## INTEREST RUNS HIGH IN UMATILLA PROJECT FAIR

### BIGGER AND BETTER EXHIBITS ANTICIPATED.

Work On Conditioning the Fair Grounds Begins This Week; Concessions and Sports.

Everyone is talking about the Umatilla Project Fair to be held Friday and Saturday, September 15-16.

Many inquiries have been made by prospective exhibitors in the different divisions listed in the premium list, which indicates more interest being shown for a bigger and better fair this year. An extra canvas top will be hoisted to accommodate all school exhibits which cannot be taken care of in the space offered in the main exhibit building.

Work started on the grounds Wednesday of this week and all who can possibly give time for the work are asked to be on the job any day between the present time and the opening of the fair.

Attractions are many this year including a rodeo with bucking contests, bareback riding, calf roping, goat roping. Concessions will furnish rides for the kiddies, as well as grown-ups; a horsemanship tournament will be in progress both days; a sports program Saturday from 1:00 to 2:00 p. m. promises to be interesting with a greased pig race, nail driving contest, dog race, climbing greased pole contest, and a tug-of-war. All this is to be terminated each evening by a dance sponsored by the American Legion at the city auditorium. There will also be special features at the Oasis theatre, both days of the fair.

The Irrigon high school band will furnish music and there will be airplane passenger flights.

The tentative rodeo program follows:

Event No. 1—Bare-backing; horses, mules and steers.

Event No. 2—Slow race; draft horses only.

Event No. 3—Boys' pony race; Boys under 15 years.

Event No. 4—Calf roping; best time wins.

Event No. 5—Bucking contest.

Event No. 6—Goat roping; first five wins.

**Competition Keen.** Competition promises to be keen in every division. Roy Attebury and Chas. Lynch of the dairy division report that inquiries are being made by people who have never before made an entry at the fair. In the poultry and turkey division Lyle Tilden reports that many new growers are exhibiting this year because of the fact that their flocks have been vaccinated, which eliminates any possible spread of disease. Old coups are being repaired and new ones built to accommodate exhibitors.

Mrs. Wm. Hineine says that demonstration teams will furnish all equipment except a table and stove. She also says that the same article may not be entered in more than one class.

John Jendrzewski has reported that five farm booths have been spoken for and with the fair coming earlier in the season this year the exhibits should be of fine quality.

Mrs. H. J. Ott, superintendent of the flower division, says that there are some beautiful flowers on the project this year which will make a splendid exhibit. Another encouraging feature is the fact that no frost is expected before the fair opens to spoil the freshness of the flowers. Mrs. Ott requests that all exhibitors reserve a booth Thursday night in order that the displays may be arranged early Friday morning. Adequate space will be reserved for display.

The usual splendid display is anticipated in the honey division, of which J. Skovbo is superintendent.

**Move to Portland.**

Mr. and Mrs. O. M. Clark left Sunday for Portland to make their home. Mr. Clark has been employed at the Rohrman Motor Co. for the past two and a half years, but he now has a position with an electric company in Portland. Mr. and Mrs. Clark lived on the Clara Hall farm southwest of town during their sojourn here. Mr. Clark is a sister of Mrs. J. R. Harding, who lives in the Westland district.

## STANFIELD NEWS

By Sophronia Rhea

Miss Faye Greene returned to Pasco Sunday where she will resume her work in the hospital after having had her tonsils removed and spending two weeks at home.

Miss Helen Fredrickson moved to Umatilla Saturday and made necessary preparations to begin teaching Monday.

A great many Stanfield people were present at the Wallula celebration Monday. Everyone enjoyed themselves very much and the speakers were especially interesting.

Mr. and Mrs. M. Refvem and Miss Sophronia Rhea went to Walla Walla Wednesday evening by way of Wallula highway, to attend the general Red & White meeting.

Mr. and Mrs. S. L. Chapman sold their place of business and are now living at the home of Mrs. Chapman's parents, Mr. and Mrs. J. M. Richards.

Miss Marjorie Hutton returned to St. Anthony's hospital after spending a few days at home last week.

Woodrow Gifford, Clifford Hills, and Virgil Krause were the C.C.C. boys of Wallula home for Labor day vacation.

Ezra Hazen was in town visiting old friends Saturday.

