A little work directed to a good end is better than a great deal of work directed to a bad end.—Bert Russell

VOLUME XXVIII NUMBER 5

HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, SEPTEMBER 28, 1933

SUBSCRIPTION, \$1.00 PER YEAR

NIMRODS RETURN FROM TIMBER WITH PRIZE BUCK DEER

MERRILL POTTER AND WIFE FIRST TO BAG BUCK.

Chinese Pheasants Released On Project; Migratory Waterfowl Reported Plentiful.

A general move of local nimrods for the timber has been seen about Hermiston since the hunting season on deer opened last week. Cars have been returning from the mountains with buck deer strapped on the running board. Thirty-five licenses have been issued to local hunters, alone.

Among the first to land their bucks this season were Mr. and Mrs. Merrill Potter of Columbia. The largest kill reported was made by "Shorty" Matott at the head of Indian Creek in Union county, when he bagged a 244 pounder; B. S. Kingsley brought in a 202 pound, 3-point buck Saturday; a hunting party in the persons of Jack Smith, Ray Woodward, Art Alderman, Peke Pardee, and Floyd Lynch, brought in three deer the first of the season; and Harvey Payne brought in his buck Tuesday.

Open season on buck deer with forked horns is from September 20 to October 25, both dates inclusive, and never more earnestly than this year, are the riflemen seeking the bag limit of two Columbia blacktail deer and one mule deer.

Chance of a big bull elk is the record of kill this season for the first time in more than 20 years, is an added incentive to many nimrods and elk tags. Prediction is freely made in the elk country, however, that less than 500 bull elk will be taken this year.

The usual influx of outside sportsmen is expected to mark opening of the Chinese pheasant season in Hermiston and Umatilla county October 15 to October 30, both dates inclusive. Portland and valley sportsmen, together with local enthusiasts will invade the pheasant country in larger numbers than usual this year, it is predicted.

In July Frank Bilderback of Hermiston released 300 old Chinese Pheasant hens, and later 272, 8-week old birds. Recently he released 28, 4-month old roosters, all of which were sent from the state game farm at Pendleton. Mr. Bilderback believes that the birds will be plentiful this season.

Unless otherwise specifically provided for, the bag limit on Chinese pheasant shall be four of such birds in any one day or eight in any seven consecutive days; provided, that it is unlawful to take more than one female Chinese pheasant in any seven consecutive days. It is unlawful to hunt, pursue or take any wild animals or birds after sunset and one-half hour before sunrise. Copies of the Oregon hunting laws may be obtained at Hale's confectionery.

Open season on Hungarian partridges and quail includes the same as those dates on pheasants. Migratory waterfowl, which are reported to be plentiful, may be taken between October 16, and December 15, 12:00 o'clock noon, both dates inclusive. The bag limit on Hungarian partridge is four birds in any one day and not to exceed eight in any seven consecutive days. Bag limit for quail is ten birds in any seven consecutive days.

H. L. Moreland, chief clerk of the game commission, who was in Hermiston Wednesday, says that the department has been rushed with license applications this season.

Fire In Bank Building.

For the second time within the past year the fire department was called to check a fire in the First National Bank building. Monday morning a fire was built in the furnace and the heat from the pipes ignited wood piled close by, but the flames were extinguished before any definite damage was done.

Weather Report.

Date	Max.	Min.
September 21	73	40
September 22	65	46
September 23	61	41
September 24	61	37
September 25	64	29
September 26	71	39
September 27	73	47

Precipitation was .15 for week.

J. M. BIGGS BUYS HOOD RIVER WEEKLY NEWSPAPER

News dispatches from Hood River say that J. M. Biggs, former editor of the Herald, and now a resident of LaGrande, has purchased the Hood River Glacier, pioneer weekly newspaper. The purchase was made from Roger W. and Mark E. Moe.

Mr. Biggs and family lived in Hermiston for 12 years prior to going to LaGrande and their many friends and acquaintances wish them success.

Mr. Biggs, commander of the Oregon department, American Legion, in 1931, will take immediate possession of the paper.

