HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, AUGUST 3, 1933.

HUNTING LAWS ESTABLISHED FOR 1933 SEASON

OPEN SEASON ON ELK IN FOUR NORTHEASTERN COUNTIES.

Closed Season on White-Tail Deer and Sage Hens Ordered by Game Commission.

Season and bag limit regulations established for the 1933 hunting season have provided new open areas and additional hunting time in several counties of the state according to statement made today by the Oregon State Game Commission. This is particularly true of upland game birds, and with the short open season on elk in four northeastern Oregon counties, sportsmen of Oregon may look forward to a good hunting season.

Conditions in the field are reported excellent on both birds and mammals with the exception of white-tail deer and sage hens, both of which species are losing ground and on both of which closed seasons have been ordered this year.

Requests of sportsmen on the west slope of the Cascades that the quail and grouse season be concurrent with the China pheasant season have been granted.

Regulations governing the season on migratory waterfowl will be made public as soon as information is received from the Federal Advisory Board.

A complete printed synopsis which will supercede all other orders will be in the hands of all county clerks and license agents by the 14th of August when regulations become effective.

Following is a brief resume of the open seasons, territories and bag limits as regulated by the Oregon State Game Commission.

ELK—Open season, October 23 to October 25, both dates inclusive. Open territory, all of Baker county; Walla walla county north of the base line and west of the Imnaha river; all of Union and Umatilla counties except approximately 20,400 acres in the Conklin Springs area. Bag limit, one bull elk having two or more points on either horn. License fee, Resident elk tag \$2.50 in addition to resident hunting license; Non-resident elk tag, \$60.00 in addition to non-resident hunting license.

DEER—Open season, September 20 to October 25, both dates inclusive, for buck deer with forked horns. The taking of white-tail deer is declared unlawful. Bag limit 2 Columbia black tail deer or 1 white deer, with the requirement that both deer must be affixed to the mule deer.

SAGE HENS—Due to the serious depletion of sage hens in eastern Oregon, the season on these upland game birds has been closed for one year.

HERMISTON DEFEATS IRRIGON 19-4 SUNDAY.

	R	H	E
Hermiston	19	17	2
Irrigon	4	3	6

Hermiston defeated Irrigon Sunday 19 to 4. The Hermiston team had their batting eye working from start and kept up the heavy hitting all through the game. Ray Woodward's pitching was too much for the Irrigon boys. He struck out twelve and allowed only two hits in seven innings he pitched. Bob Woodard pitched the 8th and Kopezac the 9th inning. Kapacz had a perfect day at bat, getting 5 hits out of 5 times at bat. One of these hits was a home run over the shed in left field. Blakeley was pitching at the time. George Kandler hit three three-base hits during the game. Hermiston executed a fast double play in the 7th, Martin to G. Kandler to R. Kandler.

Linups follow:

Hermiston	Irrigon	
R. Woodard	P McCoy	
Bob Woodard	C Jones	
Martin	SS Blakeley	
R. Kandler	1B Chaney	
G. Kandler	2B Wallpoie	
Lynch	3B M. Markham	
Longhorn	LF Caldwell	
Kopezac	CF Moody	
Shafer	RF F. Markham	
Substitutes: Matott	2B; Jendzjewski	1B.

Next Sunday Hermiston plays Wallula on the local diamond. Wallula won the pennant in their league and will be a hard team to beat.

However, if the Hermiston team shows the batting strength they showed last Sunday the Wallula boys will have a hard time winning.

This is something very few teams can boast of. This will be the first time Wallula has played in this part of the country and it is hoped that the people of Hermiston will turn out and show the people of Wallula that this community is very much alive.

There is no doubt but what this game will be a battle from start to finish. The games is called for 1:00 P. M.

DEVELOPMENT ASSOCIATION HOLDS MEETING IN STANFIELD.

By Sophronia Rhea, Cor.

Wednesday evening, July 26, the Umatilla Morrow Development association representing the towns of Boardman, Irrigon, Umatilla, Stanfield, and Echo, held an enthusiastic meeting at Stanfield.