Miss Evalyn Thorsen has completed her work in Hermiston and has returned home for a short time. Miss Thorsen plans to attend school in Portland this winter.

Miss Blanche Thorsen has gone to The Dalles to start teaching.

Mrs. E. W. Rhea and son Hugh and daughter Mary Lou, drove over from Redmond the latter part of the week. Mary Lou returned home Tuesday and Mrs. Rhea will remain with her son for an unlimited time.

C. C. Rhea was a visitor at the home of his sister, Mrs. W. E. Brock in Pendleton over the week end.

G. L. Dunning accompanied his daughter Marrilla as far as Salem where he will remain for a few days. Miss Dunning will go to her school in California.

Misses Evelyn Starkweather and LaVonne Walk, and Bobbie Starkweather left for Portland, accompanied by Ronald Walk of North Powder the latter part of the week.

Miss Elaine Green is spending a few days at home over-seeing the place while her folks have gone to Portland.

Miss Laura Gregory returned home from Portland Tuesday with Wayne Coe. Miss Gregory took in the Gresham Fair. She also visited in Vancouver, Wn., while away and visited Old Ironsides while in Portland.

Mr. and Mrs. E. A. Hooser left Friday for Portland. Mr. Hooser will consult a physician while there and plans to have his tonsils removed.

Mrs. James Hoskins is visiting in Pendleton this week.

Mrs. Elinore Potter of Seattle gave her mother, Mrs. M. C. Barragar a rather pleasant unexpected surprise when she arrived late Monday evening.

Mrs. Chas. Haggard's father, Mr. Thomas of The Dalles, was a Stanfield visitor one day last week.

Mrs. C. H. Ferris and family have moved back to Stanfield for the winter.

Thirty boys reported to Coach Cochran last Wednesday for football practice. Of this number seven are members of last year's squad.

Orchestra and a mixed Glee club are the music organizations to be carried on in the high school this year under the direction of Mrs. James Clayton, during the activity period.

The Torch Honor Society met and elected officers for the ensuing year Wednesday. They are: Edith Clarke, president; Betty Ralph, vice-president; and Anna Ray Martin, secretary-treasurer. Miss Briery will be their adviser.

The "first day" enrollment in both the high school and grades has exceeded that of previous years. In the high school were 128 registered, and in the grades 231.

During the first week of school Helen Woughter has been assisting Mr. McAtee with the general office work.

Class officers were elected and advisers appointed during the first week.

## DO YOU WANT A QUEEN FOR THE PROJECT FAIR?

This question has arisen. Do you want a queen for the Umatilla Project Fair?

She would be elected from the Hermiston Union High School and the election would be conducted in such a way as to make it worth while for the candidate.

The time is short so bring your ideas in to the Herald office or before members of the fair board.

Heppner has a Rodeo Queen—why shouldn't Hermiston also have a Fair Queen?

## CHILD SERIOUSLY INJURED WHILE CROSSING HIGHWAY

A near tragedy occurred Monday two miles west of Umatilla, when little 10-year-old Elaine Percival, daughter of Mr. and Mrs. Sidney Percival of Madras, Oregon, was struck by a speeding automobile as she was crossing the highway.

She received a compound fracture of the right leg and other severe bruises. Mr. Percival, who is county clerk of Jefferson county, was returning from his vacation and had stopped the car along the highway while Mrs. Percival crossed to the other side of the road to transact business at a farmhouse. Little Elaine slipped from the car unobserved, and was crossing the highway to join her mother when she was struck.

The child was rushed to the Hermiston hospital and is reported to be doing nicely. She is a great-niece of Mrs. W. F. Boynton.

## DOROTHY DOHERTY NAMED QUEEN FOR HEPPNER RODEO.

Miss Dorothy Doherty of Alpine has been elected queen of the Heppner Rodeo, September 8-9. The last series of dances were held Saturday night when the voting was snappy, with Queen Dorothy holding the lead all evening.

Queen Dorothy's attendants are Miss Edna Lindstrom of Ione, Miss Margaret Bronsaa of Lena, Miss Ruth Mae Doherty of Rhea creek. These girls were sponsored by the various granges and each was well supported.

## WALTER NATION NAMED ON DETECTIVE SERVICE.

Walter Nation, son of Mr. and Mrs. B. J. Nation of Hermiston, has been appointed to the detective service for the Union Pacific system in Portland, Oregon, and took office August 31st. Mr. Nation worked as deputy sheriff under Gurdane for Umatilla county for a number of years and for the past few months has been employed on the Pendleton police force.

