Mrs. Amsberry's mother, Mrs. Phoebe Palmer, an old Malheur pioneer, will arrive within the next few days to make her home with her daughter. Mr. Amsberry was formerly a newspaper man in Bend.

Mr. and Mrs. H. L. Propst who have been in the variety store for three years, intend to remain in Hermiston several weeks before deciding on a future location.

HERMISTON DEFEATS LEAGUE WINNING TEAM 8 TO 4.

Playing "heads up" baseball behind high class pitching by Ray and Bob Woodard, the Hermiston team defeated the league winning team from Wallula on the local diamond Sunday, eight to four. Ray Woodard struck out 12 batters in the seven innings he pitched and Bob Woodard struck out six in the two innings he worked on the mound. The game was very exciting from the start. Wallula got two runs in the first inning and held the lead until the fifth when Hermiston tied the score. In the next inning Wallula got another score to take the lead. In the seventh inning Hermiston ran in two, and three more in the eighth. In these innings Wallula was held scoreless.

Wallula's second baseman missed getting a home run in the first inning when the ball hit the top of a fence post in right field and bounded back into the field. George Kender hit a three base hit in the seventh inning, a line drive that hit the shed in left field and bounced over the fence. This should have been called a home run, as the ball went out of sight of the umpire.

In the eighth inning Wallula had a runner on third and the batter hit a fly ball to Kopez in center field. As Kopez caught the ball the runner on third headed for home and a beautiful throw by Kopez cut him off at the play. This is a play seldom seen in this class of baseball.

Line-ups were as follows:

Hermiston	Wallula	
Kopez	CF	J. Mills
Lynch	3B	Amen
Chaney	1B	Williams
B. Woodard	C	Wilson
R. Woodard	P	Hamburg
Martin	SS	Lansing
Shafer	RF	P. Mills
Longhorn	LF	F. McDougal
Kender	2B	J. McDougal
Jendrzewski	RF

The committee in charge wish to thank all those who assisted in making the evening a success. The next regular meeting will be held Friday, August 18.

E. P. DODD ELECTED SECRETARY OF RAPIDS PROJECT

WOMEN'S COMMUNITY CLUB DONATES \$150.00.

Tri-State Organization Working to Put the Program Across Within Thirty to Ninety Days.

At a special meeting of the Tri-State Development league officers, held in Walla Walla Tuesday night, Lee Mantz of Walla Walla, experienced in political and public works circles, was elected as president and E. P. Dodd of Hermiston was named executive secretary of the league at a salary of \$150 and expenses which money is to be raised along with needed expenses in seeking a league membership of several thousand.

A program was also outlined at this meeting to put this act across in between 30 and 90 days. Marshall Dana of Portland is being urged to attend one of the Tuesday night meetings.

Application for aid in the development of the project which E. P. Dodd, president of the Hermiston Commercial Club, an ardent worker on behalf of the project, estimates will affect 24 counties and 400,000 people, will be lodged immediately with Secretary of the Interior Ickes, Dana and his regional board and the individual state advisory boards.

It is thought that Dodd will establish offices in Walla Walla and maintain contacts with governors of the three states as well as congressmen and key men at Washington.

B. Swazy was appointed as one of the 29 men to serve on the advisory committee.

Local Women's Club Donates.

A special meeting of the Women's Community club was called Tuesday at 2:00 P. M. for the purpose of deciding whether or not some money would be given for the continuance of Mr. Dodd's work on behalf of the Umatilla Rapids dam, as the money at present available had been exhausted.

After a lengthy and extremely interesting discussion from numerous angles it was decided to place \$150 in a special fund for Mr. Dodd's use in furthering promotion of the dam, any money not so used to be returned to the club. Chas. Taylor was appointed trustee of the fund. It is hoped that this money will enable Mr. Dodd to carry on until other finances are secured.

When informed by telephone of the club's action, Mr. Dodd said that he probably would remain in Walla Walla for another three or four days to help with the forming of the new Tri-State organization. The club also ordered a resolution sent to Mr. Dodd, expressing their appreciation of his efforts, and their faith in his success.

Scientists have recently made the discovery why some people are gray or bald headed. As they grow older their hair penetrates into the scalp, and if it finds any gray matter, it turns gray and if it doesn't find any, it falls out. This will solve the mystery for some of us.
