HERMISTON TAKES FIRST PLACE IN BASEBALL LEAGUE

ATHENA DROPS GAME TO HERMISTON IN 10-3 SCORE.

R. Woodward Holds Athena Scoreless From Seventh On; Will Play at Echo Sunday.

Shorty Matott's boys of Hermiston jumped into first place in the Umatilla County Baseball League Sunday when they won over the Athena team, 10 to 3. Echo defeated the Mission Indians the same afternoon which now ties them with Athena for second place in the league, while Pendleton and the Indians hold the cellar position.

Athena made a run in the first inning by connecting with a safe hit over second base with one man on base. Bob Woodward and Waterman crossed the plate in the second inning scoring for Hermiston. These boys again scored in the third inning, and another score by Lynch brought the score to 5-1 for Hermiston.

An error by Hermiston in the fifth netted Athena another run. A two-base hit by Kopacz scored R. Woodward in the sixth. In the seventh inning R. Woodward replaced Kopacz in the box and held Athena scoreless for the remainder of the session, except for a home run by Jenkins, which went over the west side dairy barn. The Hermiston boys tucked away the game making four more runs in the seventh.

Waterman and Kopacz each connected with three safe hits, and the Woodward brothers each received a hit.

The next battle will be with Echo at Echo Sunday, May 20, and the following Sunday with the Mission Indians who will come to Hermiston.

HUMOR, DRAMA AND MUSICAL NUMBERS MIX.

A potpourri of entertainment is offered on the screen of the Oasis theatre Sunday and Monday in the film "Broadway Thru a Keyhole."

It is a story with humor, drama and a whole flock of unusually clever musical numbers.

One of the featured of the latter is a night club scene in which Constance Cummings leads the chorus in "When You Were a Girl on a Scooter and I Was a Boy on a Bike."

It is a tuncful number and the chorines gyrate about on scooters and tricycles in presenting one of the most unusual acts of its kind ever put in pictures.

Then there is crooning Russ Columbo in the heavy heart interest role with Miss Cummings. Columbo flutters feminine patrons in his best manner.

The story concerns a night club singer who owes her success to a handsome Broadway gangster. He is a square guy and she is grateful for his help. She even thinks she will marry him until he sends her to Florida to keep her safe from gangster bullets. In Miami she meets the glamorous Mr. Columbo and Rocci, the young gangster, is out of luck from then on.

When Columbo followed the girl back to New York Mr. Rocci's first inclination is to fill him full of lead slugs, as he has numerous gangster rivals. He decides Columbo is a pretty good sort, after all, and when the bride is kidnaped on her wedding day it is Rocci who turns hero and the Columbo-Cummings couple presumably live happily ever after.

CWA PREDATORY ANIMAL WORK CLOSED IN MARCH.

All CWS predatory-animal work came to a close with the end of March. A total of 294 coyotes and 60 bobcats was taken by the temporary hunters working under this fund.

Weather conditions being almost ideal, the force of regular predatory animal hunters, working all or part time during April, was successful in ending the careers of many coyotes on and adjacent to spring ranges. Five hundred eighty-two coyotes, 16 bobcats and 1 cougar were taken. Den-hunting on the lower ranges produced good results.

Assistant Leader Dobyns and the hunters he worked with in Morrow and Umatilla counties took 298 pups and 13 adult coyotes. In addition, Mr. Dobyns assisted in starting a ground squirrel campaign in southern Umatilla county, and also collected and stored equipment used by CWS hunters during March.

POPPY SALE ORGANIZATION COMPLETED THIS WEEK.

Organization of volunteer workers to distribute memorial poppies here on "Poppy Day", Saturday, May 26th, was completed recently, Mrs. J. G. Sage, poppy chairman of Hermiston Unit of the American Legion Auxiliary, announced. More than 20 will take part in the "Poppy Day" activities through which poppies, to be worn in honor of the World War dead, will be offered throughout the city, Mrs. Sage said.

The distribution of poppies will be carried out under a systematic plan that will assure everyone in the city an opportunity to wear one of the little red memorial flowers. Teams of workers under captains have been assigned to the city.

All workers distributing poppies for the Auxiliary will serve without pay or commission, Mrs. Sage said.

Every penny contributed for the poppies goes to the relief of needy veterans and their families. Making of the poppies has provided employment for many disabled veterans during the winter and spring, and the funds collected will help finance the relief activities of The American Legion and Auxiliary among the disabled veterans and dependents of the dead and disabled in the city during the coming year.

WILL ROGERS IS FUNNIER THAN EVER IN FILM.