RECORD CROWD WITNESSES ROUND-UP SATURDAY

The drizzling rain did not dampen the enthusiasm of spectators at the Round-Up in Pendleton Saturday as they watched the rapid-fire of events. Many Hermiston people attended the big show and expressed belief that it was among the best of the western rodeos put on in recent years.

Everett Shaw of Nowata, Oklahoma, won all-around championship honors at the Round-Up this year, becoming the possessor of the Sam Jackson trophy.

He took first honors in calf roping and second in steer roping with time of 83.1 in steer roping.

Bob Crosby, last year's winner of calf roping, took first place in steer roping this season with a time of 63.3-5 for three animals. Crosby gave an exhibition of roping a steer in 17.4-5 seconds. Everett Shaw took second, and Roy Adams third.

Floyd Stillings made a great ride on Russell Hawkins to take the bucking contest. Earwin Collins on Big Munn took second money and Floyd Myers on Phillip Rollins, was third.

Dairymen Agree.

Local dairymen have agreed on a uniform price on milk and cream, with one delivery a day, in the early morning and no delivery at night. The uniform price will be ten cents per quart, or thirty cents per gallon, and cream will be twenty cents per pint. This to be effective October 1, 1933.

The Puritan Dairy,
The Hermiston Dairy,

LEGION AUXILIARY NEWS Unit No. 37

The American Legion Auxiliary will hold installation of officers at the new club house October 5, which means that another year of service to the public has been completed. The emblem of the American Legion Auxiliary is the emblem of Americanism, which is the unity of love, singleness of allegiance, practicality of purpose, care of the distressed, the education of children, all directed to the promotion of a common good. It is with this principle that the Hermiston Unit works one year after another. All money raised by the Unit is used for welfare work, either in the community, the veteran's hospital or the State Child Welfare Bureau in Portland. The unit contributes a monthly check to the Veteran Hospital and child welfare in Portland. This last year we have received the utmost cooperation from the citizens and organizations in Hermiston. The Armistice Day program was well attended and Hermiston well advertised in eastern Oregon. As a patriotic organization, the Hermiston Unit is called upon to aid in the N.R.A. campaign. In this also we received a hearty response from the community.

Aside from our welfare work we are endeavoring with the help of the Legion Post to have our own building. As our plans develop we hope Hermiston will be as proud of the Legion building as are the members.

As retiring President of the Hermiston Unit of the American Legion Auxiliary, I wish to express our hearty appreciation for the community support in the past year's accomplishments. I further wish to state that the local unit of the American Legion Auxiliary is always willing to assist in any community and charitable enterprise and will appreciate information of welfare problems at any time.

BEATRICE CHRISTOPHERSON,
Retiring President.

Commercial Club Will Meet.

After a recess of several weeks the Hermiston Commercial club will meet again Friday night at 7:00 o'clock in the Hermiston Hotel, according to announcement made by the president, E. P. Dodd. Important matters are to be discussed and every member is urged to be present.

RING LARDNER, 48, DIED IN GOTHAM, NOTED HUMORIST

Ring Lardner, who once noted that there wasn't much difference between his native Niles, Mich., and his adopted New York because both begin with an "N", has lost his long fight against tuberculosis.

The lean six-foot humorist who made "You know me Al," and who became a ranking figure in American literature, died suddenly at his East Hampton, Long Island home last Monday night in the forty-eighth year of an active, interesting life.—East Oregonian.

Injured In Auto Wreck.

Miss Marian Henderson, daughter of Mrs. Georgia Henderson of Hermiston, received cuts and bruises about the face, when she was thrown into the windshield of a car Saturday morning, driven by Jasper Myers of Pine City. Mr. and Mrs. Myers and Miss Henderson were driving to Pendleton when the trailer of an oil truck sideswiped the car. Marian was taken to the Pendleton hospital and is recovering nicely at the home of a friend in Pendleton. It is hoped that she will be able to return to her duties as teacher in the Pine City schools in the near future.

