Ueatone LAXATIVE TABLETS

Elimination is one of the most important functions of the body. When waste matter is allowed to accumulate in the intestines, many of the organs of the body are affected, their actions are slowed up and a resulting condition of auto-intoxication occurs. Headaches, biliousness, acid stomach, indigestion, belching and similar ailments all may result from irregularity. Ueatone Laxative Tablets bring instant action. Sluggishness, torpid liver and clogged intestines are relieved. Ueatone Laxative Tablets assure a regular, easy movement—and their contents have a beneficial effect, not only on the bowels, but on the kidneys and liver as well. Ueatone Laxative Tablets fill the purpose of a laxative, a kidney stimulant and a liver regulator and do each task well. Sold in 35c bottles at