In the film, "Mr. Skitch," which will be at the Oasis theatre Friday and Saturday, Rogers plays an accordion, and gives an imitation of Wallace Beery.

The story concerns a Missouri family that have lost all their savings in a bank failure. Forced out of their home, and their belongings taken away from them, they set out in a dilapidated car and make their way westward. Hoping to start anew in some other community, they migrate from one auto camp to another. The film has an uproarious conclusion.

A comedy and travelogue complete the program.

O'GRADY AUTO PARK NAMED IN NEW YORK PUBLICATION

Photographs and a description of cabins at the T. A. O'Grady auto park southeast of town appeared in the "Tourist Park" magazine which is published in New York City. Mrs. O'Grady entered photographs of the cabins in a contest recently offered by the magazine and soon received a check for \$2 as one of the winners. The magazine later carried an illustration and statement about the cabins and park.

The O'Grady tourist camp grounds are well kept and colorful with flowers, and the cabins are comfortable and sanitary.

Organizes 4-H Club Work.

N. A. Jacobson, emergency agricultural agent in Umatilla county, working out of Pendleton, was in Hermiston three days the later part of last week working with 4-H club leaders and boys and girls. He organized the work and announced that 4-H club summer school at Corvallis will be held June 11th to 23rd this year. Edith Clarke was awarded county scholarship early this spring, with Esther McMullen as alternate, which entitles her to attend the summer school. The Farm Bureau scholarship was awarded to Bill Jackson with Bernard Jendziewski as alternate.

ECHO WINS PERMANENT POSSESSION COUNTY TENNIS TROPHY

UMATILLA TEAM WINS GIRLS' SINGLES.

Hermiston Takes Girls' Doubles; More Interest Than Usual Shown by Schools.

The Umatilla County Tennis Tournament held in Hermiston, May 11 and 12, seemed to be attended with more real interest and enthusiasm than any previous tournaments. Schools taking part were Pendleton, Helix, Echo, Stanfield, Umatilla and Hermiston.

Echo had the outstanding team in the tournament, and had no trouble winning the cup for the third time, which gives them permanent possession of the cup. Eddie Lise-gang, member of the Echo team, performed in a manner that would do credit to a professional.

Girls' singles went to Umatilla in one of the best matches of the tournament. The contest was between Minnie Harvey of Umatilla, and Mary Lassen of Pendleton. Both girls did fine work, but Miss Lassen was forced to quit before the end of the third set because of exhaustion. Miss Harvey was in the lead at the time, and was awarded the match.

Hermiston took the honors in girls' doubles, with Julia Colpitts and Maxine Paul on the court. This was a hard fought match. Mildred Conlon and Ruth Thompson of Umatilla, took the first set, but lost in the second and third sets.

On the whole the tournament was very much of a success. It warrants greater attention from the high schools of the county.

Members of the Hermiston team were as follows: Boys' singles, Kenneth Knerr; Girls' singles, Mildred Phelps; Boys' doubles, Dale Wells and Clyde McFaris; Girls' doubles, Julia Colpitts and Maxine Paul; Mixed doubles, Kenneth Knerr and Mildred Phelps.

An attempt will be made to negotiate a new rule before next year's tournament which will not permit one player to make more than one entry. In this way one good player in a school cannot win the tournament for the team of which he is a member.

Club Backs Lonergan.

Geo Stangler of Pendleton, member of the Lonergan for Governor club, was in town today and states that they are elated over the endorsement of their candidate by the Oregon Voter, recognized as strictly unbiased and non-partisan. The reason given for the selection of Mr. Lonergan as the republican candidate for governor is that he is best equipped by character, experience and ability for the position.

ALONG THE CONCRETE

We fully expected to see turtle soup listed on our menu Monday as the little brown member of the turtle family at the drug store ducked his head and drowned himself.

Bert Mullens is expecting a "draught" this summer and is telling people about it with a sign on the window and in front of his place of business. He was out with a step ladder and brush yesterday painting over the word "beer" on the sign. So orders the State Liquor Commission.

Neva Richards can't possibly decide what to buy her boy friend for graduation. Suggestions appreciated.

Mrs. H. J. Ott had a flat tire last night and Mrs. B. Haneline lost her car key.

Henry Harger conspicuously absent from the class night program when a bottle of hair restorer was wilted to him.

Supt. R. H. McAttee admiring the swinging bridge made of all day sucker sticks, wilted to him by the "Lollipop Twins."

Barbara Wessell displaying the three little kittens, without any mittens, to anyone along the concrete who would show the slightest interest. Barbara said only two of the kittens would be returned and we can't figure out what will happen to the third one since "Pepper" has not returned.
