THE BIG CAGE COMING TO OASIS SUNDAY - MONDAY

"The Big Cage" as its name implies, a circus picture, will be the feature at the Oasis theatre Sunday and Monday.

Anita Page has the role of Lillian Langley, aerialist, the only woman mentioned in the cast.

derelict animal trainer. Beatty in the story contracts with a circus owner to put on a spectacular act of 20 lions and 20 tigers in the same cage, a big one, hence the title.

Miss Page and Ford are sweethearts in the story. Ford, an animal trainer suffering from a bad case of nerves due to having been terribly mauled while training some animals, arouses the sympathy of Beatty, who offers to assist him in overcoming his fear and continuing his career.

COHEN AND KELLY GO TO SEA

Although George Sidney and Charlie Murray, co-starred in the hilarious comedy, "The Cohens and Kelly in Trouble," still bear the names of Nathan Cohen and Patrick Kelly, they appear this time in two entirely different characters than ever before, and in a new and fresh background.

Sidney appears as a merchant who has always wanted to go to sea, making a ridiculous figure in pea-jacket and striped sweater, while Murray is a tug boat captain.

and Murray are presented without wives. Sidney is a bachelor and Murray is a widower, a grass widower at that.
