HERMISTON, UMATILLA COUNTY, OREGON, THURSDAY, NOVEMBER 30, 1933

SUBSCRIPTION, \$1.00 PER YEAR

## THREE BOY SCOUT TROOPS PARTICIPATE IN COURT OF HONOR

### CHIEF EXECUTIVE ROBERT HAYS PRESENTS AWARDS.

#### Boys Encouraged to Appear Regularly Before Court for Advancement; Parent Interest Helpful.

The Boy Scouts of Irrigon, Umatilla and Hermiston gathered at the Odd Fellows hall in Hermiston Friday night for a Court of Honor and general get-together meeting. Chief Executive Robert Hays of Walla Walla was present to award merit badges to a number of scouts who successfully passed the board of review.

Scoutmaster Oscar Payne of Hermiston Troop 56, introduced Chief Robert Hays, who gave greetings from the Blue Mountain Council, with headquarters in Walla Walla, and an inspiring talk to the group present. He especially stressed regular appearance of the boys before the Court of Honor for advancement. Every boy in the troop should at least come up for one merit badge at each court of honor meeting, he stated. He also encouraged and urged fathers and mothers to come and mingle with the boys and show them their interest in the boy scout work.

C. R. McCoy, scoutmaster of Irrigon troop 64, presented Robert Bruce, second class scout, who had his application in for firemanship, and Wayne Caldwell in woodcarving. Both boys were presented certificates for the award.

Devee Brown, scoutmaster of Umatilla troop 58, presented Marshall Bray, first class scout, who came before the board of review for his personal health merit badge. He explained the effect of hot and cold water on the physical body. Lewis Dexter, who had successfully passed the Court of Honor for the safety merit badge, was brought before the board of review, demonstrating an ice rescue. Both boys were presented with merit badges in recognition of their work.

Al Quiring, secretary of the Hermiston troop, presented Paul Marble, first class scout, who passed the board of review for two merit badges—leathercraft and bookbinding. He gave a very good account of his knowledge on both of these subjects, producing specimens of his work which were passed around for examination. Owen Jennings was next presented and had as his assignment to demonstrate tire repair for his cycling merit badge. He explained in detail how to repair a puncture and other necessary things a scout must know to obtain the cycling merit badge which was presented to him by Mr. Hayes.

The Court of Honor consisted of Chief Robert Hays of Walla Walla, William Bloom, Mr. Van Schoelack, and W. O. Miller of Umatilla; F. D. Brace and Ray Minnick of Irrigon; and M. L. Watson and Al Quiring of Hermiston.

Interesting games were enjoyed by all those present, which included eleven each from the three different towns.

## HOSPITAL NOTES

Dale Myers, son of Mr. and Mrs. L. O. Myers of Stanfield, was operated upon for ruptured appendix. He has had a somewhat stormy recovery but now appears to be out of danger.

Mrs. Ursel Hiatt of Umatilla was brought into the hospital seriously ill and underwent an operation which resulted in a prompt cure. She has returned to her home in Umatilla.

Betty Goff, daughter of Mr. and Mrs. Jess Goff of the Umatilla airport, is remaining in the hospital. Her condition underwent a slight setback during the past week but she appears to be improving at this time.

Mr. Porter of the Boardman airport, who was severely burned by a gasoline explosion several weeks ago is now up and about and is delaying his discharge until his leg is entirely healed.

Mrs. Harry Ervin of Umatilla entered the hospital for several days during the past week.

## BIG WHEAT MEET WILL BE HELD DECEMBER 8-9

After one of the most eventful years for the wheat grower in recent times, members of the Eastern Oregon Wheat League, among the state's most active farm groups, will meet in Moro December 8 and 9, to review the events of the past and plan for those of the future.

Since its inception, this wheat growers' organization has been known as one that is not content to meet and pass resolutions to be soon forgotten, but instead it provides machinery for following up its recommendations so that each passing year finds much of its program being put into effect by the state and to some extent by the nation.

