunday. Mail will be put up for all trains at 6:00 o'clock Sunday evening.

This action has been forced by the 15 per cent pay cut for all postal employees, and a later nine day furlough cut without pay. The service at the local post office will not be curtailed in any way for the six weeks days.

## PROGRESSIVE FIDAC DINNER PLANNED BY LEGION AUXILIARY

The next meeting of the American Legion Auxiliary, July 27th, will be a progressive Fidac dinner party for Unit members only. Each house visited will represent a country where refreshments will be in keeping with the customs of that country.

## Auto License Examiner Coming.

C. M. Bentley, examiner of operators and chauffeurs, will be in Hermiston Tuesday, July 25, at the city library between the hours of 10:00 A.M. and 5:00 P.M., respectively, according to a recent announcement released from the Secretary of State's office.

## ACCIDENT NEAR BOARDMAN FATAL TO WRESTLER

### PROMINENT WRESTLERS INJURED WHEN CAR OVERTURNS

Driver Thought To Have Fallen Asleep at the Wheel; Companion Killed Instantly.

Billy Severe, 230-pound wrestler of Kansas City, was killed instantly Thursday morning at 3:30 when his car left the road and turned over at a point about seven miles west of Boardman. Walter Podolak, a traveling companion, and champion weight lifter and wrestler of Syracuse University, was severely injured and barely escaped being killed. He suffered a severe injury to his left arm and hand, and numerous lacerations to his head and body.

The two athletes had participated in wrestling matches in Walla Walla, Wednesday night and were driving to Portland when the accident occurred. It is believed that Mr. Podolak fell asleep at the wheel.

The attending physician at the Hermiston hospital believes that Mr. Podolak will recover but states that his arm and hand injury may close his career as a wrestler and weight lifter.

A pep rally was conducted at the Hermiston Union church Wednesday evening for the young people of Hermiston and Columbia district by Paul Mortimer, president of the Wallowa Lake young people's conference, and Miss Dorothy Smootz, both of LaGrande. The conference program was explained and pictures of the Turner annual summer conference were shown.

Delegates will be sent from the local groups to the conference which starts July 30th and continues through the week.

Approximately 38 young people attended the meeting which was followed by a social hour. Miss Smootz was the guest of the Misses Wilma and Pauline Stoop and Mr. Mortimer was the guest of Mr. and Mrs. O. L. Barlow for the night. From here they went to Milton to conduct a rally.

## Experiment Station Field Day.

The Annual Field Day of the Pendleton Field Station occurred at 2 P.M. Thursday, July 13. The station is located between Havana and Adams on the south side of the highway. Every farmer in the county was invited to participate in this event.

Among the particular points of interest were the varieties of winter wheat which withstood the extremely low temperatures of last winter. These were a part of 400 different varieties of wheat which are now growing at the station. Other things that the farmers were interested in are the experiments of plowing methods. Yields on fallow prepared with disk plows show no apparent differences as compared with other types of soil preparation, and the disking is considerably cheaper. Then there were other tillage trials, rotation experiments of many kinds, peas, alfalfa, and several kinds of grasses, including crested wheat. Refreshments were served during the program.

## FIRST PENDLETON PUBLIC MEETING TO CONSIDER ACT

### EXPLANATION OF ADJUSTMENT ACT EXPECTED.

Mainly as Act Applies to Wheat; Called for July 14-15 in County Agent's Office in Pendleton.

The first public meetings for consideration and explanation of the new Agricultural Adjustment Act as applied to wheat have been announced by the office of the Umatilla County Agent for July 14 and 15. The meeting at Pendleton will be held July 14 on the 3rd floor of the Elks' building beginning at 10 A.M. The Weston meeting will occur at the Community Hall on Saturday, July 15, and will begin at 10 o'clock also.

The purpose of these meetings is to explain as fully as is possible the many features of the Agricultural Adjustment program as it will be applied to wheat. In view of the fact that farmers wishing to take advantage of the provisions of the act must sign an agreement this year, it would seem wise for every farmer to attend one of these meetings to help him decide his course of action when the sign-up is undertaken later. No one will be asked to sign anything at these preliminary meetings.

The Agricultural Adjustment Administration in Washington, D.C. has called upon the state extension services to handle the educational and preliminary organization work connected with putting the wheat plan into effect. It is in this connection that the Umatilla County Agent, as a representative of the United States Department of Agriculture and the State Agricultural

## ALONG THE CONCRETE

We are convinced that bicycle riding is in vogue since Bill Warner has taken it up. "Bill" must be trying to reduce—expenses.

What a terrible predicament to be in when it is impossible to find someone's youngster to take to the circus—as an excuse.

An experiment in the salesmanship at the Ford garage was tried out successfully this week. A truck was demonstrated. The prospect talked favorably. But the catch in the whole deal was that when the check was delivered the customer was informed that the truck had already been sold. What a headache when there is only one truck to be purchased. Times must be picking up to fool a salesman like that.

It doesn't seem to matter 'n what part of the world Jimmy Mattern lands—luck is with him. He will make it around the world yet.

George Wagner and Jarvis Durey holding down a spot along the concrete in the cool of the early morning while passing the time of day. Those two know their temperatures.

If papas and mammas missed their fond offsprings Monday afternoon there was only one place to look for them. On the circus lot.

The world economic conference may be making history but it is history that repeats itself when world powers try to come to an agreement.

It is no wonder the concrete was hot Tuesday morning from the way Tom Jensen hot footed it Monday night keeping time with the two-piece circus band. The attention of spectators was even drawn from the announcer with the snakes to Tom's maneuvers.

The performance on the circus lot Monday night may have been a two-man show but it was worth the price of admission. Of course it may have been even better from a birdseye view standing on the wood pile where the stag line increased as the show went on. Ring-side seats were only a nickle.
