The Hermiston Herald

Work is desirable, first and foremost, as a preventative of boredom. —Bertrand Russell.

VOLUME XXVIII NUMBER 12

HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, NOVEMBER 16, 1933

SUBSCRIPTION, \$1.00 PER YEAR

CITY COUNCIL PASSES ORDINANCE AGAINST GAMBLING

RADIO INTERFERENCE ORDINANCE WILL BE CHECKED.

Ordinance Also Prohibits Use of Slot Machines and Punch Boards; Immediate Observance Required.

An ordinance prohibiting gambling, slot machines and punch boards, was passed by the city council at its regular meeting Wednesday night. The mayor has ten days in which to sign the ordinance.

In the meantime, until the ordinance is signed, operators of punch boards will have time to clean up their present stock. The phase of the ordinance dealing with gambling and slot machines takes effect immediately, it was pointed out at the meeting.

Other business brought before the council was the acceptance of the budget as presented at the last regular meeting. It was suggested that a re-check be made to locate the cause of radio interference, and that the ordinance dealing with that be enforced.

The text of the ordinance follows:

Ordinance No. 149.

An ordinance prohibiting gambling, slot machines and punch boards.

THE CITY OF HERMISTON DOES ORDAIN AS FOLLOWS:

Section 1. It shall be unlawful for any person, firm or corporation to deal, play or carry on, pen or cause to be opened, or to conduct either as owner, proprietor or employee, whether for hire or not, any game of far, monte, roulette, rouge et noir, lanquet, rondo, vingtun or twenty-one, poker, draw poker, brag, bluff, thaw or any banking or any other game played with cards, dice or any other device, whether the same be played for money, checks, credits or any other representative of value, within the City of Hermiston.

Section 2. It shall be unlawful for any person, firm or corporation to conduct, maintain, or operate, either as owner, proprietor, lessee, employee or agent or to play or use any nickle-in-the-slot machine or other device of like character where in there enters any element of chance, whether the same be played for money, checks, credits or other things or representative of value within the City of Hermiston.

Section 3. It shall be unlawful for any person, firm or corporation to conduct, maintain, or operate, either as proprietor, lessee, employee, or agent or to play any punch board or other device of like character wherein there enters any element of chance, whether the same be played for money, checks, credits or other things of value or representative of value within the City of Hermiston.

Any person, firm or corporation found guilty of violating any of the provisions of this ordinance shall be punished by a fine of not less than \$5.00 and not more than \$100.

City council members present were B. S. Kingsley, George Wagner, J. G. Pearson, N. R. Mueller, B. Hanelme, and Mayor McKenzie, and W. J. Warner, city attorney.

"LADIES MUST LOVE"

COMING TO OASIS

What are the details of the private lives of New York's gold-digging damsels? What goes on in the boudoirs of these scheming "ladies of the evening"? What are the secrets of Broadway's professional purveyors of pulchritude?

The answers of these interesting questions are provided in "Ladies Must Love," Universal's gay musical picture which plays Sunday and Monday at the Oasis theatre, with June Knight, Neil Hamilton, Dorothy Burgess, Mary Carlisle and Sally O'Neil in featured roles.

LEGION AUXILIARY NOTES

A very large meeting was held last Thursday in the Legion hall, conducted by the vice president, Mrs. Anna Castric. Plans were made for December. A trio, quartet and chorus is to be organized under the direction of the music chairman, Mrs. Hamm.

Delightful refreshments were served by the hostesses, Mrs. Enos Martin and Mrs. E. E. McPherson.

AUTO LICENSE RENEWAL SEASON AGAIN APPROACHES.

Automobile owners in Oregon will receive reminders this week of the approach of another registration year, when more than 250,000 letters are released in the mails by Hal E. Hoss, Secretary of State.