Business of the convention will be handled again this year on a committee basis, announces Charles Smith, Heppner, secretary of the league. These have been reduced to four major groups made up of 183 of the leading growers from every section of the Columbia basin. Growers head these committees with representatives of the state college school of agriculture as secretaries.

Committee heads this year are: Taxation and legislation, J. B. Adams, Moro, chairman, and E. R. Jackman, Corvallis, secretary; Marketing and finance, Charles Harth, The Dalles, chairman, and E. L. Potter, Corvallis, secretary; Transportation, L. J. Kelly, The Dalles, chairman, and W. W. Lawrence, The Dalles, secretary; wheat handling, warehousing, production, etc., H. D. Proudfoot, Wasco, chairman, and G. R. Hyslop, Corvallis, secretary.

Moro is preparing to entertain a large attendance as past experience has proved that eastern Oregon growers attend in force regardless of handicaps. Last year when financial conditions had reached their lowest ebb, scores went to the annual meeting, set up group batching quarters where they prepared their own meals and slept at practically no cash expense. Despite this, or because of it, the meeting was declared to be the most interesting and successful of all.

## SPECIAL PROGRAM IS OFFERED FOR THANKSGIVING DAY

"College Humor," a Paramount film play heralded as a gay and giddy comedy-satire, will play at the Oasis theatre Thursday, Friday and Saturday, with a matinee Thanksgiving day.

In the cast are Bing Crosby as a crooning professor, Jack Oakie as a milk-fed freshman, Richard Arlen as an all-American line wrecker who mixes liquor and girl trouble with his football, George Burns and Tracie Allen as campus caterers, Mary Carlisle as the school siren, and Mary Borman as a co-ed whose mind runs to football sweaters, fraternity pins and automobiles.

The film is promised as a well mixed batch of nonsense in keeping with the title, going dramatic only enough to provide contrast for the comedy, and presenting all the old college comedy hokum with a new slant that makes it dizzy and delightful.

Though the picture is not primarily a musical, several songs, mainly by Bing Crosby, are introduced, and there are some dancing interludes, along with a couple of football games, all totaling up, according to promises of the studio and theatre, as frivolous foolery that any member of the family can enjoy.

To complete the program there is a cartoon and one of those delightful kid comedies starring the great Mickey McGuire.

## Inoculations Will Start Monday.

Inoculations of school children for smallpox and diphtheria will start Monday at 9:00 o'clock at the school house, with Dr. A. W. Christopherson, city health officer, and Mrs. Ruth Hinegardner, county health nurse, administering the toxin and antitoxin. A minimum charge of fifty cents will be made. Children under school age may receive this treatment if arrangements are made with Superintendent McAtee in advance in order that time may be reserved accordingly. A committee of local women will also assist the doctor and nurse. They are Mrs. W. L. Morgan, Mrs. Curtis Simons, Mrs. J. M. Norton, and Mrs. A. W. Christopherson.

Charles Zerlinek of Chicago had 16 men arrested and fined for getting him drunk and cutting off his mustache.

## UNEMPLOYED MEN BACK TO WORK ON LOCAL CWA PROJECTS

### LABOR TAKEN FROM ROLL OF UNEMPLOYED AT PENDLETON

#### Number of Employed in Emergency Program Will Reach 21,000 by December 15.

Twenty-one unemployed men were put to work in Hermiston last Monday on emergency projects designed to afford relief during the most pressing months of the winter season. This special work is being accomplished with funds from the Civil Works administration which will enable the state of Oregon to employ 21,000 men during the next month.

The first consideration in gaining employment on these projects is to be listed with the re-employment agency at the Elk's Temple in Pendleton. The list of men employed on the Hermiston projects has been taken from the list of unemployed men registered in Pendleton. H. A. Pankow is supervising the work in Hermiston and has 21 men working to complete the renovation of the city water works. The next project, upon which work started the first of the week, is leveling and resurfacing the road from the Farm Bureau to the Thomas Campbell farm. Six men, a truck, and a team are now working on that project and the remainder of the crew will be shifted to that work the last of the week. All work on these projects within the city limits must be completed by January 5th, Mr. Pankow said.