Mr. and Mrs. Nation moved to Portland August 31st and Mr. Nation took over his duties that same evening.

Officers and others connected with the fair have every reason to believe that the 1933 fair was "bigger and better."

J. W. Spencer transferred. J. W. Spencer of Umatilla, who has been night skipper on the Umatilla ferry for the past four years has been transferred to The Dalles where he has practically the same duties. Mr. Spencer is a member of the Hermiston Herald family.

## MORROW COUNTY FAIR MOST SUCCESSFUL IN 6 YEARS

COMPETITION OF EXHIBITORS MAKE JUDGING DIFFICULT.

First Place for Individual Farm Booths Won by Mr. and Mrs. Harvey Warner.

IRRIGON, Ore., Sept. 4 (Special)—The North Morrow County Fair held here Friday and Saturday, September 1-2, was the most successful of any fair held here in the past six years. Much larger exhibits in every division were on display and with few exceptions everything was of the very best quality.

Competition was so keen in the live stock and farm crops exhibits that difficulty was experienced in deciding on the placing of the ribbons, but County Agent Smith of Morrow county and Assistant County Agent Best of Umatilla county placed the ribbons to the satisfaction of the exhibitors.

First place in the farm booth exhibits was won by Mr. and Mrs. Harvey Warner; second by Mrs. Fred Reiks; third by Mr. and Mrs. W. C. Isom; and fourth by Mr. and Mrs. Robert Smith. All exhibits spoke highly for the farm products grown on the project.

Mrs. Storey of Arlington judged the 4-H club work and the domestic art division. Mrs. Lucy Rogers, county school superintendent of Morrow county, made the statement that the 4-H club exhibit was the largest and the best ever displayed at the fair.

The Irrigon High School band played a few numbers before the assembly Saturday afternoon previous to the demonstration. It was stated that the present band was originally started as a 4-H club band but had grown so in size and developed in ability until it had become a community and high school organization.

Mrs. A. E. Bense and Mrs. Guilwits of Hermiston judged the domestic science division, and also assisted in judging the individual farm booths. In every instance those in charge were well pleased with their placings of premiums.

The dining room was well patronized both days of the fair, and the Saturday night dance drew the largest crowd ever seen in years before.

Officers and others connected with the fair have every reason to believe that the 1933 fair was "bigger and better."

J. W. Spencer transferred. J. W. Spencer of Umatilla, who has been night skipper on the Umatilla ferry for the past four years has been transferred to The Dalles where he has practically the same duties. Mr. Spencer is a member of the Hermiston Herald family.

## HIGH SCHOOL CROWDED FOR SEATING SPACE.

The largest enrollment ever experienced in the history of the Hermiston schools is being seen this year with 128 high school students, and 230 grade school students registered on the first day of school. The high school seating capacity is 122 seats and unless a greater number of the students drop out it will be necessary to install more seats.

Enrollment in the local schools has been increasing each year. Three years ago 189 students were registered in the grade school, which was the largest up to that time.

School opened Tuesday, September 5, this year.

## REGISTRATION NECESSARY FOR EMPLOYMENT.

All labor employed on projects which are being financed by the federal government must be taken from a list of applicants on file at the Re-employment Bureau in Pendleton, with offices in the Elk's Temple. Any local people wishing to make an application for employment on these federal projects may do so with Max Dudley of Pendleton, who will be in Hermiston Tuesday, September 12, at 9:30 A. M. in the city library, or at any time at the re-employment bureau in Pendleton.

All persons who will be employed in these projects must be on file at the re-employment bureau in Pendleton, which office includes the district in the west end of Umatilla county. Contractors on all federal projects, including federal road work, Stanfield project work, agricultural experiment station or future Umatilla Rapids or Bonneville projects, will be required to obtain men from the list registered at the Pendleton office.

## NEXT ISSUE OF HERALD WILL BE BIG FAIR EDITION

The Herald will reach all readers on Thursday morning of next week in the form of a big fair edition. In order that the paper may reach all readers in time to carry all information about the fair we are publishing a day early.

Advertisers and correspondents please note the change in publication day in order that all news may appear in this issue.