Large delegations from each town attended and were the guests of the Stanfield Commercial club. Prior to the business of the evening, the guests were entertained with piano solos by Chleo Orlando of Tacoma, who also gave several selections on the accordion, accompanied by Blanche Bottger of Echo. Miss Phyllis Sires of Stanfield tap danced to the great enjoyment of the gathering.

The meeting was called to order by Wayne Mendenhall, vice-president of the Stanfield club, later turning the meeting over to Roscoe Williams of Irrigon, vice-president of the development association. County Judge Cheshire, and Mr. Floats of the East Oregonian were the honor guests of the evening.

The meeting went on record as favoring the straightening of dangerous curves on the Old Oregon Trail highway between Echo and Pendleton, especially those blind curves constituting a death trap at Nolin. Judge Cheshire gave a very earnest and instructive talk on this particular subject, and promised the hearty cooperation of the county court in attempting to obtain these much needed changes. James Hoskins also gave an interesting talk on this matter.

After speeches by Frank Sloan, mayor of Stanfield, Lloyd Russell, Judge Cheshire, Peter McNabb of Umatilla, an open discussion of the Umatilla Rapids project was held by the assembled clubs. The meeting expressed itself as unreservedly in favor of construction of the dam at Umatilla Rapids and do their utmost in assisting the Umatilla Rapids association and other organizations in furthering this undertaking. This action was taken in view of the facts that navigation of the Columbia to Umatilla was now possible and had been for years, and that the greatest tonnage would be found above the rapids which tonnage would not be taken care of by the dam at Bonneville, that the dam at the rapids was ready for construction immediately, plans and drawings already completed so that thousands of men could be placed at work in a very short time thus relieving the un-employment situation in the northwest.

After the business of the evening was concluded, refreshments were served by the Stanfield club.

This meeting was epochal as it typified the get together spirit among the various communities and also the first of these meetings which will be regular monthly features of the development association. The next meeting to be held at Echo, Wednesday, August 23, will be conducted by the Echo Commercial club.

DOUBLE HEADER AT THEATRE TUESDAY, WED., & THURSDAY.

A double header will be the main feature at the Oasis Theatre Tuesday, Wednesday and Thursday of next week when "The Man From Arizona", starring Rex Bell and "Self-Defense" starring Pauline Fredericks will be shown.

The Man From Arizona is the moving story of Bell's efforts to keep his likeable but weak-willed pal from the clutches of the cut-throat gang, and also to deliver him safely out of the influence of Lupita, fiery Mexican beauty. The cast includes such well known players as Nat Carr, Naoma Jude and Charles King. "Self-Defense" is an original presentation of the idea of a woman proprietor of a Canadian Northwest gambling saloon and her efforts to hide from her city-bred daughter the true sources of her income. Coupled with it is the tense dramatic situation of a young man accused of murder whose acquittal hinges on the doubtful throw of a pair of crooked dice. Assisting Pauline Fredericks are Claire Windsor, Theodore Von Eltz, Barbara Kent and many others.

FIRE Friday Night.

A fire in a clothes closet at the Victor Stockard home north of this city Friday night at about 7 o'clock, destroyed all wearing apparel of Mr. and Mrs. Stockard and for some time menaced the house. A call was sent into Hermiston and many responded, and soon had the fire under control. The cause of the fire was undetermined.

ALONG THE CONCRETE

It must be tough to be routed out of a nice warm bed in the middle of the night, and such were the thoughts of two knights of the road when the night consuable pulled them out of a box-car the other night. Let's hope B. J. gave them a better resting place.

It certainly is surprising the power a certain lady in town has over the office force in the Hermiston Herald. She used a little persuasion and headlines are changed immediately.

All the men in town are stampeding the barber shops to get a hair cut before the 50c rates come in. We didn't know there were so many scotchmen in the city.

A certain businesswoman in town is wondering what to do with all her surplus kitchen utensils. Claims she has enough to cover the distance to Umatilla, over to Heppner and back to Hermiston. Oh! these lucky people.