A twelve-month license may be purchased for \$5.00 for private passenger cars to be registered for the year 1934, the new rate being the lowest enjoyed by car owners for many years. A return to the earlier plan of registering motor vehicles on a calendar-year basis brings a renewal season twice within the twelve months, as well as restoring Oregon to a registration year on a similar schedule with other states in the union.

"Those desiring to make application for plates for the new season at an early date may send in their remittances and their registration cards, properly signed, at any time and plates will be mailed from Salem to reach the applicants on December 15, the first date on which 1934 licenses may be used," suggests Mr. Hoss.

A drawing for low license numbers will be held on November 27 and all applications received at that time will be included. Special numbers will not be assigned in order to continue the expeditious handling of plates.

RELATIVE OF DYER BROTHERS DIES IN CHICAGO RECENTLY.

A press notice in the Columbus Dispatch, Columbus, Ohio, tells of the death of Leonidas B. Dyer, brother of L. C. Dyer, Joe Dyer, and Waldo Dyer of Hermiston. The notice is as follows:

Funeral services for Leonidas B. Dyer, aged 71, Chicago attorney and prominent Mason, whose death occurred Saturday night, October 21, at the home of his brother, Amos O. Dyer, 272 South Hague avenue, were held at Westgate temple Tuesday at 10 a. m. Columbus Commandery conducted the services.

"Dyer, who was visiting his brother when taken ill, received his first degree in Masonry in Manifou lodge No. 68, at Pike's Peak, Colo., in 1890, and his last in the Shenandoah Caverns, Va., in 1927, when the Grand Assembly of the District of Columbia conferred the crypt degree upon him.

"He was a past lecturer for the Illinois grand lodge, past high priest of the Chicago Consistory, past worthy patron of the Eastern Star, past relative of Orient Commandery No. 5 Washington, D. C., chaplain of Columbia Council, R. & S. M., and a member of Humboldt lodge of Chicago Capital Chapter No. 11, R. & A. M.

"For 15 years Dyer was a federal examiner of real estate abstracts in Washington, D. C."

Hospital Notes

Mrs. F. B. Brown and baby of Irigon, returned to their home early this week.

Betty Goff, daughter of Mr. and Mrs. Jess Goff, is greatly improved and will probably be able to leave the hospital the last of this week.

Mr. Porter of Boardman, is now greatly improved and will be able to leave the hospital within the next week.

TWO FEATURES ON AT OASIS THEATRE THIS WEEK

A compact little romance and some informative sequences showing oilwell drilling, the bringing in of a gusher and a destructive fire in an oil region are packed into a swiftly moving comedy drama called "Flaming Gold," which is the first half of the bargain program at the Oasis theatre for Friday and Saturday.

Mae Clark, looking her best with a smart, mannish bob, has the chief feminine role in the feature. The second half of the bargain program is a mystery film of unusual thrills.

The inimitable flair of the late Edgar Wallace, celebrated author and criminologist, for creating jittery horror for his readers is peculiarly demonstrated in the theme of his last story, "Before Dawn," with Stuart Erwin, Dorothy Wilson, Warner Oland and Dudley Digges.

E. P. Dodd returned from Spokane and Seattle last Friday and is spending a few days with his family while attending to business affairs.

LOCAL CLUB FAVORS USE FEDERAL FUNDS ON SECONDARY ROADS

\$779,000 PROPOSED FOR PENDLETON-COLD SPRINGS ROAD.

Decision Follows Report That Highway Included in Program if Federal Funds Are Obtained.

At a special meeting of the Hermiston Commercial Club Tuesday night a committee was appointed to draw up a resolution favoring the use of federal and state money for the improvement of the Columbia highway and existing secondary roads, instead of for the construction of new highways.

This decision was reached following a report that the state highway commission was considering the use of federal funds for the construction of the Pendleton-Cold Springs highway. Ten highway projects, aggregating slightly over \$5,000,000 will be in the first "layer" of projects submitted to the state advisory board by the highway commission in connection with the proposed \$15,000,000 federal loan program. The Pendleton-Cold Springs highway would entail the expenditure of \$779,000.

