

RE CRASHES!!

PENDLETON, OREGON

to fill their needs below that of former low prices.

Now!

FAILED, because of the lull in business, the owner is forced to place the New York Store into the hands of this company to do whatever they see fit to raise money. The policy of this firm is such that losses sustained by cutting deep into prices is a secondary matter, so long as the objective is obtained. Replacement will mean a tremendous sacrifice on my part.