In Oregon the first contingent of 3000 will transfer from relief rolls to payrolls, and as the work assignments continue it is expected that the state's full quota of 21,000 will be working by December 15. Of the first group to be employed in the state 3488 will be from Multnomah county.

Judge Cheshire has been appointed chairman for Umatilla county for the CWA, and has charge of disbursements made to the towns in the county. Hermiston received \$15,000 for projects within the city limits.

A new septic tank and sewerage disposal system is being financed at the experiment station with CWA funds. Leveling and stripping of land at the station is being financed from the PWA fund.

## Weather Report.

Date	Max.	Min.
November 23	68	38
November 24	65	33
November 25	57	26
November 26	67	25
November 27	55	29
November 28	51	28

Precipitation was .01 this week.

## E. R. ANDERSON DIES FROM WEART DISEASE SUNDAY.

E. R. Anderson, 40, passed away Sunday morning at his home on the place known as the Agnew farm, following a heart attack. He has suffered from recurrent attacks for years and was unable to do strenuous work.

Anderson, who was born September 4, 1893, at Spring Valley, near Waitsburg, was educated in Walla Walla.

Mr. Anderson had been a farmer in the Minnehaha district for the past two years and was well known. He is survived by his widow, Velma Anderson; two small sons, Robert Ray and Albert Lenhard, and a three-month-old daughter, Barbara Helen, also a daughter by a former marriage, Dorothy E. Anderson of Walla Walla. He also leaves his father, Ed Anderson of Hermiston, one brother, Charlie Anderson, formerly of Walla Walla, and five uncles.

Funeral arrangements have not been made but it is thought the services will be held Friday after Mr. Anderson's brother arrives from Clinton, Iowa, Thursday.

## FEW ARMY VACANCIES LEFT, SAYS RECRUITING OFFICER.

Major Paul Hathaway, U. S. Army Recruiting Officer, 323 New Post Office Building, Portland, Ore., states that response to recent announcements that the Army is accepting men for enlistment has been so great that it is very probable that remaining vacancies will be filled in a very short time. Vacancies are still available in the 10th Field Artillery, Fort Lewis, Washington, and in the 7th Infantry at Vancouver Barracks, Wash.

Many deserving young men were disappointed in their efforts to be enrolled for duty with the C. C. C. due to the limited quotas and due also to the fact that one of the first requirements for enrollment was that the applicant have bona fide dependents. Those men who were disappointed in their hope to get into the C.C.C. still have an opportunity to enlist in the regular army. Application for enlistment should not be delayed, however, as it is believed that remaining vacancies will soon be filled and that it will be necessary to establish a waiting list as has been done in the past two years. Two hundred and forty-nine men have been enlisted by the Portland Recruiting Station during the past four months.

## Plead Guilty.

The following six men from the Hermiston district were each fined \$50, one-half being remitted, and costs in justice court Monday morning when they entered a plea of guilty to hunting between sunset and sunrise: H. T. Hunt, Floyd Lynch, Jack Smith, William Luttrell, L. W. Moore, and Carl Lynch. They were arrested by a state police officer at 5:30 p. m. yesterday near the Cold Springs reservoir.—East Oregonian.

## TOWN FOOTBALL TEAM WILL PLAY WASCO HERE SUNDAY

### LOCALS WERE DEFEATED IN PREVIOUS GAME

#### High School Team Tied Town Boys 12-12 Friday; Wasco Eleven Has Heavy Squad.

The Hermiston town football team is all set for Wasco next Sunday when they will meet the heavy aggregation on the local field at 2:00 p. m.