Other business coming before the meeting was the consideration of a letter from the county court asking the opinion of the club in the matter of building a new county court house at Pendleton providing federal funds available could be matched with county funds, at the cost of \$405,000. A unanimous vote against this program was cast.

A report was heard from H. J. Stillings as head of a committee to solicit funds to carry on the work of the Tri-state Development League. He stated that the majority of the communities assessed had remitted.

Before the meeting adjourned President E. P. Dodd gave a summary of his work in the Umatilla rapid development program. He had recently returned from Spokane and Seattle where the public press responded readily by giving publicity to the project.

The local road committee consists of W. J. Warner, F. C. McKenzie, J. G. Pearson, Raymond Walker, and O. O. Felthouse.

CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors who comforted us in our recent bereavement. We also express our appreciation to the Irrigon school faculty, the singers, pall bearers, and for the many beautiful flowers.

MR. AND MRS. J. R. OLIVER and daughter EATHEL.
MR. AND MRS. GUS HOLLETT

Miss June Whitney of Kenewick, Wn., visited Saturday night with her father, B. I. Whitney of Hermiston.

IRRIGON HIGH SCHOOL BOY DIES OF SPINAL MENINGITIS

Floyd Allan Oliver, 19-year-old high school boy of Irrigon, and son of Mr. and Mrs. J. R. Oliver, died at the St. Mary's hospital in Walla Walla Thursday, November 16. Funeral services were held in Echo Sunday afternoon with Rev. O. W. Payne officiating.

He became ill suddenly and was taken to Walla Walla, where he passed away within a few hours. His death was due to spinal meningitis. Floyd was born in Centerville, Wn., October 12, 1914, where he lived until his parents moved to Irrigon. He was active in athletics, band, and Boy Scout work, having recently been appointed assistant scout master of the Irrigon troop.

He is survived by his parents Mr. and Mrs. J. R. Oliver, one sister, Ethel, one grandmother at Irrigon, Mrs. Laura Markham; one grandmother at Centerville, Wn., Mrs. Gus Hollett; and one grandfather, Wm. Proll at Chewelah, Wn.

MUSICAL CONCERT OF HIGH QUALITY HEARD SUNDAY.

One of the best and most high class musical concerts heard in Hermiston this year was presented Sunday afternoon in the Baptist church under the direction of Miss Golda Mumma. A good crowd attended the concert and every number was thoroughly enjoyed.

Most of the participants were from Hermiston and Stanfield, and every number appeared except the male quartet which was unable to sing because one member was indisposed with a bad cold. Stanfield people appearing included: Miss Esther Fredrecks, Miss Helen Fredrecks, Billie Hedrick, Jane Gibson, Katharine Olday, and E. Hoosier. Hermiston people were: Mrs. J. M. Norton, Miss Golda Mumma, Vernon Waterman and Arlyne Clark.

WALTER M. PIERCE WILL SPEAK HERE NOVEMBER 22

In carrying out the program of the administration Walter M. Pierce will speak in Hermiston Wednesday, November 22, in behalf of the NRA and the Columbia river development program. The meeting will be held in the Hermiston Union church starting at 8:00 o'clock.

Congressman Pierce has been appearing at public gatherings during the past few months speaking in behalf of the National Recovery program and explaining any phase that is not understood. The meeting here has been arranged by H. J. Stillings, district chairman.

FORMER HERMISTON RESIDENT DIES AT MASONIC HOME

MASONIC SERVICES HELD AT ECHO SUNDAY AFTERNOON.

Homesteaded Part of Old Templeton Place in Columbia District in Year 1917.

Frank Rack, age 84, died Thursday, November 9, at the Masonic home in Forest Grove, Oregon. Funeral services were held in Echo Sunday afternoon with Rev. O. W. Payne of Hermiston officiating. There was a Masonic service at the cemetery.