FRATERNITIES ADOPT 'DEFERRED' PLEDGING.

EUGENE, Ore.—A new plan for selecting freshman students of the University of Oregon, known as "selective" or "deferred" pledging, will be put into effect by men's fraternities this year, it is announced by Virgil D. Earl, dean of men. The plan will be based on the "A.C.E." tests given to all entering students Monday and Tuesday of this week.

Students who score in the upper nine quartiles will be eligible to pledge fraternities of their choice, while those in the tenth or lowest quartile cannot pledge until they have earned a grade average of .75 for at least 12 hours during some subsequent term.

The system is expected to eliminate a class of students who many times have been responsible for low grade standings of fraternities, and who most often drop out early in their college careers. A higher grade standing and more satisfactory conditions in fraternities is expected to result from the plan, which is being watched by fraternities all over the country.

PRESIDENT GIVES APPROVAL OF BONNEVILLE DAM

BRIGHTER OUTLOOK SEEN FOR UMATILLA RAPIDS.

Allocation of Funds for High Dam Expected Today at Meeting Public Works Board.

The authorization of the Bonneville dam with two power units, by president Roosevelt Tuesday, has brightened the hope of the Tri-state Development league, which is working for a series of dams starting at Umatilla rapids in the Columbia and extending up the Snake to make navigation possible to Lewiston. This belief was expressed by E. P. Dodd, acting as executive secretary to the organization, when he returned to Hermiston Wednesday from Walla Walla.

"Now that the Bonneville people have won," says Dodd, "they will be willing to help us. We want the entire river opened and its freight and power possibilities developed. The Bonneville project cannot be a success without freight to move and backers cannot get the freight without the Umatilla rapids project, since 90 per cent of the tonnage is above and bottled up by the Umatilla rapids. We have greater hopes now of winning than before."

The Bonneville dam is a rivers and harbors project toward which Oregon will not have to contribute, and as such is a job for army engineers, as they wish to get to work right away. The project involves \$21,000,000, of which \$21,000,000 will be allocated immediately enough for two years' work.

The actual allocation of funds is expected at a meeting of the public works board today (Thursday).

BULLDOGS LOSE FIRST GAME OF SEASON TO KEN-HI

Showing surprising strength Kennewick high school last Friday swamped the weaker Hermiston team, 43 to 0, in the first game of the season for the Bulldogs.

The locals will meet the Moro high school team on the Hermiston field next Friday afternoon, Sept. 29. Moro is Coach Cochran's home town.

Starting lineup for Hermiston were:

J. Stewart and Dawson, ends; J. Reeves and T. Stewart, tackles; A. Settle and Kelkaka, guards; Pierce, center; F. Reeves and Chammess, halves; Harris, full; C. Paul, quarter.

Cannery Increases Output.

The Hermiston Co-operative Cannery surpassed its output for 1932 by an increase of 17,419 cans over last year. The total number of cans for 1932 were 23,195; 1933, 60,604.

Stores Will Close Friday.

All local business houses have agreed to close Friday afternoon between 2:00 and 4:00 o'clock during the football game between Moro high school team and the Bulldogs, on the local field.

DISTRICT EPWORTH LEAGUE CABINET WILL HOLD SESSION.

The district Epworth League Cabinet will hold session at the local Methodist church here Friday, September 29, beginning at 7:00 o'clock and continuing through Saturday. League officers and pastors from Pendleton, Arlington, Fossil, Heppner, Echo, and Hermiston are expected for this conference. Plans will be made for the young people throughout the district.

Routine business will follow a pot-luck supper and social hour. Walter Warner, conference president, will have charge of the program.

Chester Johnson Writes.

A letter received recently from Chester L. Johnson, cadet at the West Point Military Academy, N.Y., describes a life of activity. He says that after a life of drilling and parading, they have now settled down to nine months of study in algebra, geometry, English, and French, while fencing, swimming, boxing, wrestling, and gymnastics are side activities. The young cadet also says that they have not neglected to teach them how to shine shoes and brass. Chester sends greetings to all his friends.