## Hop Picking to Start.

Hop picking in the O. Lockridge hop yard will start Monday, according to information given out this week. Mr. Lockridge has a much larger yield for a first-year crop than was anticipated and has engaged fifty pickers to take care of the crop. Mr. Lockridge's venture in hop raising is the first attempt ever made on the Hermiston project and his nine-acre tract shows promise of giving a large yield.

## DANA ADDRESSES 2000 PEOPLE AT CUTOFF CELEBRATION

PORTLAND MAN SAYS NEW DEAL IS NECESSARY.

Governors Send Regrets; Many Hermiston People Hear Stirring Address.

Many Hermiston people attended the Wallula-Umatilla highway celebration at Wallula Labor day, and heard the main address delivered by Marshall N. Dana of Portland, regional public works administrator.

The following was taken, in part, from the Walla Walla Union.

The new deal plan "is going to work because it is economically sound and humanly necessary. Although it represents an extreme program, desperate situations demand desperate remedies and we of America, confronted by the challenge of economic emergency, have responded with no proposal for dictatorship or military autocracy, but by constitutional measures voted by more than 124,000,000 Americans, led by a man whom providence gave for his hour to show that America has not been cast off.

In these ringing words Marshall N. Dana of Portland, stirred the crowd at the dedication of the Wallula cut-off Monday afternoon. Dana's was the principal talk at his well-attended celebration.

**Added Service Given.** "This road cost approximately \$300,000 and gives added service to the \$01,000 automobiles registered in the northwest. Figure the increased benefit to these autos at \$1 each and the road is paid for. The benefit, however, spreads to all the other automobiles in the country.

**Noland Presides.** Harry B. Noland, Walla Walla, president of the cutoff association was chairman and made brief introductions of the speakers. Dr. S. B. L. Penrose, veteran president of Whitman college, gave the invocation, dedicating "this path of peace along this mighty river."

Telegrams of regret were read from Governor Clarence D. Martin of Washington, and Governor Julius L. Meier of Oregon, and from Lacey V. Morrow, director of highways of Washington, W. H. Lynch, Portland, district engineer of the bureau of roads.

E. B. Aldrich of Pendleton, member of the Oregon highway commission, represented Governor Meier. "This highway speaks for itself," he remarked. He then spoke of the new Green Flag highway from Canada to Mexico, which passes through Spokane, Walla Walla, Pendleton, Canyon City, Burns and on into California, cutting off 200 miles on the road to San Francisco and 400 on the road to Los Angeles. On September 15-16 the commission will let the contract for grading the last link and by next year the highway will be completed.

Mr. and Mrs. R. Alexander left Friday for their home in Pendleton after spending some time with their daughter, Mrs. E. P. Dodd, and family.

**ALONG THE CONCRETE**

Have you heard the latest gossip? No! Well, there may be a reigning Queen at the project fair.

F. R. Moore brought a pair of glasses into the jeweler yesterday to have the lenses put back in. He said that he and his sister-in-law got into an argument and she did not have time to remove her glasses.

G. D. Best: Yes, I must hurry and get in the mail.

Mrs. G. D. B.: That's right, I have a package to mail.

Did you hear about the big blow-out in town Tuesday? A tire blew out on Main street.

I guess there would not be so many divorces if marriage could change the disposition of two spoiled brats.

The bald man has some comfort—he can think about what a hit he would make with women if he only had some hair.

## SCHOOL NOTES

Three new instructors have been given positions on the grade teaching staff this year. Miss Nora Johnson of Emmett, Idaho, a graduate of Albion State Normal is home room teacher for the sixth grade and will do departmental work in the seventh and eighth grades. Miss Marie Salmi, a graduate of Monmouth, teaches the seventh grade and will also assist in the departmental work. Miss Edith Tucker, a graduate of Monmouth and the University of Oregon, teaches the fifth grade.

Thirty boys reported to Coach Cochran last Wednesday for football practice. Of this number seven are members of last year's squad.

Orchestra and a mixed Glee club are the music organizations to be carried on in the high school this year under the direction of Mrs. James Clayton, during the activity period.

The Torch Honor Society met and elected officers for the ensuing year Wednesday. They are: Edith Clarke, president; Betty Ralph, vice-president; and Anna Ray Martin, secretary-treasurer. Miss Briery will be their adviser.