Frank Rack came to America from Munich Bavaria, Germany, in 1908, and visited his home land only after coming to this country. He joined the Masonic order in 1876 as a charter member of the Umatilla lodge. He assisted in the moving of the Masonic building from Umatilla to Echo where it still stands.

For nearly twenty years Mr. Rack lived on a ranch in the Umatilla Meadows near Stanfield. In 1910 he sold the ranch and moved to Pendleton where he made his home for a few years before going to Canada to homestead improved land. In 1917 he returned to Pendleton and then came to Hermiston where he bought a small, undeveloped place in the Columbia district, which was a part of the old Templeton farm. He made his home here until 1927 when he sold and went to the Masonic home at Forest Grove, Oregon. Here he lived an active life until last summer when he suffered a stroke.

Mr. Rack had no relatives in America and the last rites were read by his brothers of the Masonic order of which he had been a member for 57 years.

AMERICAN LEGION WILL HOLD OPEN HOUSE IN NEW HALL

The local post of the American Legion will hold open house Friday night, November 17, between the hours of 7:30 and 9:30 o'clock in the new club house on Main street.

The Legion members would like to have the general public view the building since it has been completed and furnished. Entertainment will be furnished and refreshments served without charge to those who wish to attend.

Power Official Visits.

B. J. Whitworth, president of the American States Public Service Co. of Los Angeles, Calif., was a dinner guest of Mr. and Mrs. J. A. Clarke last Thursday evening. Mr. Clarke is manager of the Hermiston Light & Power company.

COUNTY HEALTH NURSE SPEAKS BEFORE P. T. A.

The county health nurse, Mrs. Hinegardner, spoke before the Parent-teachers association Wednesday night upon the subject of inoculation as a diphtheria and smallpox preventative. A small fee will be charged she said, but for families who cannot give their children this preventative, the Forty and Eight of the American Legion will take care of the expense.

Dr. A. W. Christopherson, city health nurse, discussed the cause and treatment of diphtheria as a contagious disease.

During the regular routine of business which was conducted by Mrs. W. L. Hamm, president, the association voted to continue the hot lunches for children again this year. A motion was made and carried that the group support the city ordinance being presented to the city council Wednesday night, prohibiting gambling, slot machines and punch boards in the city. A delegation was sent to appear before the city council favoring the ordinance.

Numbers on the program included several selections by seventh grade pupils directed by Miss Norma Johnson; selections by the high school glee club directed by Mrs. James Clayton; and several numbers by a group of pupils in a dramatic class conducted by Mrs. Cora Combs-Olday of Stanfield. They were Roy Loughery, Gale Martin, Donnie Refvem, Billie Penney, and Maurice Hutton.

FARM SOIL EXPERIMENTS GIVE FERTILITY GUIDE.

Applications of potash, phosphate, sulphate and nitrate fertilizers this year have yielded results of practical value on Oregon farms, as shown in the experiments carried on by the soils department of the Oregon State College experiment station in cooperation with growers and county agents.

The value of these trials increases with time and where well located, they are maintained indefinitely as fundamental in developing methods of permanently and economically maintaining soil fertility, says Dr. W. L. Powers, chief in soils at O.S.C.

Use the potash on peat where mint is grown on the Herold ranch at Lake Labish near Salem has given most striking results during the past season. Potassium sulfate at the rate of one pound per square rod has trebled the yield of mint hay and oil. The quality of oil was also increased by fertilization last year, chemical tests showed. This treatment resulted in the mint withstanding a destructive freeze much better. The yield was correspondingly increased during the second season from last year's application.

Phosphate gave a good crop increase with small grains on the Hogg and Domes ranches in Polk county and gave a marked increase in the yield of field peas grown on the Willamette loam on the Hagg Brothers place near Reedville. Phosphate has resulted in increased seed yield and earlier maturity on corn plots of the permanent fertilizer experiment fields in the vicinity of Corvallis.