WHAT NEWSREEL MEN DO TO OBTAIN THEIR NEWS.

Moviegoers who wonder how newsreel material is assembled will learn their answer from "Headline Shooter," at the Oasis theatre Sunday and Monday, in which William Gargan as a newsreel man breaks every man-made law to "scoop" the world, his love for Frances Dee being not even a deterrent.

The camera reporter, lies, cheats and sins to get the news. He consorts with underworld riff-raff seeking tips on gang killings he can photograph. He invades the sanctity of a bereaved household to snap a picture of the widow of a notorious character. He forces his way into a prison death-chamber to get a close-up of the contorted features of a condemned murderer.

When gangdom turns the tables and trains machine-gun fire on his camera lens in order to shoot the "Headline Shooter," Gargan and Miss Dee, newspaper reporter, find themselves truly on the spot.

"Headline Shooter" is an RKO Radio Picture directed by Otto Brower, with Ralph Bellamy, Gregory Ratoff, Wallace Ford and Jack La Rue in the supporting cast.

E. T. ERICKSON VISITS AFTER YEARS OF ABSENCE

E. T. Erickson, resident of Hermiston in 1909 when employed by the reclamation service, visited old friends and acquaintances here the first of the week, while enroute to his present home in Corvallis, from points at Minneapolis and in Wisconsin where he has visited for the past three months. Mr. Erickson has been retired from the reclamation service for the past year. While living in Hermiston he purchased the five acres now owned by A. F. Rohman and planted it to orchard. He later acquired the five acres now owned by A. F. Benschel.

Mr. Erickson worked for the reclamation service for 20 years, but since his retirement has made his home in Corvallis with his daughter. Surprise was expressed by Mr. Erickson when he spoke of the noticeable improvement in the scenic beauty of the city of Hermiston and surrounding project. He left for his home Wednesday morning.

C.C.C. WORK REPORT AT FROG HEAVEN CAMP INTERESTING

A summary of the work accomplished up to the present date by the civilian conservation corps boys working out of the Frog Heaven camp, above Ukiah, has been released by Robt. J. Brack, camp superintendent. Projects approved and completed to date are:

Thirty miles new road construction; 11 miles betterment approaching new construction; 45 miles maintenance of old roads.

Eleven miles new horse trail construction.

Twenty miles new telegraph line construction; 48 miles maintenance of old telephone lines.

Three spring water developments for stock.

Twelve miles barb wire stock drift fence.

One driveway shelter for stockmen.

There has been a marked production increase in the 12,600 civilian camps over previous work reports, due to the fact that the boys have become accustomed to the use of tools, necessary equipment for road building has been installed, and the camp buildings completed, releasing the men to labor on other projects.

Butter Creek-Minnehaha

By Mrs. Wm. Hinehine

M. T. Matott returned Wednesday from a hunting trip with a large deer.

Mr. and Mrs. C. M. Jackson and sons Bill and Bob spent the week end in Portland.

Mrs. W. L. Pearson returned from Walla Walla Monday. She had been there with Annie who was operated on for appendicitis last week.

Miss Nora McDaid and Miss Margaret McDaid are now attending the Eastern Oregon Normal school at LaGrande. Margaret enters as a junior and Nora as a senior.

Mrs. Johnny Doherty returned last Thursday from the St. Anthony hospital in Pendleton. She is convalescing following an appendicitis operation.

Miss Grace Rodda was home the latter part of last week but returned to Pendleton Saturday to attend the Round-Up.

Others attending the Round-Up were Mr. and Mrs. Ralph Richard and children. Mr. and Mrs. W. J. McDaid and Mary Doherty.

J. V. Allen, who has been in Spokane, returned home Saturday.

Bill Comstock made a trip to Portland last week to visit his mother, Mrs. Gladys Comstock who is in the hospital there. She underwent a recent operation. He was accompanied by Miss Georgia Thom.

Mr. and Mrs. W. G. Rodda were business visitors in Pendleton Monday.