Two weeks ago when the home boys journeyed to Wasco they were defeated in a close battle, with the score only 6-0 against them. When they meet these boys on their own field here they will be out with everything they have.

More valuable material has been added to the local line-up, giving a number of substitutes to put in when some of the first string men are eliminated. A large crowd is expected to be out for this game, to see some of the former Hermiston high stars in action.

The boys had a good work-out last Friday afternoon when they met the Bulldogs in a fierce and close battle. The score was tied at the end of the game, 12-12. The Bulldogs were inspired by having their coach in the line-up with them against the heavier town boys. Although the town team seemed to have the edge, they nevertheless displayed some splendid team work which the town boys didn't have because of lack of practice. Long passes, from Harris to Pierce for the Bulldogs, and from Hamman to Yeager for the alumni, were the exciting features of the game, coupled with line plunges by Coach Cochran and "Red" Woodward. Logan Todd refereed.

## Older Boy's Conference.

Several delegates from Hermiston will attend the Older Boy's Conference in Walla Walla Friday and Saturday of this week. Earl Watson was elected as a delegate from the Epworth League and Fred Reeves and Don Moore were elected by the high school student body as delegates. Clarence Henning, eighth grade teacher, will motor to Walla Walla with the boys Friday afternoon.

## New Students Enroll.

Several new students enrolled in the Hermiston schools this week. Among those are Juanita Quick, fifth, Bobby Quick, seventh, son and daughter of Mr. and Mrs. J. F. Quick; Ernest Rainwater, freshman, son of Mr. and Mrs. E. E. Rainwater; Joyce Sater, freshman, and Omega Slater, junior, daughters of Mr. and Mrs. F. E. Sater, and Bobby Jackman in the second grade.

## CHRISTMAS GIFT IDEA OFFERED BY MRS. SAGER.

With the approach of another Christmas season, homemakers once more take up the search for attractive, useful and economical gifts, preferably something that can be made at home. Mrs. Azalea Sager, extension specialist in clothing and textiles at O.S.C., suggests an attractive scarf for each member of the family as one partial solution to the problem. A knitted scarf and beret to match will please the little tot, the grade school or high school girl, while the older members of the family will often welcome a gay silk scarf, Mrs. Sager says. Scarfs, by the way, are being worn short, not more than a yard long, and tied up closely around the neck.

Two strips of plain silk material one-third yard wide and a yard long can be combined to make two good looking scarfs, Mrs. Sager says. To make them, take two strips of cloth of different but harmonious colors. Mark the center of each strip; that is, 18 inches from either side. Then mark the center of this. Connect this point to a point on the opposite side at the center 18 inch mark and at the outer edge. This makes a triangle 18 inches at base and 15 inches on either side. Each strip will cut three triangles and two small end triangles measuring 12x 9x15. Intermingle the colors and sew the triangles together again so that a flat strip remains; the two small end triangles and central triangles of one color, the intermediate triangles of the second color. Sew the two sides together. Then press it so that the side seam is in the center of the scarf instead of at one side. Sew up one end. Turn the scarf inside out and blind stitch the open end.

## C. E. Rally Friday.

The Hermiston Christian Endeavor society will be host to delegates to a rally here next Friday afternoon and evening to be held in the Hermiston Union church. Members from societies at Umatilla, Stanfield, Columbia and Hermiston will attend. Arrangements are being made for the program by Devee Brown of Umatilla. Each society will have two musical numbers and interesting speakers will be on the program. The theme for the rally is "In the Beginning God." A banquet will be given at 6:00 o'clock.

## Will Attend League Institute.

A group of young people from the Epworth League of Hermiston will leave Friday, December 1, for The Dalles where they will attend the annual mid-winter institute. Rev. W. E. Briggs will accompany them and act as one of the instructors during the institute. Delegates will receive their lodging and breakfast free. Those planning to attend include Glenn and Morris Pierson, Maxine and Clark Paul, and Lawrence Swarner.

