**GOOD NEWS!**  
If you lack energy, are run down and never feel just right, we have a message for you. If you would renew virility and regain health, we have a recommendation.  
To assist nature in the building back to health—take UCATONE, the new Nyal tonic.  
UCATONE is prepared from a formula by chemists of long experience, with all the facilities for research available in a laboratory which has been preparing fine medicinals for over seventy-five years. Only the purest of ingredients and the most potent are used in the preparation of UCATONE. No effort has been spared to give you in UCATONE the finest general tonic available.  
UCATONE is rich in Vitamins B and G—it also contains the concentrated nourishment of malt, the strengthening properties of iron and the invigorating power of full-bodied wine, together with other tonic ingredients. Everyone knows how essential vitamins are to sound body and a keen mind. Vitamins B and G are combined in UCATONE in just the right proportions to be assimilated by the undernourished system.  
UCATONE renews your appetite—makes you hungry—makes food taste better. It aids digestion—assisting the digestive organs in turning over their full quota of tissue building nourishment. You will feel better after taking UCATONE for only two or three days. The lax and lazy organs of the body take a new lease on life and before you know it you are rugged, active and cheerful again. Girls who are delicate and boys who are growing too fast need UCATONE just as much as overworked rundown adults. It is particularly important during the development period that growing children eat hearty, substantial food. UCATONE will encourage their appetite and assist nature during this stage of life.