A. D. Smith of the Westland district was in Pendleton Monday attending to business.

Mr. and Mrs. Jack Bellinger and Mr. and Mrs. A. G. Needles of Independence, Ore., visited last week at the Needles home. Mrs. Bellinger is their daughter and Mr. Needles is their son.

Bend Editor Visits.

Judge Robert W. Sawyer, president of the Oregon Reclamation Congress and editor of the Bend Bulletin, visited a short while in Hermiston Monday, while enroute to Baker to attend a meeting of the Oregon reclamation congress.

Improving.

Little Miss Elaine Percival, accident patient, is getting along nicely. She is the daughter of Mr. and Mrs. Sidney Percival of Madras, Ore., and was injured in an accident near Umatilla September 4th.

MASS MEETING SEES ORGANIZATION BOY SCOUT TROOP

IRRIGON TROOP NO. 64 PRESENTED CHARTER TUESDAY.

Scout Executive Robert H. Hayes, Present for Installation; Community Supports Move.

IRRIGON, Ore., Sept. 26 (Special)—At a meeting held at the Irrigon school house on Tuesday night, at which about 120 were present from Hermiston, Umatilla, and Irrigon, the Irrigon Boy Scout Troop designated as Troop 64 was officially presented its charter and individual membership cards by Mr. Robert H. Hayes of Walla Walla, Scout Executive for this district.

Demonstrations in firemaking, signal signs, tying ropes, and Boy Scout camp life were made by the Irrigon scouts. Short talks relative to boy scout activities were given by Lewis Dexter, scout of the Umatilla troop, and Earl Watson, scout of the Hermiston Troop. Devere Brown and Oscar Payne, scoutmasters respectively of the Umatilla and Hermiston troops, gave very interesting talks on the need for backing from the community and scout committeemen and opportunity for service every scoutmaster has in boy scout work if he has backing and does not get discouraged.

Mr. Hayes gave a clear and vivid picture of the extent and influence of the world-wide boy scout organization, and what it means to the boys and communities where boy scouts live. Led by Mr. Hayes, games were played by young and old, after which a lunch was enjoyed by all.

NEW RELIGIOUS COURSES OFFERED AT U. OF O.

EUGENE, Ore.—Credit courses in religion, of equal academic standing with others in the institution, will be given at the University of Oregon starting this fall term. A definite movement to establish the courses was begun several years ago, and the establishment of the work marks the culmination of this effort.

The work will be non-sectarian in spirit and is sponsored voluntarily by a representative group of the university faculty who feel students should have an opportunity to study religion on the same scholarly basis as every other course in the curriculum.

Ten courses will be taught by Professor E. W. Warrington, who will head the department both here and at the Oregon State college.

E. L. YEAGER.

E. L. Yeager, 42, brother of Robert Yeager of Hermiston, died suddenly at his home in Portola, Calif., following a paralytic stroke, Friday, Sept. 22. Mr. Yeager and family visited in Hermiston the latter part of August.

Mr. Yeager is survived by his widow, one son, Charles; four brothers, Robert of Hermiston; Walter of Spirit Lake, Idaho, Frank and Ernest of Walla Walla, Wn.; three sisters, Mrs. F. Cole of LaGrande, Mrs. Dan Parker of Elgin, and Mrs. Wm. Gent of Enterprise.

ALONG THE CONCRETE

"Shorty" Matott describing the kill of his 244 pound buck. "Shorty" had to have a little help to bring him in but he says he bagged him all by himself.

The bagging of deer this season is greater than ever—especially on the Main street.

The smell of the old printer's ink got the best of J. M. Biggs. He has purchased the Hood River Glacier.

We have discovered just when is the best time to visit the turkey flocks—the birds make least disturbance on a pitch-black night. We would advise against any approach to the Jendzejewski flock, however, because Mrs. J. can use a gun with the greatest skill.

Kelley has been captured—but not the Kelley with the green neck tie. Just a kidnap.

Eugene Hanby says himself that he rarely knows where he can be found.