## Tour Southern Idaho.

Mr. and Mrs. R. H. McAtee and daughter Myrtle plan to motor through southern Idaho over the Thanksgiving holidays, arriving in Twin Falls in time to have dinner with Mr. and Mrs. Tom Hardin, old friends of the family. The Misses Norma and Prudence Johnston will accompany them as far as New Plymouth which is a short distance from their home at Emmett, Idaho, where they will spend the Thanksgiving vacation.

## LEGION AUXILIARY NOTES

The regular meeting of the Legion Auxiliary Unit was held at the club house last Thursday with Lois Best presiding. Mrs. James Todd pleased with a solo.

During the business meeting plans were laid for regular monthly card parties to which the public would be invited. The first of this series will be given Saturday, December 9, in the club house, with both pinochle and bridge in play. A small charge of twenty-five cents will be made.

The Auxiliary music committee is asking that all members who can sing will attend the song practices held each Monday night. Mrs. Hamm is chairman of that committee and will be able to inform interested members about the time and place of meeting.

## COMMERCIAL CLUB WILL ENTERTAIN COUNTY COURT

### ROAD COMMITTEE REPORT ACCEPTED.

#### Question of Umatilla County Court House Again Discussed; Road Survey Ordered.

An important Commercial club meeting will be held the second Tuesday in December, when members of the county court will be asked to be present. Special entertainment will be provided and it is requested that every member be present for this meeting. This decision was reached after a lengthy discussion on a number of important questions at the meeting Tuesday night.

A letter from Pendleton giving facts and figures, together with reasons, why a new county court house should be built at this time, was read by the secretary, W. J. Warner, chairman of the road committee, and F. C. McKenzie, another member of the committee, gave reports on the progress of road projects in this vicinity.

They explained from what source money was obtained for relief work within the city limits, the possibility of more work on the Butter Creek-Diagonal road, and the survey to be made from Stewart's Service station through Hermiston, going north. This will eliminate the two right angle turns on the present highway.

The Commercial Club membership expressed its gratitude for the cooperation received from the county court, and delegated W. J. Warner to invite them for the next meeting. State Police Officer Pettigrew, speaking in behalf of the Pendleton Legion Post, invited local business men to a special meeting of that organization December 15th. More information will be given about the program at the next regular meeting.

Mrs. Harry McKenty who lives on Butter Creek was called to Harve, Montana, Sunday to the bedside of her father, who is seriously ill. Mrs. McKenty supervised the local hospital until about a year ago.

## ALONG THE CONCRETE

Because Thanksgiving comes but once a year is no reason why you should eat two turkey drum sticks, a pound of breast, with cranberry trimmings, a whole mince meat pie, pounds of candy and sundry food-stuffs. In such cases bromo seltzer is recommended, but please remember that there are 364 more days ahead of you when you must partake of three meals each day. With this Thanksgiving greeting we leave you, wishing you "a fine turkey carcass."

Bill Luttrell says he has a \$25 wild duck that he will gladly sell for \$12. He prefers to dispose of it before sunset, however.