The yields have been almost doubled by the use of calcium sulfate (landplaster) on red and ladino clover grown on the east college farm on Chehalis loam. Need of sulfates is also apparent from the yields secured on red hill soil type known as Olympic silt loam in cooperative fertilizer experiments at the Gilbert farm.

In a fertilizer trial on the Miller Brothers' ranch on Amity silt loam just north of McMinnville early spring application of calcium nitrate costing at the rate of \$1.65 an acre made an increase of 18 bushels of wheat, or a marked decrease in unit cost.

U. O. STUDENTS SEEK OXFORD SCHOLARSHIP.

EUGENE, Ore.—Six students of the University of Oregon have been selected from a field of 14 to compete for the Rhodes Scholarship to Oxford University, England, it was announced today by Dr. George Rebec, dean of the graduate division and chairman of examination committee. They are James T. Landye, of Portland, James W. Brooke, John R. Dunbar, George Harrington, all of Eugene; Robert Hayter, Dallas, and Irvin B. Hill, Cushman. From the Northwest group two will be selected to go to Oxford. Since 1916 the university has had nine students win the coveted honor.

FIGHTING BULLDOGS HOLD OPPONENTS SCORELESS, 0-0

LOCALS STRONG ON DEFENSIVE; PASSES INTERCEPTED.

Average Yardage Close for Both Teams; Punting Pair Spoil Scoring Possibilities.

By Burke Doyle.

The Bulldogs again held Heppner to a close score of 0-0 in the big Armistice day game at Arlington Saturday, which was close to the final game of the season for them. There is a possibility that two more games will be played but no date has definitely been set.

As the opening whistle blew Hermiston kicked off to Thomas, Heppner's flashy quarterback. The ball was downed on Heppner's 20 yard line for a very small return.

It was then Heppner's ball, first and ten, on their own 20 yard line. Heppner tried several line bucks in the proceeding downs but the strong and charging Bulldog defense line held them for very little gain. A series of passes followed this. The passes also were unsuccessful. Harris, Bulldog fullback, intercepted two of Heppner's long passes and made good yardage on both. Fred Hensel, half for Hermiston also showed very good on intercepting and returning passes.

The first quarter ended, as did the game, scoreless. The ball had seaward from one end of the field to the other, during the first part, with one team gaining about as much yardage as the other. The second quarter found Heppner threatening to score several times, but the strong line and secondary defense of Hermiston held, and Clark Paul wanted them out of dangerous territory. During this quarter Paul and Thomas displayed some wonderful punts for both teams.

During the third and fourth quarters both teams fought harder; Hermiston outcharged Heppner to some extent, but were unable to score. Wells returned a punt for Hermiston about 12 yards, and gains after that were small. The fourth quarter saw a lot of passing by both teams.

ALONG THE CONCRETE

Monday morning it was revealed that the once-coveted parking space behind the sign boards near the bank had lost its attraction. In fact it was a painful revelation to all local citizens of the work a day world, to see the surface torn off the sign board framework, making it decidedly transparent.

VanSkyke's turkey hen celebrated on Armistice, November 11th, by laying an egg. This is unusually early. She has laid two eggs since.

Someone has asked what the heck you would give a nudist for Christmas? A wrist watch is suggested.

N. R. Mueller, his boy, and his dog making their usual morning calls. While waiting his dog made a perfect silhouette in the Oregon Hardware window until his attention was drawn away and he moved.

You couldn't see J. H. Reid in his little old Ford the other morning for—egg crates to the left of him, egg crates to the right of him, and egg crates to the reverse of him. But the little old Ford rambled right along.

There was danger of a run-away down Main street last Friday when P. P. Sullivan, Justice of the Peace, drove his team of horses at a trot down the main thoroughfare.

Did you ever hear of the family in the apartment house who were going to move because the walls weren't thin enough so they could hear what their neighbors said.