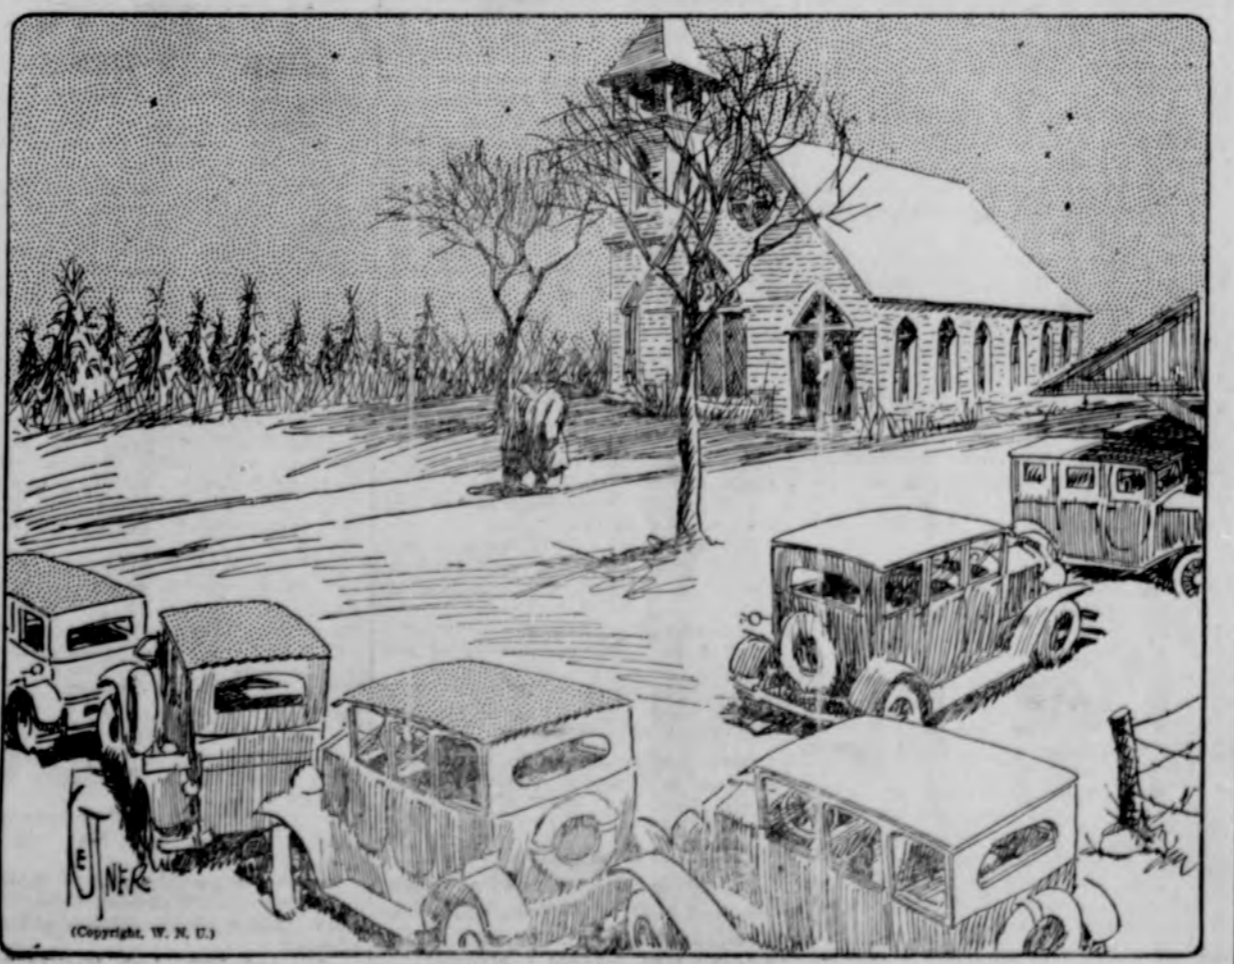

A question of etiquette has arisen upon which finger should the man wear the ring when a double ring ceremony is used? The man who is not allowed to open his own pay envelope may say "Around the ankle attached to a ball and chain."

Ed McMillan examining a Thanksgiving turkey laying on the concrete, wrapped in burlap, waiting for the stage in the dusky hours of the morning today. He didn't get away with it however, as the owner was keeping vigil nearby.

Mrs. Roy Penney was willing to give a hen on all the turkeys sent through the pool last Friday morning to anyone who could stop the stove from smoking. But everyone was afraid of the "big bad wolf" and the three little pigs had been butchered.

"It's all in the way you look at it" is the slogan of Mr. Pennock who believes that is the secret of whether you look at the world with a smile or with a frown. His new business cards reveal a smiling face when you look at them one way, and a frown when you look at it the other.

## Thanksgiving
